Following the tragic fatality of a cyclist in Hosey Hill on ~~Good~~ Friday 25th March 2016, we the undersigned strongly urge Kent County Council to implement traffic calming measures in Hosey Hill, Westerham. Less than 24 hours after this tragic death, another cyclist was thrown from his cycle in a nearly identical road incident on the morning of the 26th March. Thankfully, he was uninjured.

Cars and cyclists regularly travel down Hosey Hill at speeds in excess of 40mph, despite the 30mph restriction in place. The case for traffic calming is clear and immediately necessary if future injuries and fatalities are to be avoided.
