**Portfolio Holder** Cllr. Ms Lowe (Housing and Community Safety)

---

**Recommendation to the Licensing Committee:** That the Licensing Committee agree that the fee levels as set out in paragraph 7 of the report are appropriate for consultation with the Taxi trade.

---

**Reason for recommendation:** to ensure that the Council complies with its Statutory duty and ensure that the 'Taxi Licensing' service remains self-financing, in accordance with the Council's Service and Budget Plan.

---

### Introduction and background

1. This taxi licensing service is required to be self-financing and the proposed increases to fees will ensure this is maintained.
2. The licence fees and associated costs of 'taxi' licensing are proposed to be increased in line with the 3.5% inflation rate in accordance with the Council's Service and Budget Plan. All other increases in cost of providing the service have been absorbed by efficiency savings as a result of the Licensing Partnership.
3. Careful monitoring of income and expenditure has been carried out over the current financial year and the income from licence fees and associated costs, together with expenditure has been in accordance with the objectives laid out in the budget plan.
4. The Driving Standards Agency (DSA) fee for its 'taxi driver test', that new applicants are required to take in accordance with the Council's 'Taxi Licensing Policy', is currently £79.66 payable (weekday fee) directly to the DSA by the applicant.
5. The Cedars Surgery at Swanley is the current approved Centre for medical examinations with respect to Driver Licence applications in accordance with the

Taxi Licensing Policy. Cedars Surgery won the tender early in 2012 with a reduced fee payable by the applicant of £50, previously the cost was £55.

6. The fee for the Disclosure Barring Service (DBS) Enhanced Search remains the same at £44. However, applicants can now register online when they apply for a DBS search. The registration lasts for one year and costs £13 per year. This would save an applicant £5 over three years. It allows applicants to take their search certificate from one job to the next and removes the need for an enhanced search to be carried out upon renewal.
7. The three costs mentioned in the two preceding paragraphs, which a new applicant has to pay, means, that in addition to the licence fee set by Members, a new applicant for a driver licence will have to pay, if the recommended licence fee increase is approved, a total of £342.66 from 1 April 2014 whilst an applicant for a renewal of a licence will pay a total of £216 from the same date.

8. The Licensing Partnership will email those Hackney Carriage Proprietors, Private Hire Operators and Drivers where we have their email addressed after this Licensing Committee meeting to give them the opportunity to make comment. A Notice will also be placed in a local paper and will be available on the Council's website.

**Other Options Considered and/or Rejected**

9. If the Licensing Committee were minded not to approve these fees the Council would not be able to meet the Council's Service and Budget Plan or ensure the Taxi Licensing Service was self-financing.

## Key Implications

### Financial

The cost of licence fees takes into account the need to maintain a 'self financing' position for the service. The proposals contained in this report will achieve this.

### Legal, Human Rights etc.

Should parts of industry believe the authority's fees are at a level which is greater than the costs of the statutory functions then it would be open to them to undertake a judicial review proceeding. Should this arise, the authority would need to evidence how it arrived at the fee levels to demonstrate that they have been calculated on a cost recovery basis only.

### Equality Impacts

c. What steps can be taken to mitigate, reduce, avoid or minimise the impacts identified above?
