Since the report has been written, one further neighbour letter has been received in support of the application.

*Officer comment: the issues raised in this letter are already covered in the report.*

A letter has also been sent to Councillors from Mrs Tasker of Robinson Escott Planning. This letter refers on page 1 to a previous application reference 15/02909.

For clarification this reference relates to application 15/02909/FUL for 'Conversion of existing building from two self contained flats into one family dwelling, including a two storey rear extension with room within roof space and a single storey side extension. Recessed balcony to rear. Alterations to fenestration'. This application was withdrawn.

**The recommendation remains unchanged.**
