Apologies for absence were received from Cllrs. Gaywood and Horwood

27. Minutes

With regard to Minute 21 it was agreed that although Cllr Piper did not declare an interest it would be helpful to have minuted the advice he had received from the Monitoring Officer. At that meeting in response to a query as to whether he should declare an interest as Portfolio Holder for Planning, a member of the Planning Advisory Committee and Chairman of the Sevenoaks Town Council Planning Committee, he advised that following advice received from the Monitoring Officer, as long as you entered the meetings with an open mind prepared to change your mind, he was covered. He stated that he had never previously expressed a view or campaigned on any of the sites and it was entirely appropriate to vote and was covered by Section 25 of the Localism Act 2011 and the Council's Constitution.

Resolved: That the Minutes of the meeting of the Planning Advisory Committee held on 22 November 2018 be approved and signed by the Chairman as a correct record, subject to the above being noted.

28. Declarations of Interest

No additional declarations of interest were made.

29. Actions from Previous Meetings

There were none.

30. Update from Portfolio Holder

The Portfolio Holder for Planning advised that he would update the meeting on the Draft Local Plan.

Having received this information Councillor Mrs Morris removed herself from the room during consideration of this item as she was aware that there appeared to be some public perception that she had an interest, as declared at the previous meeting.

The Portfolio Holder for Planning [updated](#) Members on the progress made so far with the draft Local Plan.

In response to questions the Chief Planning Officer advised that speaking with the Planning Inspector who had attended the offices, he had indicated that in his view an Inspector would be unlikely to focus on sites omitted from the Plan and would focus on sites within the plan. However, the Chief Planning Office said omitted sites could possibly be considered under 'housing need'. An Inspector could ask the Council to look again at sites not in the Plan. Adoption could be as late as 2020.

31. Referrals from Cabinet or the Audit Committee

There were none.

32. Adoption of the High Weald AONB management plan 2019-2024

The Principal Planning Officer (Policy) presented the report which sought adoption of a management plan for the High Weald Area of Outstanding Natural Beauty (AONB), which the Council was legally required to do.

The High Weald AONB Management Plan review (2019-2024) was approved by the Joint Advisory Committee (JAC) of the AONB unit on 28 November 2018 after public consultation and with input from the Council. It was recommended that the Council adopt the Plan as it would assist in understanding the key characteristics of the AONB and therefore developing policies and making development management decisions to protect and enhance the natural beauty of the landscape of the High Weald AONB.

Cllr Dickins addressed the Board as the Council's representative on the High Weald Area of Outstanding Natural Beauty - Joint Advisory Committee. He thanked Officers for all their work. He stated that 60% of the District was AONB and had a great impact on the visual landscape and land use. The Plan looked to preserve it and take it forward into the twenty-first century.

The Planning Policy Team Leader presented a report which sought approval of the adoption of the Westerham and St Lawrence (Seal) Village Design Statements as Supplementary Planning Documents.
