Dear Mr Bigwood,

Community Governance Review (Eynsford)

Councillors have discussed the draft proposals and would like to comment on the following one:

19. Eynsford (Map 2)

The Parish Council has proposed the transfer of the Austin Lodge Golf Course from Shoreham Parish as access is via Eynsford only. Shoreham Parish Council agrees that the Golf Club House should transfer to Eynsford in order to aid consultation on any planning matters, but would like to retain as much of the golf course as is currently in Shoreham Parish and was supported in this view by the Shoreham Society. It would appear more sensible for the whole of the golf course and associated buildings to be in one parish and, as access is from Eynsford Parish only, the District Council recommends that the Eynsford Parish Council proposal be adopted. The recommendation will affect the boundary between the District wards of Eynsford and Otford & Shoreham (though no electors are affected).

Councillors support your proposal, as above, that Eynsford's boundary is extended to include the whole of Austin Lodge Golf Course. However, we would prefer that the Golf Course remains in one parish or the other, rather than being split, even if this means that it remains with Shoreham.

Yours sincerely

Hivaldi
