It would be possible to streamline the accounts by removing notes that were not material or did not add value to the user. Ways of streamlining the accounts would be discussed with the Chief Finance Officer.

Negotiations would commence six months prior to this. The S-FIS would only investigate welfare fraud and so the investigation of fraud within Council Tax Support claims and Council Tax (discounts and exemptions) would remain the responsibility of the local authority.

A Member queried whether more money was being retrieved than spent to retrieve. The Officer reported that more fraud was being detected but as to the monetary value this was constant. The recent amount discovered was the highest from the last four years. However they only assisted with the detection of the fraud not the retrieval. With regards
