## **EXEMPT ITEMS**

(At the time of preparing this agenda there were no exempt items. During any such items which may arise the meeting is likely NOT to be open to the public.)

To assist in the speedy and efficient despatch of business, Members wishing to obtain factual information on items included on the Agenda are asked to enquire of the appropriate Contact Officer named on a report prior to the day of the meeting.

Should you require a copy of this agenda or any of the reports listed on it in another format please do not hesitate to contact the Democratic Services Team as set out below.

For any other queries concerning this agenda or the meeting please contact:

The Democratic Services Team (01732 227241)

## FINANCE ADVISORY COMMITTEE

## Minutes of the meeting held on 2 June 2015 commencing at 7.00 pm

Present: Cllr. Searles (Chairman)

Cllr. Scholey (Vice-Chairman)

Clirs. Mrs. Bayley, Cooke, Esler, Kelly, Krogdahl, Lake, Pett and Scholey

Apologies for absence were received from Cllrs. Bosley and Rosen

## 1. <u>Appointment of Chairman</u>

Resolved: That Cllr. Searles be appointed as Chairman of the Committee for the ensuing municipal year.

(Cllr. Searles in the Chair)

## 2. <u>Appointment of Vice-Chairman</u>

Resolved: That Cllr. Scholey be appointed as Vice-Chairman of the Committee for the ensuing municipal year.

3. <u>Minutes</u>

Resolved: That the Minutes of the meeting of the Finance and Resources Advisory Committee held on 14 April 2015 be agreed and signed by the Chairman as a correct record.

4. <u>Declarations of Interest</u>

No additional declarations of interest were made.

## 5. <u>Actions from Previous Meeting</u>

The actions from the Finance and Resources Advisory Committee meeting held on 14 April 2015, were noted.

6. <u>Update from Portfolio Holder</u>

The Chairman and Portfolio Holder for Finance advised that he was new to the role and was looking forward to the challenge ahead.

## 7. <u>Referrals from Cabinet or the Audit Committee</u>

There were no referrals.

## Agenda Item 1 Finance Advisory Committee - 2 June 2015

## 8. <u>Scope of Officer Responsibilities</u>

The Chief Finance Officer presented a report which provided details of the role of the Committee, its areas of responsibility and key issues and challenges facing those areas. Members received a short <u>presentation</u> on the relevant service areas.

## 9. <u>Financial Performance Indicators 2014/15 - to the end of March 2015</u>

The Head of Finance presented a report which detailed the internally set performance indicators as at the end of March 2015 which Members considered.

Resolved: That the report be noted.

## 10. Provisional Outturn 2014/15 and Carry Forward Requests

The Head of Finance presented the provisional financial outturn figures for 2014/15 which would be presented to Cabinet at its meeting on 4 June 2015, and set out the requests to carry forward unspent budgets into 2015/16 for Revenue items.

## Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That it be recommended to Cabinet that

- a) the Revenue 'carry forward' requests totalling £204,090 as set out in paragraph 14 of the report be approved;
- b) the Capital carry forward request totalling £140,000 as set out in paragraph 15 of the report be approved;
- c) a sum of £50,000 be transferred to the Housing Surveys earmarked reserve to enable a Stock Condition survey to be completed in 2015/16;
- d) a Health and Safety Earmarked Reserve be established, and a sum of £100,000 be transferred to that reserve as at the end of March 2015; and
- e) a sum of £60,000 be set aside to provide for payment in respect of restitutionary claims and costs in respect of personal search fees.

## 11. Work Plan

The work plan was noted. It was agreed that the meeting of the 25 February 2016 would be moved to 18 April 2016.

1 September 2015: Introduction to Audit, Risk and Anti-Fraud

17 November 2015: Introduction to Revenues and Benefits

25 January 2016: Introduction to Procurement Strategy

## Agenda Item 1 Finance Advisory Committee - 2 June 2015

Risks and Assumptions for Budget 2016/17 Capital and Asset Maintenance Budget 2016/17 Treasury Management Strategy 2016/17 Financial Performance Indicators 2015/16 – to the end of November 2015 Financial Results 2015/16 – to the end of November 2015

18 April 2016: Introduction to Facilities Management Financial Performance Indicators 2015/16 – to the end of February 2016 Financial Results 2015/16 – to the end of February 2016

## THE MEETING WAS CONCLUDED AT 7.40 PM

<u>CHAIRMAN</u>

## ANNUAL TREASURY MANAGEMENT REPORT 2014/15

## Finance Advisory Committee – 1 September 2015

| Report of the:      | Chief Finance Officer         |
|---------------------|-------------------------------|
| Status:             | For recommendation to Cabinet |
| Also considered by: | Cabinet – 17 September 2015   |
| Key Decision:       | No                            |

**Executive Summary:** This report provides the customary review of investment activity during 2014/15 as required by the Council's Financial Procedure Rules. The report outlines the strategy adopted during the year, shows the position of the investment portfolio at the beginning and the end of the year and gives details of how the fund performed in comparison with previous years and against various benchmarks.

This report supports the Key Aim of Effective Management of Council Resources.

Portfolio Holder Cllr. Searles

**Contact Officer** Roy Parsons, Principal Accountant - Ext 7204

**Recommendation to Finance Advisory Committee:** That Cabinet be asked to approve the Annual Treasury Management Report for 2014/15.

**Recommendation to Cabinet:** It be RESOLVED that the Annual Treasury Management Report for 2014/15 be approved.

**Reason for recommendation:** As required by both the Council's Financial Procedure Rules and the CIPFA Code, an annual report of treasury management activity is to be presented to Members for approval.

## Background

- 1 The Council is required through regulations issued under the Local Government Act 2003 to produce an annual treasury report reviewing treasury management activities and the actual prudential and treasury indicators for 2014/15. This report meets the requirements of both the Chartered Institute of Public Finance and Accountancy (CIPFA) Code of Practice on Treasury Management (the Code) and the CIPFA Prudential Code for Capital Finance in Local Authorities (the Prudential Code).
- 2 During 2014/15 the minimum reporting requirements were that the Council should receive the following reports:

- an annual treasury strategy in advance of the year (Council 18/2/2014)
- a mid year (minimum) treasury update report (Finance and Resources Advisory Committee 11/11/14, Cabinet 13/11/14)
- an annual report following the year describing the activity compared to the strategy (this report)
- 3 In addition, regular reports on progress were presented to the predecessor of this Committee, the Finance and Resources Advisory Committee. The Council's treasury management advisers, Capita Asset Services Ltd, also provided monthly reviews of our investment performance which were forwarded to Members.
- 4 The regulatory environment places responsibility on Members for the review and scrutiny of treasury management policy and activities. This report is important in that respect, as it provides details of the outturn position for treasury activities and highlights compliance with the Council's policies previously approved by Members.
- 5 This Council also confirms that it has complied with the requirement under the Code to give prior scrutiny to treasury management reports before they were reported to the full Council. Member training on treasury management issues was undertaken on 27 January 2010 in order to support Members' scrutiny role.
- 6 Members will be aware of the Property Investment Strategy which commenced in the latter part of 2014/15. The use of surplus cash balances for this type of 'Policy Investment' does not form part of the treasury management strategy and is not required to be included in either the Treasury Management Strategy Statement or the Annual Investment Strategy.

## Introduction

- 7 This annual treasury report covers:
  - (a) The Council's treasury position at the beginning and end of the financial year;
  - (b) Investment Strategy for 2014/15;
  - (c) the economy and interest rates in 2014/15;
  - (d) compliance with treasury limits and prudential indicators;
  - (e) investment rates in 2014/15;
  - (f) investment outturn for 2014/15 and performance; and
  - (g) Icelandic bank defaults and Municipal Bonds Agency

## Treasury position at the beginning and end of the financial year

8 The Council's investment portfolio at the beginning and end of the financial year appears at Appendix A, whilst an analysis by maturity and repayment due dates appears at Appendix B.

## Investment Strategy for 2014/15

- 9 The expectation for interest rates within the strategy for 2014/15 anticipated low but rising Bank Rate (starting in quarter 1 of 2015), and gradual rises in medium and longer term fixed borrowing rates during 2014/15. Variable, or short-term rates, were expected to be the cheaper form of borrowing over the period. Continued uncertainty in the aftermath of the 2008 financial crisis promoted a cautious approach, whereby investments would continue to be dominated by low counterparty risk considerations, resulting in relatively low returns compared to borrowing rates.
- 10 In this scenario, the treasury strategy was to postpone borrowing to avoid the cost of holding higher levels of investments and to reduce counterparty risk.
- 11 The actual movement in gilt yields meant that Public Works Loan Board (PWLB) rates saw little overall change during the first four months of the year but there was then a downward trend for the rest of the year with a partial reversal during February.
- 12 The strategy adopted in the original Treasury Management Strategy Report for 2014/15, approved by the Council on 18 February 2014, was subject to a minor revision during the year to allow investment in one non-UK institution, Svenska Handelsbanken AB.
- 13 Counterparty credit ratings were kept under constant review to ensure that any investment decisions met minimum lending requirements.

## The economy and interest rates in 2014/15

- 14 The original market expectation at the beginning of 2014/15 was for the first increase in Bank Rate to occur in quarter 1 of 2015 as the unemployment rate had fallen much faster than expected through the Bank of England's initial forward guidance target of 7%. In May, however, the Bank revised its forward guidance. A combination of very weak pay rises and inflation above the rate of pay rises meant that consumer disposable income was still being eroded and in August the Bank halved its forecast for pay inflation in 2014 from 2.5% to 1.25%. Expectations for the first increase in Bank Rate therefore started to recede as growth was still heavily dependent on buoyant consumer demand.
- During the second half of 2014 financial markets were caught out by a halving of the oil price and the collapse of the peg between the Swiss franc and the Euro. Fears also increased considerably that the European Central Bank (ECB) was going to do too little too late to ward off the threat of deflation and recession in the Eurozone. In mid-October, financial markets had a major panic for about a week. By the end of 2014, it was clear that inflation in the UK was going to head towards zero in 2015 and, possibly, even turn negative. In turn, this made it clear that the Bank of England's Monetary Policy Committee (MPC) would have great difficulty in starting to raise Bank Rate in 2015 while inflation was around zero and so market expectations for the first increase receded back to around quarter 3 of 2016.
- 16 Gilt yields were on a falling trend for much of the last eight months of 2014/15 but were then pulled in different directions by increasing fears after the anti-

## Agenda Item 7

austerity parties won power in Greece in January; developments since then have increased fears that Greece could be heading for an exit from the euro. While the direct effects of this would be manageable by the EU and ECB, it is very hard to quantify quite what the potential knock on effects would be on other countries in the Eurozone (EZ) once the so called impossibility of a country leaving the EZ had been disproved.

17 Another downward pressure on gilt yields was the announcement in January that the ECB would start a major programme of quantitative easing, purchasing EZ government and other debt in March. On the other hand, strong growth in the US caused an increase in confidence that the US was well on the way to making a full recovery from the financial crash and would be the first country to start increasing its central rate, probably by the end of 2015. The UK would be closely following it due to strong growth over both 2013 and 2014 and good prospects for a continuation into 2015 and beyond. However, there was also an increase in concerns around political risk from the general election due in May 2015.

## **Compliance with treasury limits and prudential indicators**

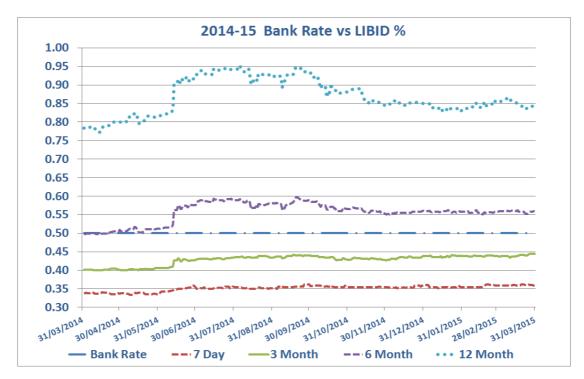

18 During 2014/15, the Council complied with its legislative and regulatory requirements. The key actual prudential and treasury indicators detailing the impact of capital expenditure activities during the year, with comparators, are as follows:

|         |                                | 2013/14<br>Actual<br>(£000) | 2014/15<br>Original<br>(£000) | 2014/15<br>Actual<br>(£000) |
|---------|--------------------------------|-----------------------------|-------------------------------|-----------------------------|
| Capita  | l expenditure                  | 2,114                       | 1,207                         | 4,263                       |
| Total C | Capital Financing Requirement: |                             |                               |                             |
| •       | Non-HRA                        | -                           | -                             | -                           |
| •       | HRA                            | -                           | -                             | -                           |
| •       | Total                          | -                           | -                             | -                           |
| Net bo  | rrowing                        | -                           | -                             | -                           |
| Extern  | al debt                        | -                           | -                             | -                           |
| Investr | ments:                         |                             |                               |                             |
| •       | Longer than 1 year             | -                           |                               | -                           |
| •       | Under 1 year                   | 33,050                      |                               | 37,801                      |
| •       | Total                          | 33,050                      |                               | 37,801                      |

- 19 The investment figures relate to the time left to maturity, not the length at the commencement date and exclude accrued interest.
- 20 During the year the Council operated within the treasury limits and prudential indicators set out in its Treasury Policy Statement and Annual Treasury Strategy Statement.
- 21 The lending list was kept under constant review throughout the year in response to credit rating changes as and when they arose.
- 22 No institutions in which investments were made during 2014/15 had any difficulty in repaying investments and interest in full during the year.

## Investment rates in 2014/15

23 Bank Rate remained at its historic low of 0.5% throughout the year; it has now remained unchanged for six years. Market expectations as to the timing of the start of monetary tightening started the year at quarter 1 of 2015 but then moved back to around quarter 3 of 2016 by the end of the year. Deposit rates remained depressed during the whole of the year, primarily due to the effects of the Funding for Lending Scheme.

## Investment outturn for 2014/15 and performance

24 The Council's investment policy is governed by Department of Communities and Local Government (CLG) guidance, which has been implemented in the annual investment strategy approved by the Council on 18 February 2014. This policy sets out the approach for choosing investment counterparties, and is based on credit ratings provided by the three main credit rating agencies supplemented by

# Agenda Item 7

additional market data (such as rating outlooks, credit default swaps, bank share prices etc).

- 25 The investment activity during the year conformed to the approved strategy, and the Council had no liquidity difficulties, which might have led to the need to borrow.
- 26 Appendix C shows the performance of the fund during 2014/15 both in table and graphical form. The table shows the average percentage return on the fund, both monthly and for the whole year and compares them with the average 7-day and 3-month London Interbank Bid (LIBID) rates. The average return achieved by each broker is only a very basic measure of performance, because returns will depend on the number and length of each investment he/she is asked to carry out. If a particular broker is only asked to place short term investments, he/she may well not achieve the same overall rate as a broker who predominantly handles longer term investments for us.
- 27 The graph shows actual monthly receipts for 2012/13, 2013/14 and 2014/15 plus budgeted monthly receipts for 2014/15. The monthly interest budget has been profiled in line with the previous year's monthly weighted average principal.
- 28 Over the course of the year interest receipts amounted to £0.250m compared with a budget of £0.268m.
- 29 In 2014/15 the average return on the Council's investments was in line with that of one of our neighbouring authorities. Our overall rate of return was 0.58% compared with 0.68% for Tonbridge & Malling Borough Council. It should be noted, however, that investment returns are notoriously difficult to compare as they have often been compiled on a different basis (for example, whether or not interest has been compounded, whether or not cashflow generated balances have been included, whether or not externally managed funds have been included and whether or not the figures are net of borrowings).
- 30 Our treasury management advisers recommend the 3-month LIBID figure as a benchmark. This reflects a more realistic neutral investment position for core investments with a medium term horizon and a rate which is more stable with less fluctuation caused by market liquidity. Historically, this rate has been slightly higher than the 7-day rate and therefore more challenging a comparator, but one which does not necessitate a significantly increased level of risk. The figures calculated by our advisers for these two benchmarks are as follows:
  - 7-day LIBID uncompounded 0.352%
  - 3-month LIBID uncompounded 0.429%

## Icelandic bank defaults and Municipal Bonds Agency

31 The Council had an investment of £1m frozen in Landsbanki Islands hf (later renamed as LBI). The investment was placed on 25 June 2007 at 6.32%, to mature on 25 June 2009.

- 32 The Council has sold its claim against the insolvent estate of LBI. The claim was sold through a sales process brokered by Deutsche Bank. The price at which the claim was sold was based on a reserve price set by the Council on the basis of legal advice received from Bevan Brittan, Solicitors and financial advice procured by the Local Government Association. The proceeds of the sale were paid in cash in Pounds Sterling. The sale means that the Council has recovered 95.9% of the amount that was originally deposited with LBI in 2007. The Council is now no longer a creditor of LBI.
- 33 After taking into account interest received prior to the insolvency, the full amount of the original investment has now been recovered.
- In addition, a small repayment in Icelandic Krona remains in an escrow account in Iceland awaiting the lifting of capital controls before it can be repatriated. The GBP equivalent is approximately £7,000. It is attracting interest at a rate of between 3% and 4%.
- 35 During 2014/15, the Council invested £50,000 to become an equity shareholder in the Local Capital Finance Company, which was set up by the Local Government Association under the name of the Municipal Bonds Agency. Again, this was a 'Policy Investment' and does not form part of the treasury management strategy. The purpose of the Agency is to facilitate borrowing by local authorities at rates that are expected to be more competitive than those of the PWLB. At the time of writing this report, the Agency is in the process of conversion to a PLC and hopes to be issuing its first £250m bond in the Autumn of 2015.

## **Key Implications**

## **Financial**

36 The management of the Council's investment portfolio and cash-flow generated balances plays an important part in the financial planning of the authority. The security of its capital and liquidity of its investments is of paramount importance.

## Legal Implications and Risk Assessment Statement

- 37 Under Section 151 of the Local Government Act 1972, the Section 151 Officer has statutory duties in relation to the financial administration and stewardship of the authority, including securing effective arrangements for treasury management.
- 38 This annual review report fulfils the requirements of The Chartered Institute of Public Finance & Accountancy's Code of Practice on Treasury Management 2009.
- 39 Treasury management has two main risks :
  - Fluctuations in interest rates can result in a reduction in income from investments; and
  - A counterparty to which the Council has lent money fails to repay the loan at the required time.

## Agenda Item 7

40 Consideration of risk is integral in our approach to treasury management. However, this particular report has no specific risk implications as it is not proposing any new actions, but merely reporting performance over the last year.

## Equality Assessment

41 The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

## Conclusions

- 42 The overall return on the Council's investments was below budget in 2014/15 by approximately £18,000.
- 43 The economic situation both globally and within the Eurozone remains volatile, and this will have consequences for the UK economy. Treasury management in the past financial year was conducted against this background and with a cautious investment approach.

## FINANCIAL PERFORMANCE INDICATORS 2015/16 - TO THE END OF JULY 2015

## Finance Advisory Committee – 1 September 2015

| Report of          | Chief Finance Officer  |
|--------------------|------------------------|
| Status:            | For Consideration      |
| Key Decision:      | No                     |
| Portfolio Holder   | CIIr Searles           |
| Contact Officer(s) | Helen Martin Ext. 7483 |

Recommendation to Finance Advisory Committee: That the report be noted.

**Reason for recommendation:** This recommendation supports the sound control of the Councils finances.

## Introduction and Background

- 1 This report presents figures on seven internally set performance indicators covering activities that support information provided in the regular financial monitoring statements.
- 2 Information is provided on targets for the financial year, and figures for the previous year are given for comparison.
- 3 Use of these indicators assists management in highlighting areas where performance has an impact on financial outturn for the authority.

## **Key Implications**

## **Financial**

There are no financial implications arising from this report

Legal Implications and Risk Assessment Statement.

Under section 151 of the Local Government Act 1972, the section 151 officer has statutory duties in relation to the financial administration and stewardship of the authority.

## Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

| 21  | Council Tax payers % on direct debit  | 72.0   | 80.2                 | 8.2     | 11.4%      | LPIFS 8 - % on direct debit  | 4     |
|     | Investment return %<br>3 month LIBID<br>7 day LIBID                             | 0.80   | 0.66<br>0.43<br>0.35 | -0.14   | -17.7%     | Cumulative return on investments. Target is budget assumption  | 5     |
|     | Sundry debtors: debts over 21 days £000   | 35     | 32                   | -3      | -8.1%      | 21 days is taken as the base as the first reminder is issued after 3 wks.  | 6     |
|     | Sundry debtors: debts over 61 days £000   | 20     | 13                   | -7      | -36.5%     | 61 days is when the third reminder is issued (debts exclude items on 'indefinite hold', e.g. debtors in administration)  | 7     |

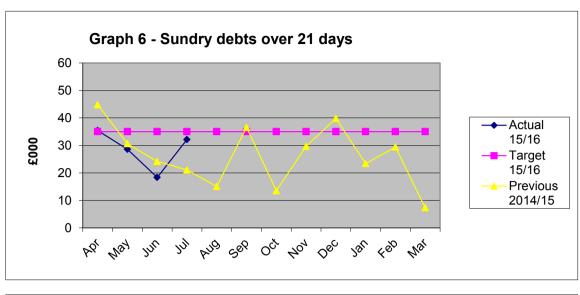

# Finance Advisory Committee Finance Indicators 2015/16 *as at end July 2015*

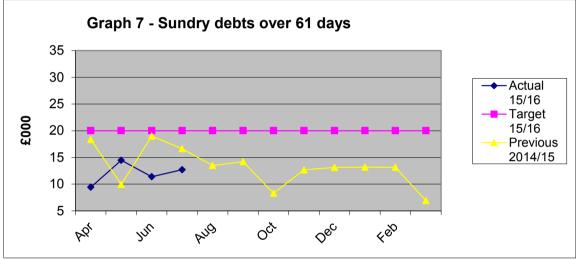

## FINANCIAL RESULTS 2015/16 - to the end of July 2015

## Finance Advisory Committee – 1 September 2015

| Portfolio Holder  | Cllr. Searles               |  |  |  |  |
|---|-----------------------------|--|--|--|--|
| This report supports the Key Aim of Effective Management of Council Resources |                             |  |  |  |  |
| Key Decision:   | No                          |  |  |  |  |
| Also considered by:   | Cabinet – 17 September 2015 |  |  |  |  |
| Status:   | For consideration           |  |  |  |  |
| Report of   | Chief Finance Officer       |  |  |  |  |

**Contact Officer(s)** Helen Martin Ext. 7483

**Recommendation to Finance Advisory Committee:** That the report be noted, and any comments forwarded to Cabinet.

**Recommendation to Cabinet:** Cabinet considers any comments from Finance Advisory Committee and notes the report

Reason for recommendation: sound financial governance of the Council.

## **Overall Financial Position**

- 1. Four months into the year the results to date show an overall unfavourable variance of £6,000.
- 2. The year-end position is forecast to be  $\pounds 202,000$  worse than budget; just under 1.4% of the net budget for the year.
- 3. Both the results to date and forecasts include any significant accruals.

## Key Issues for the year to date

- Property Investment Strategy Income this is a new income source and represents income derived from the recent acquisitions of commercial property. As at the end of July we had received £177,000 and this will be transferred to the Budget Stabilisation Reserve.
- 5. **Revenues and Benefits Partnership** Within Finance, additional resources have been used to help address the Benefits workload and to be proactive in contacting Council Tax Support customers. The funding of this additional cost will be shared

# Agenda Item 9

with Dartford BC with the SDC element funded from the agreed carry forward and contributions form KCC, Fire and Police.

- 6. **Income** from On Street parking, Land Charges and Development Management are ahead of budget at the end of July. Other major income sources are currently below profiled budgets.
- 7. **Pay costs** the actual expenditure to date on salaried staff (excluding those who are externally funded) is, in total, within £26,000 of budget. There are variances in individual areas and the larger variances are explained in the Chief Officer commentaries.
- 8. **Corporate Savings** there is a budget of  $\pm 100,000$  from vacancy savings and these savings are currently  $\pm 15,000$  behind schedule.

## **Year End Forecast**

- 9. The year-end position is forecast to be £202,000 worse than budget.
- 10. Forecast net income of £383,000 from commercial letting of the recent Property Investment Strategy acquisitions is excluded from the forecast as it will be transferred to the Budget Stabilisation Reserve.

## Unforeseen pressures on 2015-16 Budget

- 11. Costs have been incurred at Farningham Woods for coppicing woodland to try to contain the infestation of Oriental Chestnut Gall Wasp under instruction from DEFRA/Forestry Commission. There is a forecast of £40,000 for this work.
- 12. Work on the Individual Electoral Registration Canvass is forecast to exceed budget by  $\pm 56,000$ ; the cost of the additional work is forecast to be greater than the amount of central government funding that we have received.
- 13. Tandridge District Council have terminated the agreement whereby Sevenoaks staff managed asset maintenance work and this has resulted in lost income of £10,000.

## Other forecasts for 2015-16

- 14. Budgeted income of £36,000 from a Building Control shared management arrangement with Tonbridge and Malling Council will not be received this year as full shared working commenced in October 2014.
- 15. Income from sale of recycled glass is forecast to be £15,000 below budget following adverse market fluctuations in the price of cullet.
- 16. Asset Maintenance work at Hever Road site is forecast to exceed budget by £23,000.

- 17. The budgeted surplus for the Direct Services Trading account has increased by £20,000 following a reallocation of savings required by SCIA21 (Back Office Savings).
- 18. Investment income from treasury activity is a small unfavourable variance.

## Future Issues and Risk areas

- 19. Chief Officers have considered the future issues and risk areas for their services and the impacts these may have on the Council's finances as follows:
  - Some posts are proving difficult to fill and there are some vacancies;
  - Asset Maintenance costs may increase, costs have already exceeded the original budget at the Hever Road site;
  - Universal Credit will impact on this council from October 2015;
  - Benefit Fraud will move to the DCLG in February 2016. It is the intention to have a corporate fraud function after that date;
  - Funding arrangements for the Housing HERO project are being reviewed;
  - There remains the risk that planning decisions will be challenged, either at appeal or through the Courts.
- 20. Planned savings for 2015/16 total £533,000, including efficiency savings, particularly from partnership working, and from additional income generation and these will be risk areas for the current and for future years.
- 21. Grant funding to local government has been reducing and this is a non-protected area and must be considered vulnerable in the future. Further information about government plans for future funding is expected to be announced in the Comprehensive Spending Review in November.

## **Key Implications**

## **Financial**

The financial implications are set out elsewhere in this report.

## Legal Implications and Risk Assessment Statement

Under section 151 of the Local Government Act 1972, the Section 151 officer has statutory duties in relation to the financial administration and stewardship of the authority.

Detailed budget monitoring is completed on a monthly basis where all variances are explained. Future risk items are also identified.

## Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

## BUDGET MONITORING - Strategic Commentary - As at 31 July 2015

## **Overall Financial Position**

- Four months into the year the results to date show an overall unfavourable variance of £6,000.
- The year-end position is forecast to be £202,000 worse than budget; just under 1.4% of the net budget for the year.
- Both the results to date and forecasts include any significant accruals.

## Key Issues for the year to date

- **Property Investment Strategy Income** this is a new income source and represents income derived from the recent acquisitions of commercial property. As at the end of July we had received £177,000 and this will be transferred to the Budget Stabilisation Reserve.
- **Revenues and Benefits Partnership** Within Finance, additional resources have been used to help address the Benefits workload and to be proactive in contacting Council Tax Support customers. The funding of this additional cost will be shared with Dartford BC with the SDC element funded from the agreed carry forward and contributions form KCC, Fire and Police.
- **Income** from On Street parking, Land Charges and Development Management are ahead of budget at the end of July. Other major income sources are currently below profiled budgets.
- **Pay costs** the actual expenditure to date on salaried staff (excluding those who are externally funded) is, in total, within £26,000 of budget. There are variances in individual areas and the larger variances are explained in the Chief Officer commentaries.
- **Corporate Savings** there is a budget of £100,000 from vacancy savings and these savings are currently £15,000 behind schedule.

## **Year End Forecast**

- The year-end position is forecast to be £202,000 worse than budget.
- Forecast net income of £383,000 from commercial letting of the recent Property Investment Strategy acquisitions is excluded from the forecast as it will be transferred to the Budget Stabilisation Reserve.

## Unforeseen pressures on 2015-16 Budget

- Costs have been incurred at Farningham Woods for coppicing woodland to try to contain the infestation of Oriental Chestnut Gall Wasp under instruction from DEFRA/Forestry Commission. There is a forecast of £40,000 for this work.
- Work on the Individual Electoral Registration Canvass is forecast to exceed budget by £56,000; the cost of the additional work is forecast to be greater than the amount of central government funding that we have received.
- Tandridge District Council have terminated the agreement whereby Sevenoaks staff managed asset maintenance work and this has resulted in lost income of £10,000.

## Other forecasts for 2015-16

- Budgeted income of £36,000 from a Building Control shared management arrangement with Tonbridge and Malling Council will not be received this year as full shared working commenced in October 2014.
- Income from sale of recycled glass is forecast to be £15,000 below budget following adverse market fluctuations in the price of cullet.
- Asset Maintenance work at Hever Road site is forecast to exceed budget by £23,000.
- The budgeted surplus for the Direct Services Trading account has increased by £20,000 following a reallocation of savings required by SCIA21 (Back Office Savings).
- Investment income from treasury activity is a small unfavourable variance.

## Future Issues and Risk areas

- Chief Officers have considered the future issues and risk areas for their services and the impacts these may have on the Council's finances as follows:
  - Some posts are proving difficult to fill and there are some vacancies;
  - Asset Maintenance costs may increase, costs have already exceeded the original budget at the Hever Road site;
  - Universal Credit will impact on this council from October 2015;

Future Issues/Risk Areas

Costs for the maintenance of Hever Road in relation to allocated budget are currently under review.

Chief Officer Corporate Support August 2015

| Service                               | Variance to<br>date<br>£'000<br>(Minus is bad<br>news) | Forecast<br>Annual<br>Variance<br>£000 | Explanation of variance and action planned (including changes from previous month)  |
|---------------------------------------|--|--|---|
| Building Control                      | -25  | -36                                    | Fee income £7,000 below budget target. Budget contains £36,000 income for previous shared management arrangement with T&MBC which will not be realised as full shared working commenced in October 2014.  |
| Car Parks                             | -18  |  | First half year's NDR bills higher than profile. First quarter rent for new area of Blighs car park paid.<br>Overall income to budget target.   |
| Car Parking –<br>On-street            | 12   |  | Income £46,000 above budget target, partly offset by increased salary costs (Parking Engineer now full time) and loss of income from sharing previous Parking Engineer with T&MBC. Contribution to be made for construction of overflow car park at Darent car park in Westerham.   |
| EH<br>Environmental<br>Protection     | 5  | 10                                     | Savings on air quality monitoring costs and income received for polluting premises registration ahead of profile.   |
| Parks – Rural                         | -51  | -40                                    | Unbudgeted expenditure incurred at Farningham Woods for coppicing woodland to try to contain infestation of Oriental Chestnut Gall Wasp under instruction from DEFRA/Forestry Commission. Some income should be recovered by sale of felled timber. Further coppicing to be undertaken but costs covered by timber value. |
| Refuse Collection                     | -64  | -15                                    | Income from first quarter recycling credits profiled but not yet invoiced to KCC. Income from sale of recycled glass £15,000 lower than profile due to sharp fall in price paid for Cullet. Price subject to market fluctuations.   |
| Salaries –<br>Environmental<br>Health | 10   |  | Vacancy in Environmental Protection team not filled yet. Being partly covered by work of external contractor.   |
| Salaries –<br>Parking Services        | -16  |  | Posts of Parking Manager and Parking Engineer now filled.   |
| Capital – Vehicle<br>Purchases        | 17   |  | Full replacement programme will be completed within approved budget.  |
| Direct Services –<br>Refuse           | 29   |  | Income £8,000 above profile, mainly on paid bulky items. Savings on salaries and transport costs.   |
| Direct Services –<br>Street Cleaning  | 11   |  | Savings on salaries, supplies and services and transport costs.   |
| Direct Services –<br>Green Waste      | -33  |  | Income £20,000 below profile due to changes in annual renewal of permits, so all renewals do not fall in same month. Income will still be received but later in the year than profiled.   |

Chief Officer Environmental & Operational Services August 2015

Financial Services – July 2015 Commentary

|  |  |  | Appendix   |
|--|--|--|--|
| Service                                    | Variance to<br>date<br>£'000<br>(Minus is bad<br>news) | Forecast<br>Annual<br>Variance<br>£000 | Explanation of variance and action planned (including changes from previous month)   |
| Corporate<br>Management                    | 13   |  | The variance in the Corporate Management budget relates to the Council's Audit Fees. The invoice for the first quarter will be payable in the next month which will reduce the variance.   |
| Corporate<br>Savings                       | -15  |  | The negative variance relates to the Council's vacancy savings. The Council has a budget to achieve $\pounds$ 100,000 from vacant posts and this is currently behind profile.  |
| Dartford<br>Partnership Hub<br>(SDC Costs) | -124   |  | Additional resources to help address the Benefits workload and to be proactive in contacting Council Tax Support customers. The funding of this additional cost will be shared with Dartford BC with the SDC element funded from the agreed carry forward.                                     |
| Equalities<br>Legislation                  | 18   |  | The Council has a secondment agreement in place for the West Kent Equalities officer with Tunbridge Wells Borough Council. The invoice for the services provided was expected to be paid in June but was not received in time. The payment will be made in July, reducing the budget variance. |
| External<br>Communications                 | 10   |  | Due to the timing of the In Shape publications for this year a variance of £7,000 for the printing of the magazine by the Council's suppliers has been received in accordance with the budget profile. The budget allocated to the production of In Shape will be spent in full this year.     |
| Misc. Finance                              | -26  | -9                                     | Costs associated with development projects are included here.  |
| Support –<br>Finance Function              | 25   | 18                                     | Work on non finance partnerships is currently being contained within original resources.   |
| Salaries                                   | -66  | -274                                   | Agency staff are being used to help address the Benefits workload and to be proactive in contacting Council Tax Support customers.   |

# Future Issues/Risk Areas

Benefit Fraud will move to the DCLG in February 2016. It is the intention to have a corporate fraud function after this date. Universal Credit will impact this Council from October 2015.

| Housing Option –<br>Trailblazer         | -13  |  | External funding and should not affect Council budgets.  |
| Salaries                                | -12  |  | Part time officer for West Kent leader project is being paid via Housing budgets at the moment until contract sorted with DEFRA (hopefully next month). Although we can claim salary costs retrospectively it wasn't budgeted to be paid for via Housing.                                    |
|   |  |  | We may have to employ a temp for Housing Standards for a couple of months as there are 3 large projects underway for filthy and verminous properties. Funding for this should be met from existing budgets. In addition, the DFG work is taking off and there is a vacant post in that team. |
| Capital -<br>Improvement<br>Grants      | 50   |  | It is hard to predict when works will be completed but bottom line is correct.   |
| Capital – WKHA<br>Adaps for<br>Disabled | 71   |  | It is hard to predict when works will be completed but bottom line is correct.   |
| Capital - SDC /<br>RHPCG                | -19  |  | External funding does not affect Council budgets.  |

# Future Issues/Risk Areas

The highly successful HERO scheme (see Trailblazer above) has previously been funded by income and external funding. However the number of surgeries has reduced due to KCC being unable to fund the children's centres (although their Ofsted report encouraged the use of HERO as excellent practice). SDC is having ongoing discussions with KCC about the way forward and it is looking more hopeful.

There are also negotiations underway to provide two surgeries for Dartford BC, which, if successful, will generate income and a surgery for their children's centre. No confirmation yet and I will update. In addition we are now tendering for a surgery for Probation.

If any of these options do not happen we need to look at possibly a small growth item to support this scheme which is highly successful and is known by Government departments. This will be reviewed again in a couple of months and you will be updated.

Chief Housing Officer August 2015

|-------------------------|--|--|--|
| Service                 | Variance to<br>date<br>£'000<br>(Minus is bad<br>news) | Forecast<br>Annual<br>Variance<br>£000 | Explanation of variance and action planned (including changes from previous month)   |
| Register of<br>Electors | -3   | -56                                    | 2015 sees the first ever Individual Electoral Registration Canvass. 100% of residential properties are to be targeted with a Household Enquiry Form. If there is a change within the household they must also complete an Invitation to Register Form. Additionally legislation requires a reminder form and a personal canvass for both types of forms if not returned. The grant received from Government does not cover such eventualities. |
| Salaries                | -44  |  | Additional resources to cover the increased workload as a result of the Individual Electoral Registration<br>and the triple election process. We are applying for some Government funding and if we are successful<br>this could help with some of the additional expenditure in relation to Individual Electoral Registration. In<br>the Legal Department we have had to appoint a locum for an interim period.                               |

Future Issues/Risk Areas

Appendix

| Service                                 | Variance to<br>date<br>£'000<br>(Minus is bad<br>news) | Forecast<br>Annual<br>Variance<br>£000 | Explanation of variance and action planned (including changes from previous month)  |
|---|--|--|---|
| Planning –<br>Appeals                   | 11   |  | The underspend is due to the fact that appeals to date this year have not required specialist input. This is likely to change in the coming months  |
| Planning –<br>Development<br>Management | 67   |  | This is principally the result of a small number of high fee applications, including for the proposal at Fort Halstead.   |
| Planning –<br>Enforcement               | 13   |  | This is a result of a vacant administrative post.   |
| Salaries                                | 21   |  | The underspend is a result of maternity leave and recruitment to vacant posts.  |
| Capital –<br>Affordable<br>Housing      | -91  |  | This will be financed at the end of the year from S106 planning obligations receipts. Payments include Contribution to Rural Housing Enabler, Housing Discretionary, Sevenoaks Almshouses, Edenbridge Housing Needs Survey. |
| Capital – S106<br>Capital               | -59  |  | This will be financed at the end of the year from S106 planning obligations receipts. Current spend includes the agreement arising from the West Kent Cold Store development.   |

There remains the risk that planning decisions will be challenged, either at appeal or through the Courts.

Chief Planning Officer August 2015

# FINANCIAL PROSPECTS AND BUDGET STRATEGY 2016/17 AND BEYOND

# Finance Advisory Committee – 1 September 2015

| Report of           | Chief Finance Officer       |
|---------------------|-----------------------------|
| Status:             | For Decision                |
| Also considered by: | Cabinet – 17 September 2015 |
| Key Decision:       | No                          |

# **Executive Summary:**

This Financial Prospects Report is the first report of the Council's budget setting process for 2016/17 onwards. It sets out the financial pressures the Council is likely to face in the coming years and suggests an appropriate strategy, utilising the 10 year budget framework first adopted in 2011/12, to ensure the Council remains financially stable over the long term.

Informed by the latest information from Government and discussions with the Portfolio Holder and Cabinet Members the report proposes that from next year the Council sets a budget which assumes no funding from Government through the Revenue Support Grant. This is the first major step taken towards the Council's ambition to be financially selfsufficient as set out in its Corporate Plan.

To achieve this aim and to ensure a balanced budget position over the next 10 year period, whilst also increasing the Council's ability to be sustainable beyond that time, a savings requirement of £500,000 in 2016/17 is required, along with additional income or savings of £100,000 in each of the following nine years.

| Portfolio Holder                              | Cllr. Searles              |  |  |  |

| Recommendation to Finance Advisory Committee: |                            |  |  |  |

(a) Advise Cabinet with views on the ten-year financial planning approach and principles set out in this report.

# **Recommendation to Cabinet:**

(b) That subject to the views of the Finance Advisory Committee, endorse the ten-

year financial planning approach and principles set out in this report;

- (c) request Advisory Committees to review Service Dashboards and advise Cabinet of possible growth and savings options;
- (d) request officers to continue to review the assumptions in this report and report back to Cabinet on 3 December 2015; and
- (e) note the budget timetable set out in Appendix A.

# Introduction and Background

- 1 The Council's financial strategy over the past eleven years has worked towards increasing financial sustainability and it has been successful through the use of a number of strategies including:
  - implementing efficiency initiatives;
  - significantly reducing the back office function;
  - improved value for money;
  - maximising external income;
  - the movement of resources away from low priority services; and
  - an emphasis on statutory rather than non-statutory services.
- 2 Over this period the Council has focused on delivering high quality services based on Members' priorities and consultation with residents and stakeholders. In financial terms, the adoption of this strategy has to date allowed the Council to move away from its reliance on general fund reserves.
- 3 Due to the level of funding and other potential changes and uncertainties, it is increasingly difficult to anticipate with sufficient accuracy what the level of Government settlement is likely to be. However, using the data sources available to the Council, this report sets out a budget over the 10-year period but recognises that it is likely that more accurate data will become available in future months and current assumptions may need to be updated.
- 4 In setting its budget for 2011/12 onwards, the Council recognised the need to address both the short-term reduction in Government funding as well as the longer-term need to reduce its reliance on reserves. The outcome was a 10-year budget, together with a four-year savings plan, that ensured the Council's finances were placed on a stable footing but that also allowed for flexibility between budget years.
- 5 With the amount of Revenue Support Grant provided by Government continuing to reduce at a significant rate it is important that the council aims to become more financially self-sufficient by having a balanced economy and a financial strategy that is focused on local solutions. These solutions include:
  - continuing to deliver financial savings and service efficiencies;

- growing the council tax base; and
- generating more income.
- 6 The intention of this report is to enable Members to give consideration to the pressures likely to be faced by the Council and put in place a long-term solution that ensures service reductions are minimised. This report sets out the high level approach and principles but a report to Cabinet on 3 December 2015 will provide further budget details along with analysis of the areas the Cabinet has requested officers to consider in assisting the balancing of the budget, as well as feedback from advisory committees on service dashboards for 2016/17 onwards.

# **Financial Self-Sufficiency**

- 7 The Council's Corporate Plan, introduced in 2013, set out an ambition for the Council to become financially self-sufficient. This would mean the Council no longer required direct funding from Government, through revenue support grant or new homes bonus, to deliver its services.
- 8 This approach was adopted in response to the financial challenges the Country is faced with in bringing its public spending down to ensure it is able to live within its means. In practice this has seen Government funding to local authorities dramatically reduced since 2010/11 with Sevenoaks District Council seeing a 32% reduction is its funding from government in 2015/16 alone.
- 9 The decision to become financially self-sufficient is intended to give the Council greater control over their services, reducing the potential for decision making to be influenced by the level of funding provided by government to local authorities.
- 10 The Council's decision to seek to become financially self-sufficient was subject to scrutiny by the Local Government Associations Peer Challenge of the District Council during December 2013. In their closing letter to the Council they concluded that they 'fully support that aspiration and given the existing and anticipated squeeze upon public finances this makes much sense'.
- 11 The Revenue Support Grant has reduced drastically over recent years and we are unlikely to know the amount for 2016/17 until very late in the budget process with no details for later years. New Homes Bonus is only guaranteed until 2016/17 and with Government committed to significant reductions in public sector funding and priorities in public health and devolution amongst other ideas, funding for District Councils is likely to continue to be squeezed.
- 12 By continuing to assume income from direct government funding, the overall position of the 10-year budget will be less assured as the Government is likely to continue to provide funding for one or two years at a time resulting in increased uncertainty going forward. With this uncertainty, the level of savings required in later years will also have to be fluid as the need to react to fluctuating funding levels continues.
- 13 The attached 10-year budget assumes no Revenue Support Grant from 2016/17 and no New Homes Bonus from 2019/20. If funding continues to be received from these sources, the intention is to put it into the Financial Plan Reserve which

# Agenda Item 10

can be used to support the 10-year budget by funding invest to save initiatives and support for the Property Investment Strategy. One of the aims of the Property Investment Strategy is to achieve returns of 6%; therefore using funding for this purpose will result in additional year on year income that is not impacted by Government decisions.

14 Cabinet are keen to become financially self-sufficient early to be ahead of the game and after reviewing the assumptions in the 10-year budget it is clear that it is an achievable aim to be free from Government control and be able to move ahead in the knowledge that this council has the financial resources to provide the services that the district's residents want into the future.

# Financial Pressures 2016/17 to 2025/26

# **Overall Summary**

- 15 In the medium term, the Council will have to progress its savings plan and maintain tight control over net expenditure in order to deliver its 10-year budget.
- 16 Looking at expenditure, inflation is running at 0.1% (CPI at July 2015).
- 17 The local government finance settlement for 2016/17 is not likely to be announced by Government until late December. The Council has seen a dramatic reduction to its grant funding since 2011, which included a 32% reduction for 2015/16 alone.
- 18 On this basis the 10-year budget accompanying this report proposes that the Council budgets for zero Revenue Support Grant from 2016/17 onwards. This means that the Council would no longer place any reliance on this grant and would take a large step forward in its ambition to be self-sufficient. If this approach is endorsed by Members, Sevenoaks District Council would become one of, if not the very first local authority to seek to deliver its services without reliance on direct government funding through the Revenue Support Grant.
- 19 By taking this approach the 10-year budget attached at Appendix B shows a savings requirement of £500,000 in 2016/17 and £100,000 per annum in later years to deliver a long term sustainable budget.
- 20 The paragraphs below set out the position in more detail and assess the impact on the current 10-year budget.

# Income

21 **Government Support: Revenue Support Grant** (£1.5m in 2015/16) – This formula based grant has significantly reduced over recent years as the emphasis of Government Support has changed. The draft amount for 2016/17 is unlikely to be announced until late December. Due to the uncertainty regarding the amount in 2016/17 and further reductions expected in later years, the attached 10-year budget assumes no Revenue Support Grant for 2016/17 onwards resulting in their being no reliance on this funding source to support the revenue budget. It is likely that an amount of Revenue Support Grant will be received in 2016/17 which will be put into the Financial Plan Reserve to support the 10-year budget including invest to save initiatives and support for the Property Investment Strategy.

- New Homes Bonus (£1.8m) the Government started this new funding stream in 2011/12 with the intention that local authorities would be rewarded for new homes being built over a six-year period. The future of this funding stream is uncertain from 2017/18 so a 40% reduction has been applied in 2017/18 and 2018/19 with no funding assumed from 2019/20 onwards. Similarly to the Revenue Support Grant, if funding above the assumed level is received, this will be placed in the Financial Plan Reserve for the same purpose as noted above.
- 23 **Council Tax** (£9.3m) The Government referendum limit has been set at 2% in recent years. The previous assumption for Council Tax was a 2% increase in 2016/17 to 2018/19 and 3% in later years. Following the General Election result in May the assumption has changed to 2% for all years.
- 24 The tax base increases each year due to the general increase in the number of residential properties and future developments as well as the continuing work to check the validity of Council Tax discounts awarded. The assumption going forward has been increased to reflect the increases achieved in recent years and the ongoing work. The increased tax base results in additional Council Tax income.
- 25 **Locally Retained Business Rates** (£1.9m) The basis for allocating Government Support from 2013/14 changed to the Business Rates Retention Scheme. This scheme initially allows billing authorities, such as this council, to keep 40% of Business Rates received. However tariffs and top ups are applied to ensure that the funding received by each local authority is not significantly different to pre 2013/14 amounts.
- 26 In the first two years of this scheme, this council has been below the safety net level and future projections continue to take this prudent approach.
- 27 A Business Rates Retention Pool is in operation within Kent. In certain circumstances it is financially beneficial to be a member of a pool. To date, it has not been financially beneficial for this council to be a member of the pool but officers will continue to review the position and report to members if the situation changes.
- Interest receipts (£0.3m) returns are continuing to be significantly lower than they were a few years ago due to low interest rates and the Council's Investment Strategy taking a low risk approach. The assumption was previously 1.35% in 2016/17, 1.75% in 2017/18 and 1.85% in later years reflecting Bank Rate estimates provided by our treasury advisors. Due to the change of emphasis on to the Property Investment Strategy, £250,000 has been assumed for all years as investment balances will become less predictable
- 29 **Property Investment Strategy** The strategy was approved by Council on 22 July 2014 with the intention of building on an approach of property based investment in order to deliver increased revenue income. This was set against a background of reducing Government Support and continued low rates of return through existing treasury management arrangements.

# Agenda Item 10

- 30 No income was previously assumed from this strategy as it was deemed prudent to wait until assets had been purchased and income was starting to be received. Three assets have now been purchased, one will be developed and two are producing income of over £400,000 per annum. With further funding approved by Council, assumptions have now been included for income of £500,000 from 2016/17 to 2017/18, £700,000 from 2018/19 to 2022/23 and £800,000 for later years.
- 31 **Variable fees and charges** The Council receives income in fees and charges from a number of sources. This includes (income figures are shown gross):
  - Land Charges (£0.2m);
  - Development Control (£0.7m);
  - Building Control (£0.5m);
  - Car parks (£2.2m); and
  - On-street parking (£0.7m)
- 32 The first three are linked to some extent to activity in the housing market and remain variable; however, all of these income sources are currently forecast to be on budget for the year.
- 33 The assumption was previously a 3.5% increase for all years for fees and charges that the Council sets, but this has now been reduced to 2.5% for all years following concerns being raised about the ability to increase fees and charges by that amount going forward.
- 34 **External Funding** the Council has been very successful in securing external funding across a range of services, based on it delivering a wide range of innovative services to local residents, often in partnership with other agencies. The Council's officers continue to seek new opportunities for funding. As financial constraints are put on public services the funding available from health and other public bodies is expected to reduce.
- 35 **Shared working** Various services have included savings from shared working in recent years budgets and this continues to be an area that is being investigated. The Council successfully works in partnership with other authorities in a number of areas, including Revenues, Benefits, Internal Audit and Anti Fraud, Finance, IT, Licensing, Building Control, CCTV and Environmental Health. Any further proposals that come forward for shared working ideas will continue to be actively pursued.
- 36 **Use of reserves** One of the principles of the Financial Strategy is to make more effective use of the remaining earmarked reserves. When this strategy was first used in 2011/12, it was agreed that the remaining balances in the Asset Maintenance and Superannuation Fund Deficit Reserves would be moved to a new Financial Plan Reserve and used over the initial 10-year budget period. The Budget Stabilisation Reserve was also set up at the same time to manage the fluctuations between years to ensure that an overall balanced budget remained

for the 10-year period. This reserve has been increased by surpluses achieved on the revenue budget in recent years.

#### Expenditure

- 37 **Pay** costs total £13.7m. The national pay award for 2016/17 has not yet been finalised and is unlikely to be resolved prior to the Council setting its draft budget for next year. The assumption was previously 1.5% in 2016/17 to 2017/18 and 2% in later years.
- 38 The Government's emergency budget on 8 July 2015 announced that there will be Public Sector pay rises of 1% for the next four years. This does not directly affect local government but it is often seem as a guide for those local authorities, including this council, on national terms and conditions. Therefore, the assumption has changed to 1% in 2016/17 to 2019/20 and 2% in later years.
- 39 **Superannuation fund** the last pension fund triennial valuation, which was the second by the actuaries Barnett Waddingham, took place in November 2013. The minimum annual contribution to fund the deficit remained similar to that recommended in the previous valuation.
- 40 Recent valuations for this council have been better than many other Kent authorities due to the practice of making lump sum contributions each year instead of linking payments to current staffing levels. Due to the uncertain economic situation over recent years, budgets for this purpose have not been reduced even though payments made have been below budgeted levels so as to protect any adverse changes at future triennial valuations. Assumed increases in 2017/18 and 2020/21 are still included but at a lower level than before.
- 41 **Non-pay costs** the budget assumes non-pay costs will increase by an average of 2.25% in all years. In practice, items such as rates and energy costs often rise at a higher rate, so other non-pay items have been allowed a much lower inflation increase. Inflation is currently at 0.1% (CPI July 2015).
- 42 **Welfare reform changes** the changes affecting Housing Benefits regarding Universal Credit were looked at by a Member Scrutiny Group in 2012. Universal Credit will commence within the district in October 2015 but only in a very small way. It is still uncertain as to how the final scheme will operate, whether staffing and funding levels will reduce, the timescales involved and whether this Council will need to provide additional resources to support our residents.
- 43 The change to the Local Council Tax Support Scheme from 1 April 2013 was seen by many as one of the biggest changes to local government since the community charge. The cost of benefits will continue to fluctuate and the impact on district councils both financially and from a social wellbeing perspective is likely to be significant and unsustainable. The full effect of both of these changes will potentially have an adverse financial impact.
- 44 Town and Parish Councils have also been impacted by this change. In 2013/14 additional funding was clearly identified in the Government Grant Settlement which was fully passed on by this council. In 2014/15 and 2015/16, no amount was clearly identified and it was agreed at Full Council that no funding would be

passed on to Town and Parish Councils for Council Tax Support. It is not expected that the Government will include an amount for this purpose once again in 2016/17.

- 45 **Unavoidable service pressures** One of the lessons to be learnt from previous financial strategies is that there is always a likelihood of unavoidable service pressures and there needs to be a clear strategy for dealing with these. The model does not allow for unavoidable service pressures which could be significant. These will be identified in the Service Change Impact Assessments (SCIAs) that will be reported to the Advisory Committees between September and November.
- 46 **Progress on the savings plan** 2016/17 will be the sixth year of using the 10year budget. During this period, 113 savings items have been identified totalling £6.1m. The majority of these savings have already been achieved and Portfolio Holders, Chief Officers, Heads of Service and Service Managers have worked closely to deliver these savings.
- 47 The following table shows the differences for 2016/17 between the 10-year budget agreed by Council on 17 February 2015 and the latest version set out in Appendix B.

| 10-Year Budget   | £000    |  |  |
|--|---------|--|--|
| Previous 10-year budget 2016/17 gap/(surplus)              | (1,077) |  |  |
| Base changes:  |         |  |  |
| Base figures updated to 15/16 budget and updated base data | 33      |  |  |
| Assumption changes:  |         |  |  |
| Removing reliance on Revenue Support Grant                 | 1,355   |  |  |
| Increase in Council Tax Base                               | (58)    |  |  |
| Reduction in Pay Award inflation (1.5% to 1%)              | (67)    |  |  |
| Reduction in fees and charges inflation (3.5% to 2.5%)     | 64      |  |  |
| Removal of 2010 Superannuation Fund deficit roll forward   | (390)   |  |  |
| Reduction in inflation on Superannuation Fund deficit      | (331)   |  |  |
| Property Investment changes:                               |         |  |  |
| Income from Property Investment Strategy                   | (500)   |  |  |
| Property Team growth item from 2016/17                     | 73      |  |  |
| Reduction in Interest Receipts                             | 259     |  |  |
| Savings:   |         |  |  |
| Additional savings items                                   | (500)   |  |  |

# Revised 10-year budget 2016/17 gap/(surplus) (1,139)

The surplus in 2016/17 helps to support the position in later years resulting in a sustainable 10-year budget.

48 When looking at prospects for year 11 onwards, there is still likely to be a need to take further actions as these years come into the rolling 10 year period.

#### **Proposed Business and Financial Planning Strategy**

- 49 In order to maintain a viable Council that continues to deliver on its main priorities and the services it provides to its residents, the Council has already adopted a Financial Strategy that embraces the following principles:
  - A ten-year balanced budget;
  - Flexible use of the Budget Stabilisation Reserve;
  - More effective use of remaining earmarked reserves;
  - Structured use of capital receipts; and
  - The review and tighter management of inflationary pressures.
- 50 It is recommended that this strategy continues to be adopted.

#### **Process and timetable**

- 51 Members will note from the timetable set out in Appendix A that this report is being considered by the Finance Advisory Committee on 1 September 2015 and any comments will be considered along with this report at Cabinet on 17 September 2015.
- 52 All Advisory Committees will be presented with their Service Dashboards and Service Change Impact Assessments (SCIAs) between September and November when they will be asked for their views and priorities on their service areas using the information provided in the report and their knowledge. It is likely that they will also be asked to come up with growth and savings proposals for their areas. This part of the process ensures that all members have a role to play in the Governance of the council and the budget decision making process.
- 53 Training will be provided to members in September to ensure they have an understanding of the process and relevant issues to allow them to play an active part in the budget setting process.
- 54 Cabinet will receive a Budget Update report on 3 December 2015 taking into account any updated information and feedback from the Advisory Committees. Cabinet will agree its draft budget on 4 February 2016 and full Council will consider the budget on 16 February 2016.

#### Consultation

55 Residents will be consulted as part of the budget process and their views will then be considered prior to decisions being made as to how the budget will be balanced. Residents will be asked if they agree with the approach to become financially self-sufficient as opposed to being reliant on central government.

# **Key Implications**

## **Financial**

All financial implications are covered elsewhere in this report.

#### Legal Implications and Risk Assessment Statement.

There are no legal implications.

An effective integrated policy and priority driven long-term financial and business process is required for the Council to deliver on its priorities and maintain a sustainable budget. It is also essential that continuous improvements are identified and implemented in order to take account of the changing climate within which the Council operates and to meet the expectations of both Government and the public on the quality of service demanded from this Council.

The risks associated with the 10-year budget approach include uncertainty around the level of shortfall and the timing of key announcements such as future grant settlements. The risk will be mitigated by continuing to review assumptions and estimates, pursuing self-sufficiency and by updating Members throughout the process.

## Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

## Community Impact and Outcomes

Members' early consideration of the issues raised in this report would be beneficial to residents in that a planned approach to achieving a balanced budget should produce the best outcome for the community in limiting the level in budget reductions.

## Conclusions

The Strategic Financial and Business Planning process has ensured that the Council follows a logical and well considered process and approach in dealing with the many difficult financial challenges which it has faced. The 10-year budget has further improved this process and helped to ensure that the Council is well placed in dealing with more immediate and longer-term financial challenges.

By becoming financially self-sufficient at an early stage, this Council will become much more in control of its own destiny as the Property Investment Strategy should provide a much more stable income stream than the reducing direct government funding streams.

The attached 10-year budget shows that this Council can continue to be financially stable going into the future with a level of assurance that any council would aspire to.

This budget process will once again be a major financial challenge for a Council that already provides value for money services to a high standard. In making any budget proposals, Members will need to consider the impact on service quality and staff well-being, to ensure that these proposals lead to an achievable 10-year budget that supports the Council's aspirations for customer-focused services.
