LATE OBSERVATION SHEET ADDENDUM

The following representation was received on 8/01/2015 at 4.08PM today –

‘My late Granddad Roy Atfield wanted to leave a legacy for the future of our farm.

Sadly he died last month aged 83 but not before trying to secure Skinners Farm for future generations.

Granddad farmed all his life overcoming all problems from foot and mouth to the current economic crisis that’s forced many farmers to give up. He’d farmed at Skinners for 54 years, and didn’t want to see land sold for permanent development.

My family are keen to secure our farming future. We don't want to have to have builders develop the land. I want my family farming this land in another 54 years.

I hope that your decision will allow us to do so,

Thank you, Mark Atfield’
