

**Sevenoaks District Council  
Repair & Renew Grant  
Application Form**

Please read the accompanying scheme guidelines carefully before completing the application form. If you have any queries regarding the application process, please contact Simon Davies at Sevenoaks District Council, Argyle Road, Sevenoaks, Kent, TN13 1HG. Tel: 01732 227000. Email [grants@sevenoaks.gov.uk](mailto:grants@sevenoaks.gov.uk).

Funding of up to £5,000 per property per application is available to flood affected homes and business premises to put flood resistance measures in place to reduce the risk of or minimise the impact of future flooding. Collaborative applications, where a street or a row of properties have been flooded and would like to work together to establish more appropriate solutions, can be submitted, based on a contribution of £5,000 per property.

Please note that THREE like for like quotes should be provided with your application to support the identified costs. Please contact us if you are not able to provide three quotes.

A third party independent survey must be undertaken to advise the most appropriate flood resilience measures for your property. The cost of this can be reclaimed (please see section 3).

Payment will be made once works have been completed – a claim form will be provided that can be submitted, along with an invoice for works completed, to claim funding awarded. All funding awarded must be claimed by 31 December 2014 at the latest. Claims received after this date may not be paid.

Please complete this application form electronically – we cannot accept hand-written applications

**This is a residential property. Adjacent roads and field flooded, A25 drains blocked, Squerryes Court Lake stream running through the garden and which meets River Darent broke their banks, excess water coming down Goodley Stock Rd came straight into the garden exacerbating the situation. Water came to a height of approximately 380mm against the house and 100mm inside the house. The reason the water level was kept low because of bailing water out through the back of the property over about 5+ hours. Damage indoors was greatly minimised by moving furniture upstairs and putting bricks underneath what could not be moved. The whole of downstairs required cleaning which we did ourselves. 2 large rugs had to be sent to be cleaned (Sew Clean receipt attached for information)**

- 1.7 Address of Property flooded (if different from above):

- 1.8** If you are submitting a collaborative application for more than one property, please set out the names, addresses and contact details for the other applicant properties:

Each of our neighbours at Nos.1, 2 & 3 are also submitting separate applications for this Repair and Renew Grant and, though we are all applying for different things, some of the measures will collectively benefit all four cottages. Our neighbours are:

1. [REDACTED] 1 Squerryes Park Cottages, [REDACTED]
2. [REDACTED] 2 Squerryes Park Cottages, [REDACTED]
3. [REDACTED] 3 Squerryes Park Cottages, [REDACTED]

## 2. DETAILS OF THE FLOODING TO YOUR PROPERTY

- 2.1** Date(s) property was flooded: 24 December 2013
- 2.2** Have you filed a claim with your insurer? No
- 2.3** If no, please say why?

**At the time the cottage was flooded, we had already exchanged contracts and were committed to purchase the property. We made our own arrangements with the previous owners to manage the damage done to the property ourselves.**

- 2.4** If yes, what is the status/outcome of the claim? n/a
- 2.5** Do you know the cause of the flooding to your property?
- Blocked/overwhelmed river Yes
  - Blocked drainage Yes
  - Tidal surge No
  - Extreme rainfall Yes
  - Surface runoff Yes
  - Other (please specify) n/a
- 2.6** Please provide a written description detailing the extent of flooding in/around your business and the damage/impact to your business. Please include with your claim submission a map showing the location of flooding around your property and include any photographs of the damage caused. Please include with your claim submission a copy of any claim you have made to your insurer for this event:

The property flooded is a private property and not a business. Water entered the property through the front door as a result of overflow from Court Lake in the neighbouring property on our left which flooded Goodley Stock Road. The water covered the entire ground floor area of the property to a depth of about 10cm. Preventative measures were taken to avoid as much damage to the interior as possible by moving furniture to a higher location but the carpets were destroyed and had to be replaced. A de-humidifier had to be hired.

**2.7** Is your grant application for:

- Flood resilience/resistance measures that you will install in the future? **Yes**
- Flood resilience/resistance measures that you have already purchased and have installed following the flooding (retrospective application)? **No**

**2.8** Do you have the necessary legal agreements, insurances and processes in place to deliver the required improvements?

None required, to the best of our knowledge.

**2.9** Have you had a third party independent survey carried out to advise you on the most appropriate flood resilience measures for your property? **Yes**

**2.10** Please summarise the works recommended in the third party independent survey:

Our neighbours at Nos.1 & 2 are applying for flood prevention measures, some of which will benefit all four properties. They have already supplied you with a pdf full report of a survey undertaken by KRS Environmental Ltd dated June 2014. The survey covered all four properties.

**2.11** Have you received any alternative funding, such as previous grant funding or insurance claim payment, for any of the resistance/resilience measures for which you are applying for grant funding? If yes, please specify and state why you are also seeking Repair & Renew Grant support.

None
