Recommendation to Full Council: That from 1 April 2014 the list of fees and associated costs for licences in respect of hackney carriage drivers and vehicles and private hire drivers, vehicles and operators be varied as set out in paragraph 7 to the report.

Reason for recommendation: to ensure that the Council complies with its Statutory duty and ensure that the 'Taxi Licensing' service remains self-financing, in accordance with the Council's Service and Budget Plan.

Introduction and background

1. Following the Licensing Committee meeting on 4 February 2014 communication I was sent to Hackney Carriage and Private Hire licensees asking for their views on the proposed increases in fees for the Taxi Licensing service.
2. The taxi licensing service is required to be self-financing and the proposed increases to fees will ensure this is maintained.
3. A Public Notice was also placed in a local paper and information was available on the Council's website.
4. The licence fees and associated costs of 'taxi' licensing are proposed to be increased in line with the 3.5% inflation rate in accordance with the Council's

Service and Budget Plan. All other increases in cost of providing the service have been absorbed by efficiency savings as a result of the Licensing Partnership.

5. In the report to the Licensing Committee on 4 February 2014 the details of the other charges levied by other agencies were outlined.
6. To date the only response that has been received is attached as Appendix A and is copied below.

'I have viewed the proposed increase in the Taxi Licensing fees for 2014/2015 which are acceptable to me as a current licensed Taxi Driver in Sevenoaks.

Many of my licensed colleagues have discussed these new increase charges and we are content that they are necessary for the purpose of providing the support and licensing for our business.

Hope these comments are helpful.

Mr. John Lewis

Other Options Considered and/or Rejected

8. If the Licensing Committee were minded not to approve these fees the Council would not be able to meet the Council's Service and Budget Plan or ensure the Taxi Licensing Service was self-financing.

Key Implications

Financial

The cost of licence fees takes into account the need to maintain a 'self financing' position for the service. The proposals contained in this report will achieve this.

Legal, Human Rights etc.

Should parts of industry believe the authority's fees are at a level which is greater than the costs of the statutory functions then it would be open to them to undertake a judicial review proceeding. Should this arise, the authority would need to evidence how it arrived at the fee levels to demonstrate that they have been calculated on a cost recovery basis only.
