Statutory Guidance

Licensing objectives and aims

Paragraph 1.2

The legislation provides a clear focus on the promotion of four statutory objectives which must be addressed when licensing functions are undertaken.

Paragraph 1.3

The licensing objectives are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

Paragraph 1.4

Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times.

Consultation

The regulations to the Licensing Act 2003 outline the requirements for the advertising of applications. These require the applicant to advertise the application:

- a. For a period of no less than 28 consecutive days starting on the day after the day on which the application was given to the relevant licensing authority to display a white notice prominently at or on the premises to which the application relates where it can be conveniently read from the exterior of the premises. It was noted that the notice was displayed upon the premises for the 28 day consultation period which ended 6 July 2017.
- b. By publishing a notice in a local newspaper on at least one occasion within 10 working days of submitting the application.

Regulations also require that the applicant give a copy of the application to each responsible authority on the same day as the day upon which it is given to the licensing authority. As the application was electronic, the requirement to serve the application was met by the licensing authority.

The decision is to be made with regard to the Licensing Act 2003, Secretary of State's Amended Guidance issued under Section 182 of the Act and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from the Policy or Guidance the departure must be directed at the Licensing Objectives and such departure must be supported by clear and cogent reasons

Mandatory conditions - the following conditions will be added to the premises licence when it is issued.

1. The supply of alcohol (Under section 41D)

Where a premises licence authorises the supply of alcohol, the licence must include the following conditions:-

Every supply of alcohol under the Premises Licence must be made or authorised by the management committee.

2. Mandatory conditions in force from 28 May 2014

1. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

- (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
 - (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- (c) "relevant person" means, in relation to premises in respect of which there is in force a premises licence -
- (i) the holder of the premises licence,
 - (ii) the designated premises supervisor (if any) in respect of such a licence, or
 - (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;

- 4.
- (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.
 - (2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.
