Recommendation to Audit Committee:

that Members approve the draft Internal Audit Plan for 2018/19

Reason for recommendation: The Internal Annual Audit Plan is required to be approved by the Audit Committee prior to implementation.

Introduction

- 1 This report incorporates the Annual Internal Audit Plan and Programmed Reviews for 2018/19, attached as an Appendix to this report. The objective of the plan is to ensure that Internal Audit resources are deployed in order to add value to the Council's objectives, whilst delivering reasonable assurance to the Council, regarding the effectiveness of internal control, governance and risk management processes in fulfilment of the Council's statutory responsibilities.
- 2 The plan has been prepared in accordance with professional guidance, including, the Public Sector Internal Audit Standards using an audit needs analysis methodology which takes into account and regulatory requirements, in particular the Accounts and Audit Regulations 2015.
- 3 The Audit Committee is required by its terms of reference, to approve the Annual Internal Audit Plan prior to its implementation.
- 4 The programmed work of Internal Audit is informed by an assessment of the audit environment consisting of all the activities within the Council. This took account of changes proposed or implemented within the Council over the last 12 months; incorporating audit priorities on a risk assessed basis, in consultation with senior management. This methodology has been used to help ensure that audit resources are targeted to the areas where the work of

Internal Audit would be most effective in improving internal controls, the efficiency of service delivery, and to facilitate the effective management of identified risks.

Summary of Issues in the Audit Plan:

- 5 The proposed Audit Plan for 2018/19 has 15 key reviews totalling 140 direct audit days, which cut across the whole Council and includes key financial systems and payroll.
- 6 In addition to the programmed reviews set out in Annex 1 to the Appendix, a resource plan for Sevenoaks District Council is attached as Annex 2 to the Appendix, showing the resource available for the year and how it has been allocated.
- 7 Additional days this year have been allocated to internal audit follow up of recommendations. A new process will be in place for the 2018/19 year.
- 8 All work undertaken during the year and any proposals for amendments of the plan will be reported to the Audit Committee through the routine monitoring arrangement of progress against the Audit Plan by the Audit Committee.

Liaison and Co-operation with External Audit

- 9 During the course of the year, Internal Audit will work closely with the External Auditors, Grant Thornton, within the terms of an agreed protocol, to ensure an effective and efficient delivery of the assurance requirements for the Council and to minimise duplication.

Revisions to the Audit Plan

- 10 The plan is risk based and took account of the assessed risks at the time of planning. However, in view of the changing and dynamic nature of the current economic, political and regulatory environment, risk profiles may change at fairly short notice. Internal Audit will remain responsive to the needs of the Council during 2018/19. As a result, revisions to the plan may be required should the risk profiles, or regulatory requirements affecting the Council changes. Where changes within the environment necessitate revisions to the audit plan, any proposed changes would be agreed with Senior Management prior to seeking the approval of the Audit Committee, and before implementation.
