Officer comment

Further information has been received by the case officer who considers the content to be personal and sensitive.

This additional information has been submitted by Mrs Sharon Clarke and has been appended to this report and summarised accordingly -

Letter received on 16 July 2014 from Mrs Sharon Clarke

Summary - This letter from Mrs Clarke explains the state of her condition and summarises her daily routines in the care for her husband. Mrs Clarke also clarifies the justification for additional carers to be on site (namely her daughters), to facilitate the care needs of both of them.

Recommendation

That permission be granted, as per the main papers and the additional information.
