## Comments Details

**Commenter Type:** Neighbour

**Stance:** Customer objects to the Licensing Application

**Reasons for comment:**

- Noise Disturbance
- Opening Hours
- Traffic

**Comments:** 3:00 PM on 19 Aug 2013 I strongly object to the application to increase the licensing hours for the Indoor Bowls club. This area is a quiet residential area at night and the proposed increase in the licensing hours would open up this premises for use as an events or party venue dramatically increasing the noise levels. In addition the amount of traffic on the local residential roads would dramatically increase with the inevitable noise and safety implications. The access to this premises is via Hollybush Close where Hollybush court is situated. This complex houses "extra care" housing for the elderly and the Age UK day centre. The increase in traffic would seriously affect the noise levels experienced by these residents and could affect their safety. I strongly urge you to reject this application.
