ACTION 2 22/09/09	<i>Highway Scheme Improvement Proposals 2010/11 (Item No. 11)</i> Members requested that Officers reconsider SEV 14 and report back to the next meeting of Board	The scheme had been deferred to a later date for consideration. (16/03/10)	Alan Ash 08458 247 800
ACTION 3 22/09/09	<i>Railway Bridge at B2026 – Marlpit Hill, Edenbridge (Item No. 7)</i> The Board requested that where improvements were simple, such as re-painting faded road marking, they be completed before the next meeting. The Local Transport and Delivery Manager undertook to liaise with local Members as to what works could be completed before this time.	The Board was informed that work would be undertaken to look at the signage in the wider area to ensure that vehicles over the height limit would be diverted away from the railway bridge. Following a query it was explained that the Core Strategy noted that the access restrictions needed to be investigated. (16/03/10)	Alan Ash 08458 247 800
ACTION 4 22/09/09	<i>Highway Improvement Scheme progress report (including options for “Bat ‘N’ Ball” junction) (Item No. 9)</i> A report on “Bat ‘N’ Ball” junction would be brought to the next meeting of the Board.	It was explained to the Board that the planned reduction of the speed limit in London Road, Swanley from 40mph to 30mph east of the A20 on-slip had failed to gain support from Kent Police. It was highlighted that this issue would be looked into in the future as part of the overall review of speed limits in the Kent. (16/03/10)	Andrew Burton 08458 247 800

15/12/09	<i>Update on the Petition for a pedestrian footway in Windmill Road, Weald opposite the school</i>	KHS were involved in discussions with Weald Parish Council with regards to the scheme and a funding bid. Permission still needed to be sought from the land owner before any scheme could be progressed. The Chairman noted that this would be discussed at the next meeting of the parish council. (16/03/10)	Alan Ash 08458 247 800
15/12/09	<i>Update Report on Cold Arbor Road, Bessels Green</i>	Crash data for the road had been obtained and officers were looking into this issue. Following a query from a local resident it was clarified that the crash data used came from police reports and this was the standard criteria used to assess road safety. A local resident asked if they could be provided with the date that a final report would be brought forward and some proposed recommendations. Officers agreed to consult with local residents and the local county council member as more information became available. (16/03/10)	Alan Ash 08458 247 800
