Recommendation to Audit Committee: That the Annual Governance Statement 2015/16, which accompanies the Council's Accounts be agreed for signature by the Leader of the Council.

Reason for recommendation: the committee is required to consider the Council's Annual Governance Statement as part of its terms of reference remit, in compliance with statutory requirements.

Introduction and Background

- 1 Sevenoaks District Council is responsible for ensuring that its business is conducted in accordance with the law, proper standards, good governance and that public money is safeguarded and properly accounted for. In discharging this overall responsibility, the Council has to ensure that it has sound systems of internal controls and good governance arrangements in place to facilitate the exercise of its duties. Additionally, the Council is required to continuously review these arrangements and to ensure that the arrangements are considered by an appropriate body of the Council annually. This report sets out the governance arrangement and the system of internal control which operated during 2015/16 and up to the time of the review.

Ownership of the Annual Governance Statement (AGS)

- 2 The Annual Governance Statement is a corporate document which explains the Council's governance arrangements and the controls it employs to manage the risk of failure to achieve strategic objectives. It is owned by all Senior Officers and Members of the Council. The Council's remit in relation to the Annual Governance Statement process is informed by the Accounts and Audit (England) Regulations, which requires that:

“The relevant body is responsible for ensuring that the financial management of the body is adequate and effective and that the body has a sound system of internal control which facilitates the effective exercise of that body’s function and which includes arrangements for the management of risk”

- 3 The Council is also required to conduct a review, at least once a year; of the effectiveness of its system of internal control and that the statement accompanies the Council’s annual accounts. The Council is further required to conduct this process and the preparation of its annual accounts in accordance with “proper practices”, In this context, the Council complied with relevant professional codes and guidance issued by the Chartered Institute of Public Finance and Accountancy (CIPFA) in the preparation of the AGS. The involvement of the Audit Committee in the process complies with the Accounts and Audit (England) Regulations.

The Annual Governance Statement Process

- 4 In compiling the Annual Governance Statement a shared approach was adopted, involving Chief Officers, Heads of Service, relevant managers, the Internal Audit Manager, Chief Executive (also as Head of Paid Service) and the Monitoring Officer, prior to consideration and endorsement by Strategic Management Team on 15 June 2016. The AGS was also reviewed by the Officers’ Risk Management Group on 3 June 2016. Additionally, the AGS would be required to be certified by signatories of the Leader of the Council and the Head of Paid Service after approval by the Audit Committee.

Outcome of the Process

- 5 The process confirms that the Council has sound systems of internal control and good governance arrangements in place. No significant governance issues have been raised through the AGS process.
