

Local Authority Transparency Code 2014

Part 3 Data Sets: Data which is required to be published

Information Title	Publication Frequency	Information recommended for publication
Expenditure exceeding £250	Monthly	<p>Publish information on a monthly instead of quarterly basis, or ideally, as soon as it becomes available and therefore known to the authority (commonly known as ‘real-time’ publication).</p> <ul style="list-style-type: none"> • Publish details of all transactions that exceed £250 instead of £500. • publish the total amount spent on remuneration over the period being reported on. • classify purpose of expenditure using the Chartered Institute of Public Finance and Accountancy Service Reporting Code of Practice to enable comparability between local authorities.
Enhanced procurement information	Quarterly	<p>Publish all transactions on all corporate credit cards, charge cards and procurements, including those that are not a Government Procurement Card.</p> <p>Place on Contracts Finder, as well as any other local portal, every invitation to tender or invitation to quote for contracts to provide goods and/or services with a value that exceeds £10,000.</p> <p>Publish:</p> <ul style="list-style-type: none"> • information on a monthly instead of quarterly basis, or ideally, as soon as it is generated and therefore becomes available (commonly known as ‘real-time’ publication) • every invitation to tender for contracts to provide goods and/or services with a value that exceeds £500 instead of £5,000 • details of invitations to quote where there has not been a formal invitation to tender • all contracts in their entirety where the value of the contract exceeds £5,000 • company registration number at Companies House • details of invitations to tender or invitations to quote that are likely to be issued in the next twelve months • details of the geographical (eg. by ward) coverage of contracts entered into by the local authority • details of performance against contractual key performance indicators • information disaggregated by voluntary and community sector category (eg. whether it is registered with Companies House, charity or charitable incorporated organisation, community interest company, industrial and provident society, housing association, etc).

Information Title	Publication Frequency	Information recommended for publication
Enhanced local authority land	Monthly	<p>It is also recommended that local authorities should publish all the information possible on Electronic Property Information Mapping Service.</p> <p>Publish the following additional information:</p> <ul style="list-style-type: none"> • the size of the asset measured in Gross Internal Area (m²) for buildings or hectares for land, in accordance with the Royal Institute of Chartered Surveyors Code of Measuring Practice. The Gross Internal Area is the area of a building measured to the internal face of the perimeter walls at each floor level. Local authorities using Net Internal Area (m²) should convert measurements to Gross Internal Area using appropriate conversion factors and state the conversion factor used • the services offered from the asset, using the services listed in the Effective Services Delivery government service function list http://doc.esd.org.uk/FunctionList/1.00.html (listing up to five main services) • the reason for holding asset such as, it is occupied by the local authority or it is providing a service in its behalf, it is an investment property, it supports economic development (eg. provision of small businesses or incubator space), it is surplus to the authority's requirements, it is awaiting development, it is under construction, it provides infrastructure or it is a community asset • whether or not the asset is either one which is an asset in the authority's ownership that is listed under Part 5 Chapter 3 of the Localism Act 2011 (assets of community value) and/or an asset where the authority is actively seeking transfer to the community • total building operation (revenue) costs as defined in the corporate value for money indicators for public services • required maintenance - the cost to bring the property from its present state up to the state reasonably required by the authority to deliver the service and/or to meet statutory or contract obligations and maintain it at that standard. This should exclude improvement projects but include works necessary to comply with new legislation (e.g. asbestos and legionella) • functional suitability rating using the scale: good, satisfactory, poor, unsuitable • energy performance rating as stated on the Display Energy Certificate under the Energy Performance of Buildings (Certificates and Inspections) (England and Wales) Regulations 2007.

Information Title	Publication Frequency	Information recommended for publication
Enhanced community grants data	Monthly	<p>Publish information on a monthly instead of annual basis where payments are made more frequently than a single annual payment, or ideally, as soon as the data becomes available and therefore known to the authority (commonly known as 'real-time' publication).</p> <p>Information disaggregated by voluntary and community sector category (eg. whether it is registered with Companies House, charity or charitable incorporated organisation, community interest company, industrial and provident society, housing association etc).</p>
Enhanced Organisation chart	Annually	<p>Local authorities should publish:</p> <ul style="list-style-type: none"> • charts including all employees in the local authority whose salary exceeds £50,000 • the salary band for each employee included in the chart(s) • information about current vacant posts, or signpost vacancies that are going to be advertised in the future
Enhanced parking spaces	Annually	<p>Local authorities should publish the number of:</p> <ul style="list-style-type: none"> • free parking spaces available in the local authority's area and which are provided directly by the local authority, and • parking spaces where charges apply that are available in the local authority's area and which are provided directly by the local authority. <p>Where parking space is not marked out in individual parking bays or spaces, local authorities should estimate the number of spaces available for the two categories.</p>
Enhanced fraud data	Annually	<p>Local authorities should publish:</p> <ul style="list-style-type: none"> • total number of cases of irregularity investigated • total number of occasions on which a) fraud and b) irregularity was identified • total monetary value of a) the fraud and b) the irregularity that was detected, and • total monetary value of a) the fraud and b) the irregularity that was recovered.
