Additional Information

* NHS DGS CCG is requesting £250k of CIL funding to produce a feasibility study to produce options and the eventual final design. Further bids are expected to fund the preferred option once agreed (circa. £7m)

** No information has been submitted as to part of the application. Bids submitted will require further work before they are be considered by the CIL Spending Board.

*** The proposal for a Edenbridge Integrated Health Hub is subject to further work being carried out. Planning Policy is aware of this particular proposal in terms of the emerging Local Plan
