EXEMPT INFORMATION

At the time of preparing this agenda there were no exempt items. During any such items which may arise the meeting is likely NOT to be open to the public.

If you wish to obtain further factual information on any of the agenda items listed above, please contact the named officer prior to the day of the meeting.

Should you need this agenda or any of the reports in a different format, or have any other queries concerning this agenda or the meeting please contact Democratic Services on 01732 227000 or democratic.services@sevenoaks.gov.uk.

HOUSING & HEALTH ADVISORY COMMITTEE

Minutes of the meeting held on 6 June 2022 commencing at 7.00 pm

Present: Cllr. Maskell (Chairman)

Cllr. Harrison (Vice - Chair)

Cllrs. Bonin, Bulford, Perry Cole, G. Darrington, Edwards-Winsor, Griffiths and Harrison

Apologies for absence were received from Cllrs. Dr. Canet, Clack and Esler

Cllrs. P. Darrington and Osborne-Jackson were also present.

Cllrs. Dickins and Grint were present via a virtual media platform which did not constitute attendance as recognised by the Local Government Act 1972.

51. Appointment of Chairman

Resolved: That Cllr. Maskell be appointed as Chairman of the Advisory Committee for the year 2022/2023.

(Cllr. Maskell in the Chair)

52. Appointment of Vice-Chairman

Resolved: That Cllr. Harrison be appointed as Vice-Chairman of the Advisory Committee for the year 2022/23.

53. Minutes

Resolved: That the Minutes of the meeting held on 17 January 2022 be approved and signed by the chairman as a correct record

54. Declarations of Interest

There were none.

55. Actions from Previous Meetings

There were none.

56. Referrals from Cabinet or the Audit Committee

Agenda Item 1

Housing & Health Advisory Committee - 6 June 2022

There were none.

CHANGE IN ORDER OF AGENDA ITEMS

The Chairman, with the Committee's agreement, brought forward consideration of item 8 - Quercus Housing - increasing the delivery of affordable housing in the Sevenoaks district (Minute 57).

57. Quercus Housing - Increasing delivery of affordable housing in the district

The Chief Officer, People and Places presented the report which recommended that the Council approve £15 million to be drawn down by Quercus Housing over a 10-year period to deliver affordable housing in the district.

The report laid out that Quercus Housing remained ambitious in achieving the delivery of affordable homes in the Sevenoaks District and was seeking a longer term position to support this ambition and develop a project pipeline for the next 10 years. Quercus Housing had identified sites that were under development by the Council, including Stangrove, White Oak and Farmstead Drive, where Quercus Housing could acquire the affordable units.

An indicative pipeline of projects was discussed. Each site would be looked at on a scheme by scheme basis and subject to the usual due diligence, financial assessment and securing relevant permissions, such as planning.

Projects costs, financial viability assessment and borrowing requirements would be impacted by existing inflation levels and would therefore be undertaken on a site by site basis. Quercus Housing would benefit from an ongoing income stream on the assets that should increase in value over time which would reduce the overall risk.

Members asked questions of clarification and the Chairman used his discretion to allow the Chairman of the Finance and Investment Advisory Committee in attendance to address the Committee. The Chairman of the Finance and Investment Advisory Committee expressed a desire for an illustrative model of how the borrowing might be used in order to generate funds to pay the loans. It was explained that this would be completed on a scheme by scheme basis.

In response to questions Officers advised that any profits generated by Quercus Housing would be retained by Quercus Housing and utilised for further affordable housing. The business cases would be approved on a case by case basis as approved by the Quercus Housing Board in line with the business plan approved by the Quercus Housing Guarantor Board which was made up of Cabinet Members. This would then go to the Deputy Section 151 Officer and the Chief Executive. Officers emphasised that the cases would be considered individually and would have to be identified as affordable.

In response to questions it was confirmed by Officers that up to 45 units could be delivered in the 10 year timeframe. If more sites were viable on the proposed

funding model then additional funding may be looked into. Two developments had already been completed Gladedale House and 11-13 High Street, Swanley. The viability for the developments would be constantly assessed including land viability assessments and maintenance costs over a comprehensive timeframe.

Members discussed the importance of the affordable housing proposals and noted that the Council continued to work with other local housing providers and landlords. The proposals would provide another way to meet the demand for affordable housing. Members noted that the assets would ultimately be owned by the Council as the shareholder of Quercus Housing.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That it be recommended to Cabinet to recommend to Council that

- a) a financial facility of up to £15m to be drawn down by Quercus Housing over a 10-year period from prudential borrowing obtained by the Council and to be used for the purpose of delivering affordable housing, be approved; and
- b) the Deputy S151 Officer in consultation with the Chief Executive be delegated authority, to agree the terms of any borrowing to be determined at the point of draw down.

58. Update from Portfolio Holder

The Chairman and Portfolio Holder gave an update to the Committee.

The new Homelessness Prevention Manager and a new Head of Housing had been recruited and were welcomed by the Chairman.

11 to 13 High Street, Swanley had formally launched providing 15 new affordable units for the local community. Furthermore, a positive meeting had been had with Rockdale Housing regarding a potential joint venture at Abbeyfields, Riverhead.

The Rough Sleeper Initiative funding update would be presented to the meeting as a report on the agenda (minute 62)

The Better Care Fund allocation had been approved and SDC had been awarded £1,303,129. This was for the disability facility grants which created adaptations in the home for disabled residents.

The Homes for Ukraine Scheme had been introduced and as of 24 May, 125 homes had been inspected from a pool of 143 matched households. The Chairman and Portfolio Holder expressed his thanks to the team for their hard work.

The rural housing needs survey had been re-run from 9 May 2022 in Horton, Kirby and South Darenth.

Agenda Item 1

Housing & Health Advisory Committee - 6 June 2022

The Health Liaison Board met on 25 July, updates were provided on, among other things the Integrated Care Systems, Run- Walk- Push against dementia event and the Kent Health Overview and Scrutiny Committee.

Some concern was raised by a Member as to the Out of Hours Homelessness partnership with Centra and the processes that were utilised. The Chairman noted that the issue would be discussed as a later item on the agenda (minute 63). Officers asked that any service concerns Members had should be brought to them as soon as possible.

Members discussed parking concerns around 11 to 13 High-Street Swanley. It was raised that there was a negative result on the neighbouring trading estate. Officers confirmed that residents of the site had free parking permits nearby at Bevan Place and Officers were monitoring the situation. Any concerns could be reported to the Council. Members raised concerns about the parking problems being exacerbated by the Bevan Place site and noted that further consideration would be required once the new site was completed. The Chief Officer, People and Places identified that she would investigate the use of parking by residents of 11 to 13 High Street and feedback to members in response to concerns.

59. Draft Housing Strategy 2022 - 2027

The interim Head of Housing presented the report which proposed the second draft of the Housing Strategy following consultation. Responses had been positive and there was good support for the proposed schemes. Areas of note included protecting the green belt, the type and quality of new housing, energy efficiency and the need for more affordable housing.

The themes contained in the draft Housing Strategy 2022 - 2027 were subject to public consultation between 14 February and 18 April 2022. Over 140 responses were received. It was considered that a broad range of participants responded to the consultation. Subsequent to the consultation, it remained the case that officers believed the themes of the Housing Strategy addressed the housing needs and aspirations of local people, whatever their background.

Members discussed the number of responses. Officers highlighted that the consultation had been publicised by the Communications team via Social Media and the Council's Magazine, Inshape among other places. Members discussed the possibility of posting out the consultation as pre-paid to stakeholders and residents so as to encourage further engagement. Officers suggested that the cost to this alternative would be great and the quality of response may not ultimately be improved. The cost to response ratio would have to be carefully considered. It was noted that consultation events had been held with members, town and parish councils, housing associations and voluntary sector organisations supporting homelessness. Historically, it had been difficult to generate feedback for Housing Strategy Consultations. It was suggested that should the strategy be recommended, Officers would present additional engagement figures to Cabinet to highlight the length and breadth of the consultation.

In response to questions it was emphasised that the Council's Housing Register Allocations Scheme 2022-27 which was to be considered on the agenda (minute

60), was a separate document and had generated more engagement as this had a more direct impact on residents and would generate a different, more immediate interest from respondents.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That the Committee

- (a) note the feedback received from the public consultation;
- (b) consider and recommend to Cabinet that it be recommended to Council that the draft Housing Strategy 2022 - 27 be adopted

60. Sevenoaks District Housing Register Allocation Scheme 2022 - 2027

The Interim Head of Housing presented the report which outlined the Council's Housing Strategy Allocations Scheme. The report presented a second draft of the Housing Register Allocations Scheme 2022-2027, which had been refined in light of feedback received from a recent public consultation.

The Sevenoaks District Housing Register Allocations Scheme enabled the Council and its partners to work together to ensure that those in most need of affordable housing were prioritised. The Council operated a Choice Based Letting Scheme and the Housing Register Allocations Scheme set out a framework that described how to register, the assessment process and property allocation process. Over 500 responses were recorded including from Members, partners and key stakeholders. The Committee noted their thanks to all those involved in the consultation process.

A few respondents had commented on the difficulties faced by young people who wanted to move to their first independent home, but who were impacted by high property prices and rents combined with low wages/zero hour contracts. As was drafted, people sharing facilities (e.g. young people still living at home with their parents and sharing cooking and bathing facilities, who wanted to live independently), were not classed as having a housing need and were not eligible to join the Housing Register. Therefore, it was recommended that an additional category be added in Band D (low priority) and to create a Local Lettings Plan to give an element of priority, which would be agreed on a site-by-site basis, to this category of applicant on selected schemes.

The current scheme did not require applicants to disclose whether they were staff or Members of the Council or related to, partner of, or living with staff or Members of the Council. It was recommended that this requirement be introduced to protect the Council's interest and that of its employees and elected Members. It was recommended that their status be flagged on the Council's computer system, and failure to disclose this information could result in the application being suspended or cancelled as determined by the designated manager. It was also recommended that applicants for vacant pitches on the Hever Road traveller site were required to join the Housing Register, in the same way that all other

Agenda Item 1

Housing & Health Advisory Committee - 6 June 2022

applicants requiring housing assistance were required to do. It was suggested that a bespoke allocations policy be prepared for the letting of pitches on Hever Road.

Members discussed the proposal to retain a 'low priority' category band D. It was expressed that adding excess numbers of people onto the register would be unnecessary and have the potential to stretch the Council's resources. Officers confirmed that the long waiting times and low-priority status of young people living with their parents meant that younger, key-workers were discouraged from attaining a place on the register. The additional category would allow a small amount of those essential workers to gain a small percentage priority on the register which would help those younger key workers in high-value areas.

Officers confirmed that for clarity the local connection criteria would be re-iterated under the new band category.

Members discussed the need for a local connection requirement should a resident wish to join the housing Register. Residents could be left in limbo should they not be able to afford property within the Sevenoaks district despite being able to find affordable property outside the district. Officers outlined that the constraints of the District did cause problems in terms of the Green Belt and Housing development restrictions.

Members asked questions of clarification regarding the local connection criteria's effect on homeless inhabitants and temporary accommodation. Officers confirmed that the local connection criteria were correlated to a family member or previous home under homeless law. It was confirmed that the homelessness and allocations policies were separate. Applications for temporary accommodation and the housing register were established under separate legislation. The previous local connection criteria had been 6months. The new criteria had been extended to three years via employment and living which would encourage those that were committed to obtaining social housing. This also encouraged users to seek private accommodation. It was also emphasised that social housing demand outstripped supply.

Members asked clarifying questions as to the requirement to disclose working for or being related to Council employees. It was confirmed that this was recommended for the purposes of transparency to ensure fair claim to social housing. Officers suggested being mindful about a failure to disclose the information being subject to discretion for a period of three years to encourage users to come forward.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That

- a) the feedback received from the public consultation be noted; and

- b) following consideration, it be recommend to Cabinet to recommend to Council that the second draft of the Sevenoaks District Housing Register Allocations Scheme 2022-2027 be adopted.

61. Sevenoaks District Council Out of Area Placement Policy

The Chief Officer People and Places presented the report which proposed the Council's Out of Area Placement Policy.

The demand for both temporary accommodation (TA) and settled accommodation was growing across the district with the number of applicants approaching the Council for resettlement support growing each year. Alongside the increase to local demand, the Council was also competing for both TA and longer-term accommodation with other districts and boroughs including unitary London Authorities, whom have a far more generous budget and funding streams than Sevenoaks District. There was a lack of available move on properties. These pressures led the Council to consider the manner in which resources were allocated based on household composition; community contribution including work and volunteering; and social and welfare needs. The proposed Out of Area Placement Policy set out how the Council sought to work with households based on their priorities, presenting needs and affordability in order to offer the most appropriate accommodation for both TA and through the Private Rented Sector as a longer-term housing solution.

Members discussed the report and asked questions of clarification.

It was confirmed that a financial incentives package was being looked at to encourage landlords to get involved. Private sector offers were encouraged to prevent homelessness and prevent residents getting stuck in temporary accommodation.

Members expressed some concern regarding vulnerable people being moved out of the area. It was confirmed that permanent relocation was possible for those that wanted it but that this was not an ideal solution and could cause problems long-term for residents if they wished to return. It was also confirmed that the Council kept track of temporary accommodation placements. Costs and duration were tracked. In-district accommodation was also encouraged with support being offered to those in temporary accommodation including schooling and transportation needs. Members also raised concern regarding the breadth of choice being provided for those with temporary accommodation needs.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That it be recommended to Cabinet to adopt the Sevenoaks District Out of Area Placement Policy.

62. Rough Sleeper Initiative update

The Chief Officer People and Places presented the report which presented an update on the Rough Sleeper Initiative (RSI), a grant provided by the Department for Levelling Up, Housing and Communities (DLHUC) to local authorities to provide local support for people living on the streets.

The report provided an update on how the funding had benefitted the Sevenoaks District in the 12 months prior and provided an update on DLUHC's announcement of a fifth phase (RSI 5), which would cover the period 2022 - 2025. The deadline for bid submission was late February 2022 and the decision would be published following the Government embargo soon after.

Any interventions funded would be contained within the RSI funding envelope and no match funding or additional administration costs were required to accept and manage the funding. Successful outcomes would reduce future costs arising from repeat homelessness, and associated costs to the public purse from rough sleeping.

Members discussed the report and asked questions of clarification. Sevenoaks had a low number of rough sleepers. The previous rough sleeper count had observed only 1 person. The scheme also provided an array of outreach support for the complex difficulties faced by rough sleepers and single homelessness.

Resolved: That

- a) the key achievements in supporting rough sleepers in the Sevenoaks District as a result of receiving Rough Sleeper Initiative (RSI) funding in 2021-22, be noted; and
- b) the latest round of funding announced by the Government for the RSI and to outline the Councils submission bid for 2022 - 2025, be noted.

63. Homelessness out of hours service update

The Chief Officer - People and Places presented the report which gave an update to the Committee on the Council's contract with Centra to deliver the Council's homelessness out of hours service. Since October 2019, 135 calls were taken by the Out of Hours team which released increasing pressure on the Housing Advice team and provided continued support to residents out of office hours to find immediate emergency accommodation in line with legislation. The CCTV team took a weekly log of calls which were recorded for monitoring purposes along with internal Officer meetings. An on-call Housing Officer could be contacted by Centra in an emergency. The log was sent to Centra and the CCTV team in case of emergency.

Members expressed the importance of the out of hour's safety net. In response to questions Officers confirmed that during the initial months of the scheme in 2019, communications problems were identified but had been resolved since. Mental

health and social services support provided a challenge, but it was emphasised that from a homelessness perspective the scheme was working well.

In response to Member queries The Chief Officer - People and Places advised that any issues with the service should be reported to the team and would be looked into. Officers would review the reported incident and the contact information for the service in light of Member queries.

Action 1: For the Chief Officer - People and Places to report back to the Committee with an update on an incident reported by a member on 22 May 2022 relating to a homelessness gentleman, which could not be resolved due to CCTV being unable to contact the homelessness out of hours service or on call housing officer.

It was confirmed that the Housing team would pick up the problems from the Out of hours homelessness service during office hours and the two operated in unison. Discretion was used once users had been checked and their validity assessed for placement in accommodation.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That it be recommended to Cabinet that an extension to the current contract with Centra for a further three years to deliver the Council's homelessness out of hours service, be approved.

64. To note minutes of the Health Liaison Board

Resolved: That the minutes of the Health Liaison Board held on 25 May be noted.

65. Work Plan

The Work Plan was noted with the following additions:

September 2022

- Health and wellbeing action plan 2022/23
- Mental Health update
- Homelessness and Rough Sleeping Strategy

THE MEETING WAS CONCLUDED AT 9:09PM

HEALTH & WELLBEING ACTION TEAM HALF YEAR REPORT

HOUSING & HEALTH ADVISORY COMMITTEE - 15 September 2022

Report of: Chief Officer People & Places

Status: For Consideration

Also considered by: N/A

Key Decision: No

Executive Summary: Update on the Health & Wellbeing Action Teams Action Plan - 2022-23 Qtr 1.

This report supports the Key Aim of: Community & Corporate Plan

Portfolio Holder: Cllr. Maskell

Contact Officer(s): Kelly Webb, Ext. 7474

Recommendation to Housing & Health Advisory Committee

To note the report

Agenda Item 6

Introduction and Background

- 1 In May 2021 we was asked by the Portfolio Holder to put this into place and reinstate the HAT but to include Wellbeing, we had an initial meeting with partner organisations and developed the action plan. Due to us being approximately 2 months behind of the start date (April 2021) it was agreed that partners would work on this one through the meetings rather than wait for the following year as we had missed the Cabinet process. The 2022-23 plan was put in place and agreed by the Advisory and Cabinet in January 2022, to be ready to start in April 2022
- 2 The appendix summarises the first quarter (April - June) of the action plan

Key Implications

None to SDC. It is a Partnership document

Legal Implications and Risk Assessment Statement.

None

Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

Net Zero Implications

The decisions recommended through this paper have a remote or low relevance to the council's ambition to be Net Zero by 2030. There is no perceived impact regarding either an increase or decrease in carbon emissions in the district, or supporting the resilience of the natural environment

Wellbeing

This document supports wellbeing and looks at this throughout the document.

Conclusions

For the Committee to note the report

MENTAL HEALTH UPDATE

HOUSING & HEALTH ADVISORY COMMITTEE - 15 September 2022

Report of: Chief Officer People & Places

Status: For Consideration

Also considered by: N/A

Key Decision: No

Executive Summary: Mental Health Update

This report supports the Key Aim of: Community & Corporate Plan

Portfolio Holder: Cllr. Maskell

Contact Officer(s): Kelly Webb, Ext. 7474

Recommendation to Housing & Health Advisory Committee

To note the report

Agenda Item 7

Introduction and Background

- 1 In June 2021 we launched a mental health strategy for staff. This shows the work of the Council over the past year to address mental health concerns

Key Implications

Financial

Some for training, but mainly staff time

Legal Implications and Risk Assessment Statement.

None

Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

Net Zero Implications

The decisions recommended through this paper have a remote or low relevance to the council's ambition to be Net Zero by 2030. There is no perceived impact regarding either an increase or decrease in carbon emissions in the district, or supporting the resilience of the natural environment

Wellbeing

This document supports wellbeing and looks at this throughout the document.

Conclusions

For the Committee to note the report

Mental Health Update

Kelly Webb, Health & Communities Manager

Our Mental Health Strategy was launched on 1 June 2021 as part of Mental Health Awareness Week. It covers:

Good Mental Health

What can be done to prevent mental ill health

SDCs commitment to improving mental health

Our partners

The strategy focuses on mental health and wellbeing associated

people; raising awareness with Members; and activities with partners and the wider community.

This update represents a snapshot of the work undertaken by the Council.

Extensive support for staff is also provided by the HR team, including its Wellbeing Work, learning and development and recognition and awards programmes.

Wider determinants of health

The wider determinants of health are a diverse range of social, economic and environmental factors which influence people's mental and physical health.

A snapshot of the initiatives and projects to support wellbeing, including housing, economic development, communities and development delivered by the Council includes:

- Securing funding to deliver One You programme of health and wellbeing lifestyle changes.

- Securing funding to deliver a Youth Mentoring Project.

- Delivery of new affordable housing in Swanley (Elizabeth House).

- Delivery of Kickstart programme providing work experience and jobs for local young people.

- Progression of The Meeting Point in Swanley, providing business space and new homes.

- partnership with WKHA to deliver 11 units of supported accommodation for rough sleepers and single homeless..

Kent & Medway Healthy Workplace Awards programme

The Healthy Workplace programme helps businesses of all sizes become healthier places to work.

Task & Finish Group set up incl Health & Communities Team, Human Resources & Communications in April 2021

Met with the Kent & Medway Co-ordinator in May to go through our pledges. Can take organisations up to 18mths to complete

The programme is helping the Council and staff find ways to be healthy at work.

Communications campaigns

Events: Big Sing 2022

Events: Family Fun Days

Events: Youth Mentoring Project

Mental Health Training for staff

Mental Health First Aiders Training being held in Oct 2022

Staff Menopause Awareness event on 18 Oct 2022

Helping staff with specific counselling from West Kent Mind

Winter health and wellbeing support programme delivered in partnership with Primary Care Networks

Support for eligible pensioners and vulnerable households with utility and food costs as part of Kent Household Support Fund

Launch of Here to Help leaflet to support staff and residents with the rising cost of living

Continue Healthy Walks and Every Help Counts

Community mobilisation programme

Access All Areas event in Oct 2022

One You Programme health and wellbeing programme delivered

Thank you

DRAFT ELIGIBILITY CRITERIA FOR NEW AFFORDABLE HOUSING DEVELOPMENT PROVIDERS

Housing & Health Advisory Committee - 15 September 2022

Report of: Chief Officer People & Places

Status: For Consideration

Also considered by:

- Cabinet - 22 September 2022

Key Decision: No

Executive Summary: A report establishing eligibility criteria for new affordable housing development providers wishing to deliver homes in the District.

This report supports the Key Aim of: the Sevenoaks District Housing Strategy 2022/2027

Portfolio Holder: Cllr. Kevin Maskell

Contact Officer: Sharon Donald, Housing Strategy Manager, Ext. 7131

Recommendation to Housing & Health Advisory Committee:

To consider the draft eligibility criteria for new affordable housing development providers.

Recommendation to Cabinet:

To approve the draft eligibility criteria for new affordable housing development providers, subject to any required amendment.

Reason for recommendation: Approved eligibility criteria gives greater certainty to the District Council that new affordable housing will be delivered by organizations who share our ambitions and ways of working. It will also provide clarity to planning applicants on developments where new affordable housing is triggered by local plan policy.

Agenda Item 8

Introduction and Background

1. The District works with a number of long-standing affordable housing development partners to enable and deliver new affordable housing in the District. These include West Kent Housing Association and English Rural Housing Association.
2. Over the years, we have built a solid and fruitful relationship with our partners. Owing to planning constraints, which restrict new development, and the District Council's commitment to protect the Green Belt, the Housing Register faces huge pressures. This means it is critical we continue to build on our partnerships to maximise new affordable housing delivery.
3. The Council's Housing Strategy 2022/2027 has an objective to develop Sevenoaks District's housing offer, including delivering new affordable homes. Developing strategic partnerships with new/additional affordable housing development providers will help us to achieve this objective. An associated action point is included in Year 1 of the draft Housing Strategy Action Plan.
4. It is important to ensure any prospective provider shares the District Council's strategic vision and is willing to contribute to its achievement. Of equal importance is that the provider is given clarity as to what we will expect from them and they are encouraged to want to come and develop within our District. The attractiveness of the District will be helped by us demonstrating we are forward thinking and willing to be creative and flexible in our approach.
5. In consultation with colleagues from Planning, Economic Development and Corporate Policy, as well as our long-standing affordable housing development partners, an eligibility criteria has been drawn up for prospective providers. The criteria is considered to be balanced and ambitious. It will provide the certainty mentioned above and demonstrate to prospective partners our desire to do business with like-minded organizations. It is anticipated the existence of clear eligibility criteria will encourage new providers to come forward, with the confidence to work alongside us.
6. Subject to approval of the eligibility criteria, it is proposed the Housing Strategy Manager will be the lead assessor of prospective providers, in consultation with relevant colleagues and with final approval by the Head of Housing.
7. If a provider is assessed as meeting the criteria, they may, upon request, be added to our list of preferred affordable housing development partners.

8. If a planning applicant wishes to work with a provider who is not a preferred affordable housing development partner of the District Council, our approval of their proposed provider is required (as per the terms of the template S106 agreement). It is proposed our approval will be dependent upon the provider meeting those elements of the eligibility criteria that are appropriate to the development under consideration. The eligibility criteria will be published on the District Council's website and will provide clarity to planning applicants and their prospective delivery partners. It will also give greater certainty to the District Council that new affordable housing will be delivered by organizations who share our ambitions and ways of working.
9. In summary, the draft eligibility criteria requires prospective providers to assist the District Council in meeting its statutory housing functions by embracing the terms of the Sevenoaks District Housing Register Allocations Schemed 2022-2027 (and any successor document). This means their delivering genuinely affordable housing for Housing Register applicants, i.e. Social Rented Housing or Affordable Rented Housing, where rents (and service charges) are capped at or below Local Housing Allowance levels. New homes will be secured for Housing Register applicants through a requirement for the provider to enter into a nominations agreement with the District Council, providing 100% of first lettings and 75% of all re-lets during any 12 month period.

Other options Considered and/or rejected

None.

Key Implications

Financial

None.

Resource (non financial)

To be managed within existing staff resources.

Legal Implications and Risk Assessment Statement.

The District Council does not have published criteria in place, setting out how new affordable housing development providers will be assessed and approved. It is considered that adoption of eligibility criteria will reduce the risk of legal challenge.

Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

Agenda Item 8

Net Zero Implications

The decisions recommended through this paper have a remote or low relevance to the council's ambition to be Net Zero by 2030. There is no perceived impact regarding either an increase or decrease in carbon emissions in the district, or supporting the resilience of the natural environment.

Conclusions

Adopted eligibility criteria will give greater certainty to the District Council that new affordable housing will be delivered by organizations who share our ambitions and ways of working. It will also provide clarity to planning applicants on developments where new affordable housing is triggered under local planning policy, thereby reducing the likelihood of legal challenge.

Appendices

Appendix A - Eligibility criteria for new affordable housing development providers in Sevenoaks District

Sarah Robson

Deputy Chief Executive and Chief Officer - People & Places

Appendix A

Eligibility criteria for new affordable housing development providers in Sevenoaks District

Sevenoaks District Council welcomes the opportunity to work with affordable housing development providers who are committed to delivering new affordable housing in the Sevenoaks District. Any provider is expected to meet the following criteria:

- 1) Be a body registered with the Regulator of Social Housing as a Registered Provider of Social Housing, pursuant to the provisions of the Housing and Regeneration Act 2008, unless otherwise agreed by the District Council.
- 2) Assist the District Council in meeting its statutory housing functions by embracing the terms of the Sevenoaks District Housing Register Allocations Scheme 2022 - 2027 (and any successor document). Primarily, with regards to social housing (homes provided as Affordable Rented and Social Rented tenures), to enter into a nominations agreement with the District Council (template provided on the District Council's website) to provide 100% first lettings and 75% of all re-lets, in favour of the District Council, during any 12 month period.
- 3) Be (or become) a member of Kent Homechoice - the partnership body of all Local Authorities in Kent and private Registered Providers, providing a single application point to local housing registers for those in housing need and a means of allocating social housing vacancies via choice-based lettings. To agree all social housing lettings provided in favour of the District Council (see No. 2 above) will be progressed via Kent Homechoice.
- 4) Provide all Affordable Rented homes at a rent including service charges that does not exceed the Local Housing Allowance level applying, or at a lower rent, to ensure all affordable housing is genuinely "affordable" to those reliant on welfare benefits and in comparison to the local resident-based median income.
- 5) Have an office base within one hour's travel of the District Council's Argyle Road offices, or be able to demonstrate that adequate management arrangements are in place for the management of stock in the District.
- 6) Be willing to actively engage as a key stakeholder in the development of policies and strategies developed by the District Council.
- 7) Where the provider is in control of the development process, to:
 - deliver affordable housing that meets the minimum sizes described in the Nationally Described Space Standards (March 2015), or any successor document;

Agenda Item 8

- comply with the following, unless otherwise agreed by the District Council:
 - (a) all national design and construction standards published by the Department for Levelling Up Housing and Communities applying at the time of permission;
 - (b) Part 2 of Secured by Design standards published by Police Crime Prevention Initiatives Limited;
 - (c) Optional requirement M4(2) of Building Regulations 2010 (Part M) (Accessible and Adaptable Dwellings); and
 - (d) Local development standards as set out in adopted Core Strategy (2011) and any successor document.
 - deliver a range of unit types, tenures and sizes as identified by the most up to date evidence on local need and suitable to the location;
 - deliver wheelchair-user housing to meet M4(3) (b) of Building Regulations 2010 (Part M) (Accessible and Adaptable Dwellings), as identified by the most up to date evidence on local need and suitable to the location;
 - assist the District Council in its ambition to reduce carbon emissions across the District as part of the Net Zero 2030 commitment by promoting energy efficiency, sustainable travel and sustainable building practices;
 - demonstrate that they have adopted a formal approach to environmental management for their operations ideally by applying a recognised Standard such as ISO14001, the Kent STEM Scheme, or EMAS;
 - use Modern Methods of Construction, where appropriate, subject to planning.
- 8) On request, to enter into a local lettings plan to ensure a sustainable and balanced community is created and to assist the District Council in meeting wider housing strategy objectives. This may arise on developments with a significant number of social housing units, or locations requiring sensitive lettings, or where the District Council wishes to target certain client groups, e.g. to facilitate existing social housing tenants to downsize or to assist Local Essential Workers.
- 9) Respond in a timely manner to requests by the District Council for qualitative and quantitative information - including quarterly lettings returns (as per template nominations agreement), decent homes standard compliance and rent levels.
- 10) Be willing to meet with officers from the District Council's Housing Team, on request, to discuss the organisation's development programme and opportunities for partnership working.
- 11) Where appropriate, to take part in, or provide training, which is of clear benefit to the enabling function of the District Council and its affordable housing provider partners, e.g. showcasing new delivery models.

- 12) Can demonstrate the organisation's services are fully accessible and offered equally, regardless of race, gender, disability, age, sexuality, religion or belief.
- 13) For Shared Ownership and Intermediate Affordable Rented homes, to embrace the terms of the [Sevenoaks District Intermediate Housing Protocol](#) in order to deliver housing opportunities for local people, and to advertise all vacancies through the local Help to Buy agent.
- 14) For First Homes, to deliver these in accordance with the [Sevenoaks District Local First Homes policy](#) (agreed by Cabinet, December 2021).
- 15) For Discounted Market for Sale Housing, to discuss and agree with the Housing Strategy Manager how homes will be marketed and local connection provisions applied.

If you wish to discuss any of the above, please email housing.policy@sevenoaks.gov.uk or call 01732 227000 and ask for Housing Policy.

HOUSING STRATEGY 2022/2027 - DRAFT ACTION PLAN

Housing & Health Advisory Committee - 15 September 2022

Report of: Chief Officer People & Places

Status: For Consideration

Also considered by:

- Cabinet - 22 September 2022

Key Decision: Yes

Executive Summary: To consider a draft Action Plan to deliver the priorities set out in the Housing Strategy 2022/2027.

This report supports the Key Aim of: the Housing Strategy 2022/2027

Portfolio Holder: Cllr. Kevin Maskell

Contact Officer(s): Sharon Donald, Housing Strategy Manager, Ext 7131
Alison Simmons, Head of Housing, Ext 7272

Recommendation to Housing & Health Advisory Committee:

To consider the draft Housing Strategy Action Plan 2022/2027.

Recommendation to Cabinet:

To approve the draft Housing Strategy Action Plan 2022/2027, subject to any required amendment.

Reason for recommendation: To put in place an action plan, to ensure the agreed priorities set out in the Housing Strategy 2022/2027, will be delivered.

Agenda Item 9

Introduction and Background

The Housing Strategy 2022/2027 was adopted at Full Council in July 2022. An Action Plan has been drafted (attached as Appendix A) to set out how the agreed priorities will be delivered.

Other options Considered and/or rejected

None

Key Implication

Financial

As set out in Appendix A, where appropriate.

Resource (non financial)

As set out in Appendix A, where appropriate.

Legal Implications and Risk Assessment Statement

None

Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

Net Zero Implications

The decisions recommended through this paper have a remote or low relevance to the council's ambition to be Net Zero by 2030. There is no perceived impact regarding either an increase or decrease in carbon emissions in the district or supporting the resilience of the natural environment.

Conclusions

An action plan ensures the agreed priorities set out in the Housing Strategy 2022/2027, may be delivered.
