24. Actions from Previous Meeting

The Chairman confirmed that an Excel spreadsheet that contained crime statistics for the District had been sent out by the Democratic Services team on 4 October 2018.

25. Update from Portfolio Holder

The Portfolio Holder, and Chairman, advised that as per the latest crime statistics, the Sevenoaks District now had the lowest number of recorded crimes in Kent.

He reported to Members that he had asked the Economic Development team to engage in creating a community rail partnership from Swanley to Bat & Ball through the Darenth Valley. He explained that with 2.8 million people on the border of the Sevenoaks District, the partnership would help add to the visitor economy.

The Portfolio Holder also advised Members that Sevenoaks District Council had successfully held their first Global Entrepreneurship Week at the Stag Theatre in November, with a good panel of discussions held with a good attendance, which he expected to be repeated next year.

Agenda Item 1
Economic & Community Development Advisory Committee - 11 December 2018

The Portfolio Holder informed Members that he had recently taken part in a walkabout with Sevenoaks MP Sir Michael Fallon visiting shops in the Town as part of Small Business Saturday.

Lastly, the Portfolio Holder advised Members that the second Floor Studios on the High Street was now 100% full and reported that there was now a waiting list for artists looking at using the studios. He also advised that as the agreement was a temporary one, the challenge was to find a new location with bigger capacity for between 60-80 artists, which would be comparative to London.

26. Referrals from Cabinet or the Audit Committee

There were none.

27. Visit by Lord Colgrain to speak on the Rural Economy DEFERRED

Due to current events in Parliament, the visit by Lord Colgrain was deferred and placed on the work plan to provisionally take place at the 5 March 2019 meeting.

CHANGE IN ORDER OF AGENDA ITEMS

With the Committee's agreement, the Chairman brought forward the consideration of agenda item 8.

28. Community Plan Priorities 2019-2023

The Community Planning & Projects Officer presented a report that asked Members to consider the public consultation draft of the Community Plan Priorities for the period 2019-2023.

Members queried what help from other organisations is received to deliver the plan. The Chairman advised that all partners are active contributors, but all agencies have restrictions on what they could offer.

The Community Planning & Projects Officer also advised Members that the next phase was to promote the draft document, which included a simple form for respondents to fill out.

Members thanked the Community Planning & Projects Officer for his work on creating the Plan.

Resolved: That the report and Community Plan document be noted.

29. Economic Development Strategy 2018-21 Report

The Head of Economic Development & Property introduced a report on the final draft Economic Development Strategy 2018 -2021.

He explained that the plan aimed to be short and succinct, and was designed to be flexible and be able to attach individual actions to it in the future.

Members queried whether there was provision for helping older people back into work. The Chairman confirmed this was being worked on.

The Committee discussed the number of responses the consultation received and whether more needed to be done to engage more businesses. The Chairman explained that everything that could have been done to engage as many people as possible was and felt the strategy covered all bases in regards to economic development in the District.

Members of the Committee also discussed the need for faster broadband in the District and whether this would help keep businesses in the area. The Head of Economic Development & Property confirmed there had been a change of emphasis at a government level, which aimed to provide fibre broadband straight into premises. He explained that a parish-by-parish assessment was being carried out by Kent County Council on current broadband requirement provision. The assessments for the Sevenoaks District would be completed by the end of January 2019. Plans would then be prepared for improvements in those parts of the District with poor provision.

Resolved: That

- a) the report be noted and
- b) it be recommended to Cabinet that the Economic Development Strategy be approved.

30. Economic Development Strategy 2014-2017 Final Monitoring

The Head of Economic Development & Property presented a report, which summarised the performance of the targets in the 2014 -2017 Economic Development Strategy. The Economic Development Officer reported that 86% of the targets set were reported as green, with 7% as amber and 7% as red.

She advised Members that she believed 86% was a good outcome, and explained that most of the results that were amber and red were outside of the Council's control. She also advised that over 50 hours were spent supporting local businesses that helped move the strategy forward.

Members were also advised that due to leaving the European Union, funding avenues that were used in the previous strategy would have to be altered for the new strategy, with new funding streams also targeted.

Members thanked Officers for their work on the previous strategy and the incoming new strategy.

Resolved: That the report be noted.

Agenda Item 1

Sevenoaks District Council Grants

Code of Practice September 2003

For this purpose, a grant is taken to mean:

'a cash award for a specified initiative, project or service not provided by the Council which benefits residents or those working in the district'

Each grant scheme should have:

1. Written criteria outlining:
 - Eligibility
 - Scheme objectives
 - How the grant decision will be made in relation to the extent to which the scheme criteria are met.
2. An application form
3. Guidelines for completing the application form.
4. Minimum and maximum grant level
5. Performance indicators
6. Monitoring arrangements

Principles

- The criteria must be in line with the Council's overall objectives
- All grant schemes and benefits in kind must support and complement the Council's Strategic Objectives.

Eligibility

- The applicant group must have a constitution (or at least be working towards adopting one). For most grants a constitution is essential.
- The applicant group should have a management committee.
- The applicant group must have a bank account with 2 signatories. If they do not have a bank account, they must nominate a voluntary organisation to take responsibility for the money on their behalf.
- The applicant must have, and enclose with the application, a set of audited or independently examined accounts for the latest year available
- The project should be for the benefit of people living or working in the Sevenoaks District.

The application form should:

- Identify how the application meets the scheme criteria
- Contain performance indicators by which the success of the project will be measured.
- Be targeted to the potential recipients. The degree of information required should be proportionate, reasonable and reflect how much money they are eligible to apply for.
- Identify if the applicant has applied to the Council before for funding or if they have an external bid outstanding. Identify how much they have applied for and when applicants are likely to know the outcome. Include details of any other funding applied for and whether bids have been successful.
- Make it clear that grants have to be paid back if the proposal does not go ahead and that if they do not notify the Council, this may jeopardise future applications.
- Make it clear at what stage the funding will be made available e.g. on receipt of invoices, 100% in advance, staged payment etc.
- Include a checklist for applicants to ensure everything has been filled in and all documents are enclosed etc.
- Include an outline of the project timetable.
- Identify whether the applicant group has policies which cover child protection/health and safety/equal opportunities etc.
- Identify if the organisation is working towards any form of accreditation.

The application process;

- Application forms must be accompanied by the scheme criteria guidelines for completing the application form and an explanation of the timescale, including deadlines, during which the application will be processed.
- Applicants need to be informed at the outset about the level and timing of monitoring, evaluation and annual reporting required
- Applications should be acknowledged within 10 days of receipt.
- A list must be kept of everyone who is sent a form so that reasons for not replying can be gained if necessary
- Applicants should be informed of the timescale for consideration and notification of decision at the outset.
- If the application has not been approved, reasons should be given.

Deadlines

- Dates for consideration of applications need to be publicised and deadlines set for receipt of applications.
- No applications will be considered after closing dates.

Grants application appraisal

- Grant appraisers should be trained.
- Appraisal must be against the given criteria and applicants must meet set criteria in order to receive the grant.
- The scheme/proposal must meet the main aim of the grant scheme.
- Applications should be assessed according to the extent to which the identified need is met. Applicants should therefore be asked to state the need.
- Audited accounts should be considered when the application is appraised.
- Applicants need to demonstrate financial need and financial viability.

Approval

- All grant applications should receive a response indicating that the grant has been approved held over or refused
- Approval letters should indicate clearly whether there are any conditions attached to the grant.

Payment

- Payment of money – timescale for payment should be included in the written notification of grant approval.
- Cheques should go out with a letter reiterating what the money will be spent on and the required monitoring of performance indicators. There should also be a receipt which the applicant signs, dates and sends back to confirm they have received the money and that it will be used for the purpose for which it was approved.
- As part of the monitoring/evaluation process, receipts to prove that the money has been spent on what it was intended for should be provided by the applicant where necessary. For example, where grants have been made for capital/equipment purchase. (*The financial threshold needs to be considered*).

Monitoring & Evaluation

- Monitoring has to be relevant and targeted to the applicant group, degree of detail reflecting the size of grant.

- Monitoring – must relate to key outputs/targets/milestones which should be part of the original application. Monitoring should assess achievements against agreed outputs/targets.
- A progress report must be provided – frequency determined by the level of grant.
- Recipients of grants must keep a record of user numbers, who has benefited from the grant and any feedback from users.
- PIs should be part of target setting. This should be proportionate to the size of grant.
- How often and by whom they will be monitored must be specified.
- Schemes must be evaluated using the monitoring information provided.
- The applicant group should have client evaluation – satisfaction survey e.g. play scheme – how did the parents find it, did the children enjoy it etc. proportionate to the size of grant.

Promotion

- Applicants need to make clear what publicity/promotion is being undertaken for the scheme/grant and must acknowledge the grant provided by the District Council in all publicity.

Review

- The grant process itself must be reviewed internally at regular intervals, at least every 3 years to ensure the system is still effective. This includes review of application forms, criteria, reporting etc. with feedback from applicants.

General

- There should be a SDC database which everyone can access which gives details of those groups who have applied for funding and the outcome.
