Dear Ms Gray

The proposals are exactly what the Highway Authority requested. You may of course write directly to the JTB members, but as previously mentioned your submission will be included with the responses but will not count as a formal objection received within the strict terms of the consultation.

Hi Andy

Thanks for including Farningham Parish Council's comments to the JTB. Do you think it would be worth me writing to anyone there? The proposed restrictions on the map would not work as it is where cars queue to get into the Waste Recycling unit.

Thanks
Jane

Dear Ms Gray

Unfortunately your response (dated 13th December) was outside the stated formal consultation period, which closed on the 7th December. As a courtesy I will include your comments in the response to JTB and they can choose to take note of the submission or not, but it will not count as a formal objection received within the strict terms of the consultation.

The restrictions were requested by Kent County Council to assist them with their emergency responses to incidents and winter maintenance, and they the restrictions to be carried forwards.

Dear Andy

I apologise for the lateness of this response. The Parish Council of Farningham met on Wednesday 3rd December and I was asked to forward these comments. I was unwell at the meeting then went down with a 'flu' type bug and am am sorry but am still catching up.

The Parish Council of Farningham is content with the proposals in the High Street.

The Parish Council of Farningham believes the proposals at the access to the Teardrop Centre needs rethinking, particularly in the light of the very recent closure of 'Ideal Waste Paper Company' on the site which has been reclaimed by its landlord and the Paper Company has vacated. Councillors believe that restrictions on the left hand side will not serve any purpose and restrictions need to be on the right hand side. Councillors also thought it would be a good idea to see what happens at the site, as the car park needs clearing of all the waste paper.

I will try to phone you on Monday to confirm and discuss.

With kind regards

Jane

Comments

- 1) I fully support "clearway restrictions" to the bus stops near the Lion Hotel. This is a real move forward and big one.
- 2) The Teardrop Centre is also currently a very problematic area with dangerous + congested traffic buildup. Fully support this move.
