

Sevenoaks District Council

Affordable Housing Supplementary Planning Document (SPD)

Consultation Statement

1. Introduction

The Affordable Housing Supplementary Planning document provides advice on how the Council's Affordable Housing policy, as set out on the Core Strategy DPD, is to be implemented. This includes guidance on the range of approaches, standards and mechanism required to deliver a range of affordable housing to meet local needs.

Once adopted, the Affordable Housing SPD will form part of the Sevenoaks District Local Development Framework. It will not form part of the formal development plan for the area but will be a material consideration in the determination of planning applications. It will provide further guidance as to how national, regional and local planning policies will be applied in relation to the provision of Affordable Housing.

This document sets out Sevenoaks District Council's approach to consultation and engagement in preparing the Affordable Housing SPD.

2. Approach to consultation

Regulation 17 of the Town and Country (Local Development) (England) Regulations 2004 (as amended 2008 and 2009) and sets out the minimum requirements for consultation and public participation on a Supplementary Planning Document (SPD).

Further to these minimum requirements, the adopted Sevenoaks Statement of Community Involvement (December 2005), 'Planning for People', sets out the range of approaches to consultation and participation that the Council will consider facilitating in preparing LDF documents. These are:

	How could you be involved?
Information	Local media (newspapers, radio, TV, local/Parish newsletters).
	Electronic resources (Internet, e-mail, online consultation, diary).
	Publicity in 'community centres' (e.g. local council offices, shopping centres, sports centres).
	Letter based consultation to persons and organisations listed on the LDF mailing list.

Consultation	Documents available for inspection at local council offices.
	Area/Town Forums and Parish/Town Council Meetings.
	Qualitative Research (Focus Groups and Questionnaire Surveys).
	Public Exhibitions.
Participation	Preparation of locally based documents (e.g. Parish Plans and Village Design Statements).
	Participation Workshops
	Working Groups

Sevenoaks District Council considers that when preparing SPDs it is appropriate to inform, consult and seek the participation of organisations and/or individuals in order to ensure that the documents more closely reflect local needs and priorities.

Consultation and engagement with organisations and individuals in the process of preparing the Affordable Housing SPD.

Following preparation of a draft of the SPD, the Council resolved to undertake a 10 week formal consultation on the Affordable Housing SPD between 26th May 2011 and 4th August 2011.

As part of this consultation, the Council:

- Published the draft Affordable Housing SPD on the Sevenoaks District Council website;
- Made the draft SPD available for inspection at the Council's offices and libraries in the Council's administrative area during normal office hours;
- Sent letters to persons and organisations¹ on the Council's LDF mailing list inviting them to examine the consultation documents and make representation on them during the consultation period;
- Placed a public notice in local newspapers informing the public of the consultation matters, the consultation period and the places at which the documents could be inspected;
- Released the details of the consultation to the local press via a press release;
- Organised a briefing for local agents.
