I am ~~I am~~ not (delete where applicable) in favour of the proposed changes for the Moor Road area of Sevenoaks.

Comments

Presently, the company (BPI Films) have very large lorries which require to swing across the road onto the wrong side of the road to access their site and also into The Moor Road, with the proposed plans this would hinder their access to their site and also reduce the width of the road. I have had a number of near-misses with the lorries and these plans will only make it worst.

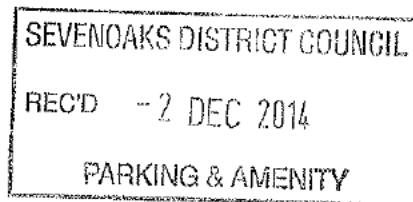

By allowing cars to park opposite the entrance to the new development access points will again reduce the road width and the need to drive in the middle of the road which in my opinion would increase the risk of an accident.

I agree to the installation of double yellow lines, but question the reason for the lines outside number 2 is longer than across the road outside number 3. Are these going to be enforced if and when painted because at the moment, cars already park on the foot path and nothing is done?

Comments
Will this also encourage vehicles to park who are using train station?

Comments

I agree to Double Yellow Lines on the corner to Moor Road
Having said that can they not come over our Driveway at [REDACTED] The Moor Road

Comments
<p>We strongly oppose the double yellow lines proposed as residents on the opposite side of the road to us have been allowed to have driveways, before this happened there was much more ability for other residents to park. Plus most of our residents have more than one vehicle. Yours sincerely</p> <p>[Redacted Signature]</p>

Comments
We are not able to park in Moor Road at the best of times. To put double yellow lines in Moor Rd will prevent us, as residents, parking in our road on Bank Holidays and weekends. We often have to park in Crampthorn Rd + walk. Not happy.
