

To: Sevenoaks Joint Transportation Board
By: Tim Read, Head of Transportation
Date: 12th March 2014
Subject: Road Safety Profile
Classification: Information only

This information report follows the request from the Board in December 2014 (action 3) for a 3 year profile and basic statistics from the previous 10 years.

The County Council produces an annual Road Safety Profile for each of the twelve Kent districts and this is contained at appendix A & B to this report and this contains all the information requested.

Should Board Members have specific questions the author of this report will be pleased to respond on an individual basis.

Recommendation

Kent County Council Highways & Transportation request that the Board note this information report.
