

SEVENOAKS DISTRICT
Winter Service
Handbook
2010-2011

Winter Service District/Team Handbook

Contents

1. KHS policy statement and plan

This will be the document approved by Environment Highways and Waste policy Overview Committee

2. Winter service procedure

During normal working hours the team leader will deal with all winter service matters, including managing local action in snow/ice emergencies. The Duty Officer (DO) will assume control out of hours. Team Leader (TL) will also ensure that adequate support is provided to DO out of hours in emergency situations and that a suitable handover briefing takes place at the start and end of the normal working day. See Appendix 1 for personnel roles in winter service.

- 2.1 The Winter Duty Officer(WDO) will commence duty at 12.00 hours on Friday until 08.00 the following Friday and will be responsible for all the actions below. Assistance will be given but the ultimate responsibility will be with the WDO.
- 2.2 Immediately after 1400 hours daily the weather forecast/information will be available on email/telephone. (Update forecasts may be available at 21.30 hours each day, or when issued.)
- 2.3 **Instructing and recording actions** –The WDO will record action taken on the Winter Service action sheet (attached as Appendix 2). Email to Ringway; this will instruct them of the action that is needed. Provide as much detail as possible on the form. In the event that additional actions are needed, confirm by phone with the Ringway Duty Supervisor. If, in the opinion of the duty officer, or on a site check, different action is taken to that recommended by the Winter Duty Officer (WDO), please inform the WDO. Ringway will be informed directly of the main action. Duty Officer will decide and instruct on any other action needed.

The winter service action sheet should also be copied by email to the relevant Priority Response Officer, Team Leader and Community Delivery Manager. The PRO will ensure that a WAMS order is raised as soon as practicable. The PRO will save the form in the designated folder on the KHS IT system.
- 2.4 At weekends/bank holidays the winter forecast/action will be sent out at 14.00 hours or soon thereafter. In the event that a forecast is not received the DO will phone the KCC forecast to receive forecast and instructions.
- 2.5 If there are any changes, i.e. rain, contact the Ringway Winter Duty Supervisor as soon as possible to cancel/ amend the instruction and inform the WDO

- 2.5 A snow/ice emergency can only be declared by a Community Delivery Manager (CDM). In the event of a snow/ice emergency being declared by the CDM, strategic action should be considered, i.e. opening an Emergency Room and calling in other staff etc.
- 2.6 In a declared snow emergency the priorities are primary routes, secondary routes, recorded snow clearance priorities and finally anything reported by the public etc. All public reports are to be logged on the agreed spreadsheet (Appendix 4) This will usually be completed by the community liaison team who will also ensure that these enquiries are entered into the WAMS system and followed up accordingly.

3. Location of Traffic Calming features on Primary and Secondary Routes

Road Name (number)	Salting Route	Features
Primary Routes		
A25 High Street Brasted	Hays 3	Chicane
B2026 High Street Edenbridge	Hays 2	Chicanes and Priority give ways
A25 Maidstone Road Riverhead	Hays 4	Mini Roundabouts(Dome)
Top Dartford Road Hextable	Swan 1	Priority Give Way Narrowings
Witches Lane Chevening	Hays 4	Speed Cushions and Narrowing
The Drive Sevenoaks	Hays 4	Road Table and Build out
Secondary Routes		
Bradbourne Park Road Sevenoaks	Hays D	Road Tables
Bullfinch Lane Riverhead	Hays D	Speed Cushions
Chipstead Lane Chevening	Hays D	Build out and Priority Give way
Riverside Eynsford	Swan A	Road Narrowing
Hartley Bottom Road Ash cum Ridley	Swan B	Road Narrowing
Horton Road Horton Kirby	Swan B	Granite Sett Rumble Strips
St Marys Road Swanley	Swan A	Road Narrowings

Locations of other traffic calming features not on winter service routes

Road Name	Features
Wayside Drive Edenbridge	Road Tables
Field Drive Edenbridge	Road Tables
Farmstead Drive Edenbridge	Road Tables
Wellingtonia Way Edenbridge	Road Tables
School Field Edenbridge	Road Tables
Molesmead Edenbridge	Road Tables
Cobbetts Way Edenbridge	Road Tables
Cobbetts Close Edenbridge	Road Tables
Sixpenny Close Edenbridge	Road Tables
Tanners Mead Edenbridge	Road Tables
Coomb Field Edenbridge	Road Tables
Gresham Way Edenbridge	Road Tables
Chilternhurst Edenbridge	Road Tables
Goodwin Close Edenbridge	Road Tables
Oliver Road Swanley	Road Tables
Hartdyke Road Swanley	Road Tables
Farm Avenue Swanley	Road Tables

4. Snow clearance priorities, with details by town/area in priority order

Walking bus routes

Shoreham School – Walking Bus Route 1 (Start of Walk 08.35 a.m.)

Sundridge & Brasted C.P. School (Start of Walking Bus 08.10 a.m.)

Kemsing Primary School (Start of Walking Bus 08.25)

Other Snow Clearance Priorities are shown in Appendix 7.

Gang packs A to S.

The gang packs in the working copy contain plans for each of these routes (including the plans in this electronic document would make this file excessively large).

List of Secondary Schools/Colleges to be used if snow or ice emergency likely to interfere with A levels examinations

List of Secondary Schools in Sevenoaks District

<u>School</u>	<u>Location</u>
Swanley Technology college	St Marys Road, Swanley
Hextable School	Egerton Avenue, Hextable
The Bradbourne School	Bradbourne Vale Road, Sevenoaks
The Wildernesse School	Seal Hollow Road, Sevenoaks
Combe Bank School	Chevening Road, Sundridge
Sevenoaks School	A225 High Street and Tonbridge Road, Sevenoaks
Walthamstow Hall School	Hollybush Lane, Sevenoaks
The New School West Heath	Ashgrove Road, Sevenoaks

5. Plans of Primary and Secondary routes

Primary routes now on <http://www.kent.gov.uk/publications/transport-and-streets/Winter-salting-routes.htm>

Secondary Routes can also be found on KHS net.

6. Spot salt list i.e. wet spots on and off precautionary routes.

Hever Road junction with Uckfield Lane (On Secondary Route)

Well Hill and Rock Hill (On Secondary Route)

Blackhall Lane (On Secondary Route)

Swanley Village Road and Button Street

7. Emergency primary actions

A224 Polhill -needs to be driven in both directions

A225 Riverhill - needs to be driven in both directions

8. Salt bin locations

For list of current salt bins see Appendix 6

9. Local agreements/actions with Districts/others - See Appendices 5 and 7

Swanley Town Council - Hand salt pedestrian areas and provide Snow ploughs, check and fill salt bins in Swanley.

Hextable Parish Council –Check and fill salt bins in Hextable if salt provided at Hextable PC offices to be stored in car park and distributed by PC staff only. Able to provide 2-3 members of staff to assist Crews in Hextable if snow is so bad that they are unable to carry out normal work (Hand Salt only).

Sevenoaks District Council – see appendix 7

New Ash Green Village Association – Provide Hand salting of New Ash Green and Provide Snow Ploughs.

Edenbridge Town Council – Meeting arranged on 22 October 2010 to confirm arrangements for the winter, space available to store salt and men will be available to assist in spreading.

10. Pavements

During snow days arrangements will be made to clear pavements in key town centre and other areas as identified and agreed by district council and KHS staff. The prioritised pavements/footways are identified in this document.

Appendix 1

Personnel Roles

Duty Officer (DO), is the Duty Officer who assumes responsibility for winter service out of hours and is usually the same DO that would deal with all out of hours calls.

Winter Duty Officer (WDO) is the KHS officer who receives weather forecasts and decides the appropriate salting actions.

Ringway Winter Duty Supervisor (RWDS) is the Ringway officer who arranges the Ringway out of hours WS actions

Community Delivery Manager (CDM) will declare a snow/ice emergency when appropriate

Team Leaders will co-ordinate action during normal office hours in conjunction with the WDO and where necessary the relevant CDM

Appendix 2
Winter Service Action sheet

Appendix 8. Sevenoaks District Council - Winter Emergency Resources available for work within the District Council area 2010/2011

Winter Emergency Labour Available:

Litter picking/bin emptying teams (up to 8 two person crews) will be used to provide a hand gritting service to footways during daylight hours when unable to undertake street cleansing operations due to the extent of snowfall.

An LGV driver/operator for 17t GVW gritter trained in winter maintenance incl. plough.

A non-LGV driver/operator for Landrover gritter trained in winter maintenance.

Dependant upon the scale of the winter emergency two additional LGV driver/operators trained in winter maintenance operations (& plough) may be reassigned from other operational duties.

In extreme winter emergency events where refuse collection & recycling operations are suspended additional operational staff may be available to assist subject to drivers hours, working time directive compliance, vehicle availability and salt supply/handling.

Winter Emergency Vehicles Available:

17t GVW DAF tipper with Econ Unibody spreader & Snow Plough

Land Rover pick-up with demountable Snowex V Max spreader body - no plough available

Depot Massey Ferguson loading shovel

In addition our litter picking/bin emptying crew vehicles (up to 8 'Transit' type enclosed tipper vehicles) are available when unable to undertake street cleansing operations due to the scale of the snowfall. It should be noted these vehicles are hand loaded with salt due to the fixed body enclosures and so turnaround times to load, spread and reload can be prolonged.

Dependant upon the scale of the winter emergency additional Ford Ranger 4x4 pick-up vehicles may be reassigned to assist.
