

ITEM No. 5(f) - APPENDIX C

Environment Select Committee

Extract From ESC Minutes	Proposed Response (by Cabinet)
a) Reintroduce the opportunity for Local Members to clarify any matters of fact that they regard as necessary at the end of the debate.	No change. There is already the facility for the Committee to put questions of clarification to Local Members at the Chairman's discretion under 3.5(c) of the Constitution.
b) Reintroduce the previous system of site meetings, with the exception that no formal recommendations be made to the Committee, subject to a different Legal opinion as to their lawfulness.	No change. The Legal opinion has not changed.
c) Include printed reproductions of plans and elevations for each application as part of the Development Control Agenda.	No further change. The Agenda has been expanded to include a Site Map and a sample plan of the proposal.
