

Community Governance Review

Terms of Reference

Sevenoaks District Council has resolved to undertake a community governance review to consider the creation of a new ward of the Parish of Shoreham and the boundary between the parishes of Chevening and Sevenoaks Weald in the vicinity of Bowzell Green. The District Council will be guided by the relevant legislation and guidance, in particular the Local Government and Public Involvement in Health Act 2007 and Guidance on Community Governance Reviews (published jointly by the Department for Communities and Local Government and the Electoral Commission).

Why is the District Council undertaking the review?

Although the District Council carried out a review of the whole of the Sevenoaks District in 2011/12, there is an opportunity to consider a couple of minor issues raised subsequently by Shoreham and Chevening Parish Councils and implement any recommended changes ahead of the parish council elections in May 2015.

What is a community governance review?

It is an opportunity for interested persons to consider how local communities are represented by considering:

- creating, merging, grouping, altering or abolishing parishes
- the naming of parishes and the style of new parishes
- the electoral arrangements for parishes (overall number of councillors, parish warding and number of councillors for those wards)

Parish governance in the Sevenoaks District Council area

Parish councils, representing local communities, cover the whole of the Sevenoaks District Council area. The District Council believes that parish councils play an important role in terms of community empowerment at the local level and is keen to ensure that parish governance in the Sevenoaks District continues to be robust, representative and enabled to meet the challenges ahead. Government guidance states that “Ultimately, the recommendations made in a community governance review ought to bring about improved community engagement, more cohesive communities, better local democracy and result in more effective and convenient delivery of local services.”

How will the District Council publicise the review?

The District Council will publicise the review by displaying a notice at the Council Offices in Sevenoaks and Swanley, placing articles on the District Council’s website and by issuing local news releases. Specifically, the District Council will write to all households in the existing Shoreham and Well Hill wards of Shoreham Parish and those affected in the vicinity of Bowzell Green, to the relevant parish councils, District Councillors, County Councillors and MP and also to Kent County Council.

What does the District Council expect from interested persons?

Anyone may make representations to the District Council and those views will be put before Members of the District Council at meetings of the Governance Committee. The District Council would like to ensure that:

- electors are able to identify clearly with the parish in which they are resident because it considers this sense of identity and community gives strength and legitimacy to the parish structure, creates a common interest in parish affairs, encourages participation in elections to the parish council, leads to representative and accountable government and generates a strong, inclusive community with a sense of civic values, responsibility and pride
- parishes reflect distinctive and recognisable communities of interest, with their own sense of identity
- boundaries between parishes will normally reflect the “no-man’s land” between communities represented by areas of low population or pronounced physical barriers
