Once upon a time...  
 There was a cocktail lounge, wrapped in mystery and intrigue, hidden away from the real world for what would seem like forever, firmly lost in the Rabbit's hole. Fabulous cocktails recipes were selfishly only shared with those in this dream world.

One day a young girl stumbled into the hole and discovered this Wondrous place, and decided, if she should ever return home, she would share these secret cocktails with the rest of the world.

Years later, this young girl grew up and decided it was time to share her secret. She decided she wanted to inject a little bit of different to the nightlife, sprinkle a little star dust on her evenings out and to show you the world from a different perspective.

From that moment, the Wonder-Lounge was born.
