#### **Introduction**

- 1 This report provides details of the progress of the Internal Audit Team in delivering the Annual Internal Audit Plan 2016/17 and outcomes of final Internal Audit reports issued since the meeting of the committee in January 2017.
- 2 The Internal Audit function is a key process of the Council's overall governance arrangements. Its key purpose is to conduct independent reviews of the Council's system of internal controls and to provide an assurance to both Senior Management and Members regarding the effectiveness of such systems. In fulfilling his duty and responsibilities, the Audit, Risk and Anti-Fraud Manager, is required to report the progress made in delivering the assurance requirements to the Audit Committee, in accordance with regulatory requirements and relevant professional standards.

### **Summary of Issues Raised Within the Report:**

- 3 A summary of progress made towards delivering the assurance requirements for 2016/17 is attached as Appendix A to this report, which sets out details of the reviews agreed by the Audit Committee in March 2016. Members may note that twenty-one reviews had commenced, sixteen have been finalised, one is at draft report stage and the remaining four are in progress.
- 4 Appendix B sets out details of the final reports which have been issued since the last meeting of this committee. It also provides a brief summary of the findings and recommendations agreed with service management, to address any areas for further improvements required to strengthen internal controls. Further details on any of the issues raised on the report summaries would be provided to Members of this Committee on request.
- 5 The definition of the standard Internal Audit opinions are detailed in Appendix C, where a single opinion will be given, which will either be: Full Assurance; Substantial Assurance; Limited Assurance or No Assurance.

### **Amendments to the Audit Plan**

- 6 Members are advised that the Internal Audit Plan 2016/17 has been amended to take account of existing capacity and to reflect the assurance priorities for the rest of the municipal year. Some productive capacities have been lost, due to a vacancy and the long term absence of the Audit Manager. To this effect eight reviews have been risk assessed using an audit needs analysis methodology and as a result removed from the 2016/17 audit plan. Four of these reviews have been carried forward to the 2017/18 plan.
- 7 Details of the amendments are set out in Appendix A. Items 1, 11, 17, and 21 are to be included in the draft plan for 2017/18.
- 8 Members are advised that the proposed change to the plan will not have a material impact on the level of assurance that could be provided in 2016/17; as the proposal take account of assessed risks and assurance needs.

### **Internal Audit Resources**

- 9 Members may note that Internal Audit resources are under capacity due to the long-term absence of the Audit Manager and the resignation of an Internal Auditor. This has consequently put some strain on delivery of the plan. However, this is being mitigated to some extent by employing a temporary senior auditor.
- 10 It is pleasing to report that the audit team have worked hard throughout the year and are due to complete twenty-one reviews, which is an increase of two reviews on last year. To date sixteen reviews have been finalised which is a significant improvement on this stage last year where only six had been completed.

## Progress of Internal Audit Improvement Plan

- 11 Members may be pleased to note that the TeamMate electronic audit management software is progressing well and it is anticipated that it will be fully implemented in time for the 2017/18 Internal Audit Plan. This forms part of the agreed actions in the internal audit improvement plan and will facilitate the implementation of more modern ways of working, which is expected to lead to greater efficiency and improved quality of the internal audit service.
