Development Control Committee

Supplementary Agenda (1)

Members are reminded of the sensitive and confidential nature of the report attached hereto and are requested not to disclose or discuss any of the information contained therein with any person who is not a Member of this District Council. The issues to be addressed are highly sensitive and affect not just the determination of the individual proposal being considered but also wider aspects of the Local Plan progression. Should Members be asked about the content of the report or the status of the appeal, such requests should be declined until Members have been informed by Officers that the Planning Inspectorate and Appellant have been advised of the decision. This is considered crucial in maintaining the Council's proper and unfettered decision-making ability in the consideration of the matters before it.

Consideration of Exempt Information

Recommendation: That, under section 100A(4) of the Local Government Act 1972, the public and press be excluded from the meeting when considering Agenda item 5, on the grounds that likely disclosure of exempt information is involved as defined by Schedule 12A: paragraph 3 - Information relating to the financial or business affairs of any particular person (including the authority holding that information); and paragraph 5 - Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
