Representation Type:  
Body representing persons in vicinity

Objection Type:

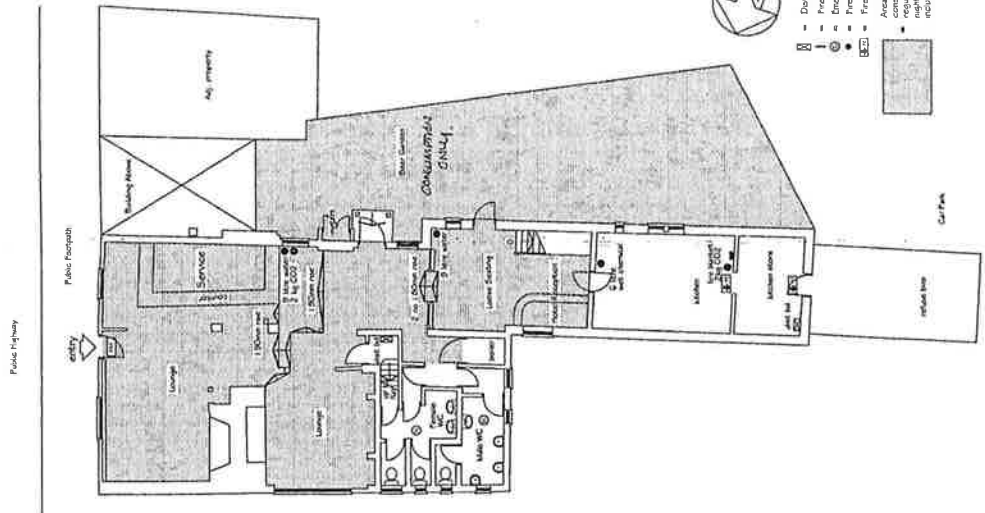

Noise Disturbance

Comments:

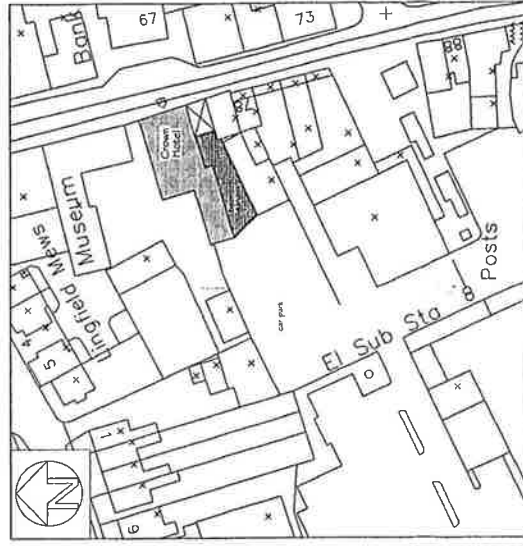

Noise Disturbance/Nuisance

Due to close proximity of residents living in the High Street members believe that any extension to the current licence would result in a public nuisance. Should extensions be granted members request the noise limiters should be considered to control the noise levels and they question the need for a Late Night Refreshment Licence as Members believe that this can already be provided for their residents as they are a hotel.
