

ACTION SHEET - Actions from the previous meeting

ACTIONS FROM 06.04.11			
Action	Description	Status and last updated	Contact Officer
ACTION 1	The Planning Policy Manager to remove from the Allocations and Development Management Development Planning Document the statement that over provision of parking would encourage an unsustainable car dominated culture was inaccurate.	This has been done.	Alan Dyer Ext. 7440
ACTION 2	The Planning Policy Manager to write to KCC to request amendments to parking standards to prevent problems with on-street parking.	KCC considers that residential parking standards in “Interim Guidance Note 3” are underpinned by a substantial and growing evidence base. The approach taken in this document is considered to be consistent with emerging national policy. It could be used by Districts to develop their own standards but at present it appears that KCC has no intention to review its county-wide document. The new National Planning Policy Framework is likely to require a review of non-residential parking standards. A decision needs to be taken across the	Alan Dyer Ext. 7440

		<p>County as to whether there should be a county-wide review, undertaken by KCC, or whether districts should develop their own standards.</p> <p>Officers from Kent County Council have expressed a willingness to meet with SDC Officers and Members to discuss parking issues.</p>
