10. If during the meeting a motion is passed to exclude the press and public, because confidential or exempt information is likely to be disclosed, then all rights to report the meeting are removed.
11. If the meeting for which agreement is given to report is adjourned by the Chairman then any reporting should stop at the point at which the meeting is adjourned.

13. Members of the public may be filmed or recorded whilst attending a council meeting and attendance at the meeting signifies a member of the public's agreement to this.
14. Any request made by the Chairman of the meeting regarding respecting the public's right to privacy should be complied with.
15. Members of the public should abide by any instruction given to them by a Council staff member in the event of the fire alarm sounding
16. Photographs, audio, and visual recording should not be edited in a way that could lead to misinterpretation of the proceedings. This includes refraining from editing the views being recorded in a way that may ridicule or show lack of respect.

If as a member of the public you do not wish to be photographed, filmed or recorded please inform the Democratic Services Officer in attendance at the meeting or the Chairman of the relevant committee when notice that a request to photograph, record or film has been received is given and we will try to assist, where reasonably possible.
