**THE KENT COUNTY COUNCIL (VARIOUS ROADS, SEVENOAKS)**  
**(PROHIBITION OF WAITING AND LOADING & UNLOADING AND ON-STREET**  
**PARKING PLACES) (AMENDMENT 3) ORDER 2013**

Dear Mr Bracey,

Thank you for your letter dated 20<sup>th</sup> November 2013 and attached drawings regarding the above subject.

Kent Police have no specific observations to make regarding this proposal, however in general terms we would expect the following:

- The application meets the necessary criteria.
- The introduction of yellow lines and waiting restrictions complies in all respect with the Traffic Signs Regulations and General Directions 2002.
- The introduction of such measures will not leave the Police with the task of carrying out constant enforcement issues.
- The safety of other road users is not compromised by the introduction of these measures.

Civil Parking Enforcement will require your Authority to ensure resources are available to enforce this proposal.

I hope that these views are of assistance to you.

Yours Sincerely

Chris Morris  
Police Constable 9719 Traffic Management Section

Good afternoon

I am responding to the above document that you recently sent to the Kent County Council (KCC) for comment. Please can you amend your details as Colin Heale does not work for the Council and we are no longer based at Gibson Drive, Kings Hill. Please can you send any future correspondence to the following address:

With reference to the proposals laid out in your documents, providing they will not impact on any bus stops already in place I would not have any objections.
