Action Plan 2015-16

Introduction

The Sevenoaks District Community Safety Partnership brings together all of the agencies in the District who can have an impact on crime, anti-social behaviour and the fear of crime. A list of partners is set out on page 26. The Partnership has 3 key aims. They are to:

- Reduce and detect crime
- Reduce anti-social behaviour and the fear of crime
- Strengthen community involvement

Each year the Partnership, in common with all of the Community Safety Partnerships in Kent, undertakes an assessment of crime and disorder in the District, using data provided by partners and feedback from residents. The assessment identifies the priority issues for the next year using the following rationale for each community safety type:

- Whether there is significant community concern
- Whether there is an increasing trend
- Whether it contributes to a high volume of crime
- The level of harm it causes
- How well it is performing compared with other parts of Kent and similar partnerships nationally
- Whether the Partnership can add value to the work

This Action Plan identifies where we can best work together to achieve results.

Priority Issues for 2015-16

The Strategic Assessment undertaken during the winter of 2014 has identified 8 priorities for the Partnership to tackle during 2015-2016. The data referred to in this Action Plan is based on the Strategic Assessment, which uses data between December 2013 – November 2014, unless otherwise stated. Trends in the identified priorities continue to be monitored on a quarterly basis and the first monitoring will be available in July 2015. Crime types are compared with their “Most Similar Groups” a benchmarking group set up by the Home Office, of partnerships thought to have similar characteristics.

The 8 priorities, in no particular order, are:

- Anti-Social Behaviour (including Fly-Tipping)
- Burglary (including Burglary Other than Dwelling)
- Theft Offences (including Shoplifting, Theft of Metal and Theft Offences)
- Substance Misuse
- Young People’s Issues
- Vehicle Crime (Theft of Motor Vehicles and Theft of Motor Vehicles)
- Domestic Abuse
- Road Safety

Although the Partnership’s main focus will be the 8 priorities, it will continue to monitor and plan for trends in crime and other community safety issues and address them through the Community Safety Unit’s daily briefings and other tasking arrangements in order to reduce recorded crime.

The Action Plan

The following pages set out the overall targets for the Community Safety Partnership and an action plan is linked to each priority. The Action Plan does not include details of the numerous activities already undertaken by partners, town and parish councils, the voluntary sector and others as part of their day to day work, but highlights activities in addition to core work, which partners will undertake throughout the forthcoming year. All priorities include actions around public perception and reducing repeat offenders/victims.

Funding and monitoring

Funding for the actions included within the Action Plan is available from a number of sources, including partners’ own budgets, Police & Crime Commissioner’s (PCC) funding which is allocated to district Community Safety Partnerships, Choosing Health funding and other small amounts of funding from a variety of sources, for example the Kent People’s Trust.

Regular monitoring will take place to ensure that individual projects continue to deliver positive results as well as value for money and that this Action Plan is on target.

Equalities

In preparing the action plan, issues such as equality and diversity were considered to ensure that everybody feels safe in the District.

SEVENOAKS DISTRICT COMMUNITY SAFETY PARTNERSHIP – ACTION PLAN 2015-16

SUCCESS MEASURES

All recorded crime

All Victim Based Crime reduced compared with the previous year

Anti-Social Behaviour

An improvement in behaviour achieved in 80% of cases accepted by the Anti-Social Behaviour Task Group.

75% of Anti-Social Behaviour victims satisfied with action taken.

Young People's issues

Intervention projects and positive media for young people to be maintained

The number of young people entering the criminal justice system for the first time to be reduced.

Burglary

Number of dwelling & non dwelling (shed, commercial/retail premises) burglaries to be reduced compared with the previous year

Vehicle Crime

Number of Vehicle Crimes (Theft of vehicles and Theft from vehicles) to be reduced compared with the previous year

Theft offences & handling stolen goods (incl shop lifting, theft of metal & metal offences)

The number of businesses participating in the Safer Town Scheme to be increased by 10 %

The number of exclusion/banning notices issued to be increased by 10%

Speeding incl Road Safety

Maintain the number of voluntary speed watches and Police enforcement

Substance Misuse

Substance Misuse Action Plan to be 85% on target

Domestic Abuse

The number of repeat incidents & repeat victims of Domestic Abuse to be reduced by 2%

Domestic Abuse Action Plan to be 80% on target

Burglary

Burglary is divided into Burglary Dwelling and Burglary Other offences.

Kent Police data shows that burglary offences in the Sevenoaks District have decreased by 17% (133 offences) compared with figures for same period last year (April – November 2013). The District ranks very poorly in County comparisons being the 3rd highest for Burglary Dwelling offences and 4th highest for Burglary other than Dwelling. The District has the highest rate of burglary offences in its Most Similar Group (see glossary on page 25), known as MSG.

The following wards experienced the most incidents of burglary with each ward reporting over 40 burglary offences (April 2014 to November 2014):

- Ash
- Brasted, Chevening and Sundridge
- Halstead, Knockholt and Badgers Mount
- Hartley and Hodsoll Street
- Otford and Shoreham
- Seal and Weald

Burglary Dwelling

Burglary Dwelling makes up 8 % of the total recorded crime in the Sevenoaks District. Burglary Dwelling has seen a reduction of 0.5%, compared with the same period last year, with the number of offences falling from 291 to 288. The County picture is not dissimilar, with 5 other districts reporting a decrease in Burglary Dwelling offences over the same time period. Comparative performance is poor with Sevenoaks District ranking 3rd highest in the County and highest in MSG.

Burglary Other than Dwelling (BOTD)

BOTD makes up 10% of total crime in the District (based on recorded figures for April to November 2014). The Sevenoaks District now has the 4th highest recorded crime rate for BOTD in the County and highest in the MSG.

Priority Action		Lead Agency	Other Partners	By When	Funding
	Burglary (Dwelling and BOTD)				
1.1	Proactively target action on hot spot areas using Pred Pol data and Op Cocoon through the monthly Daily Tasking meetings	CSU	Police Housing Assoc KCC Wardens	April 2015	Existing Budgets
1.2	Help address perception of Burglary by communicating effective key messages by all front line staff to residents and Town & Parish Councils	CSU	Police KCC Wardens	April 2015	Existing Budgets
1.3	Expand role of Integrated Offender Management Unit (IOM) to help support intervention for prisoners who have received 12months or less for Burglary crimes	Probation Service	Police CSU	Sept 2015	Existing Budgets
1.4	Continue to deliver Smart Water to vulnerable and repeat victims of Burglary & Burglary other than Dwelling across the District	KCC Wardens	CSU	On-going	Existing Budgets
1.5	Through Media campaign help promote CSU and education about Burglary & BOTD through Twitter & Face book	CSU	Police Housing Assoc KCC Wardens	April 2015	Existing Budgets
1.6	North West Kent Crime Prevention Panel (NWKCPP) to attend village days/fetes across the District promoting Home Security	NWKCPP	CSU	On-Going	Existing Budgets

Vehicle Crime

Kent Police data shows Vehicle crime (which includes Theft From Motor Vehicle and Theft Of Motor Vehicle) is down 19.9% compared with the same period last year (April – November 2014). The District ranks very poorly in County comparisons at 2nd highest for Theft of Motor Vehicle and 4th highest for Theft from Motor Vehicle. The District has the 2nd highest rate of vehicle crime in its MSG.

The figure for TFMV stands at 346 for this period. This is a reduction of 23.9% (109 offences) on the same period last year. The District is the 4th worst performing area in Kent and 2nd worst in the MSG. Despite a slight reduction of 5.5% (7 offences) bringing the total number of TOMV to 119 this period, the District still ranks very poorly and comes 5th highest in the County and 2nd highest in its MSG.

The following wards experienced the most incidents of vehicle crime with each area reporting over 30 crimes (April 2014 to November 2014):

- Farningham, Horton Kirby and South Darenth
- Fawkham and West Kingsdown
- Swanley Christchurch
- Swanley St Mary's
- Swanley White Oak

Theft of a Pedal Cycle

Pedal cycle theft has had a very slight increase of 7.4% (2 offences) from 27 to 29 offences. Sevenoaks District has the lowest rate in the County and ranks lowest (best) in MSG Theft of a Pedal Cycle.

Priority Action		Lead Agency	Other Partners	By When	Funding
VEHICLE CRIME (TOMV & TFMV)					
2.1	Target beauty spot locations and work with trusts and rangers to raise awareness. Use high visibility patrols and wildlife cameras	CSU	Police National Trust KCC Wardens	April 2015	Existing Budgets
2.2	Promote Safe Plates, work with local dealerships and promote the service through PCSO surgeries	CSU	Police	May 2015	Existing Budgets
2.3	Expand role of Integrated Management Offender Unit to help support intervention for prisoners who have received 12 months or less for Burglary crimes	Probation Service	Police CSU	Sept 2015	Existing Budgets
2.4	Targeted work through the Tasking & Co-ordination Group to identify hotspot locations and be proactive in those areas; use Pred Pol data	Police	CSU	April 2015	PCC Budget
2.5	Through Media campaign help promote CSU and education about TOMV and TFMV through Twitter & Face book	CSU	Police Housing Assoc KCC Wardens	April 2015	Existing Budgets

Anti-Social Behaviour including Environmental Crime

Evidence shows that Anti-Social Behaviour (ASB) remains one of the priority issues within Sevenoaks District among residents and continues to rank highly in reported figures when compared with other issues and recorded crime within the District.

It is important to note that reported calls of ASB to the Police may or may not have also been reported to other partners so trying to establish a standardised total is difficult.

Despite the high priority of ASB, the District currently has the 2nd lowest levels in the County.

The County average has been decreasing since 2010. However the number of ASB incidents in Sevenoaks District has seen slight fluctuations during this time. The Sevenoaks District continues to maintain levels of ASB significantly below the County average.

In addition to calls to the Police, SDC has received 190 calls regarding ASB this year, which represents an increase of 47 incidents (32.9%), compared to the previous year.

The most prominent ASB issues reported to SDC are:

- Rowdy behaviour
- Nuisance Behaviour (incl Neighbour disputes)
- Intimidation/Harassment (incl neighbour disputes)

The top 3 wards for reporting anti social behaviour to the District Council were the three Swanley wards followed by Edenbridge South and West.

MOAT Homes do not have an ASB database. However, they were able to identify 'Noise' as the highest reports of ASB.

West Kent Housing received 460 complaints of ASB this year. Highest being Noise at 126 and Harassment at 116.

ASB continues to be the highest recorded incidents within the CCTV service much higher than all other crimes reported/detected.

Fly Tipping

Flytipping has seen a slight rise this year and remains one of the most prominent issues. Sevenoaks District Council Direct Services received 923 reports of fly tipping between October 2013 – September 2014. This was a 25.3% increase, 188 more reports, with 380 of them removed. It is worth noting that an increase in reports does not necessarily indicate an increase in incidents, with often more than one report per incident.

Sevenoaks District has the second lowest recorded fly tipping in Kent and that there has been a general reduction in the trend in fly tipping in the District since 2008/9. The information from Clean Kent is that one of its most prominent areas for fly tippers is in our District, Donkey Lane, Eynsford.

Abandoned Vehicles

Abandoned vehicles have seen a slight increase over the last year, with 109 reports (1 more than same period last year) being made to SDC and 7 vehicles being removed. The low proportion of vehicles removed is in the most part due to the vast majority of those vehicles reported either being driven or declared SORN (Statutory off Road Notice) and parked off-road.

Graffiti

Graffiti reports to the Council have decreased by 30.7% (12 reports) this year with 27 recorded incidents. There were 13 offensive graffiti reports between October 2013 and September 2013 all of which were removed within the 48 hour deadline set by Sevenoaks District Council.

Priority Action	Lead Agency	Other Partners	By When	Funding	
Anti-Social Behaviour Including Environmental Crime					
3.1	Increase number of prosecutions for fly tipping through camera deployment. Awareness campaigns through local Charters (modelled on Keep Britain Tidy pilots) and prioritise hotspots	KCC Clean Kent CSU	KCC Wardens PCSOs Housing Assoc	April 2015	Existing Budgets
3.2	Campaign around prevention of Cyberbullying and e-safety in schools especially around vulnerable children and adults	CSU Police	Early Intervention Team Schools Voluntary Organisations	April 2015	Existing Budgets
3.3	Good Neighbour campaign around noise, harassment. Encourage resident responsibility in speaking with their neighbours to resolve low levels issues, referrals into mediation and managing expectations for agencies in responding to clashes of lifestyles. Take joint proactive action in response to more serious cases of noise nuisance and harassment reported.	Moat Housing WKHA CSU	SDC Housing Team KCC Community Wardens	April 2015	Existing Budgets
3.4	Promote joint partnership working on the new ASB legislation	CSU	Housing Assoc Legal Teams	April 2015	Existing Budgets
3.5	Use a targeted approach to ASB concerns with KCC Community Wardens and Police Community Support Officers	CSU Police KCC Community Wardens	Housing Assoc	May 2015	Existing Budgets
3.6	Respond to ASB issues through the daily Tasking Process and report back in 100% of cases	CSU	All Partners	On-Going	Existing Budgets

Youth Issues

There has been a slight increase in the number of youth offenders (under 18 years) entering the Youth Justice System for the first time, with figures for the District rising by 14.3% from 70 to 80 offenders over the period July 2013 to June 2014. Swale and Thanet were the only other two areas with an increase. 0.7% of the total District population of 10 to 17 year olds are recognised as youth offenders, this is an increase on last year's figures, which were 0.6% of the total District population. This District has the 2nd lowest rate in the County and is significantly better than the Kent average.

The three types of offences most frequently committed by children and young people in Sevenoaks were:

- Theft and Handling Stolen Goods (21.6%)
- Violence against the Person (16.6%)
- Criminal damage (16.8%)

The breakdown in offenders by gender continues to show that the majority of offences by young offenders are committed by males.

Not in employment, education or training (NEET)

Using KCC's data for October 2014, the number of young people recorded as NEET in Sevenoaks District has decreased from 89 to 65 compared to same period date last year (a reduction of 26.9%) over a 12 month period. This is the lowest number of NEETs in the County.

Schools

The data provided for bullying incidents across Kent is not consistently recorded so any analysis would be inaccurate. Whilst bullying is undoubtedly an issue for some young people, data is not included in the Assessment due to inconsistent reporting and recording methods.

The Kent Police Safer Schools Officer District posts were ended in May 2014 and a Police Divisional post was set up. PCSOs are now attending primary schools and focusing on e-safety in place of the Safer Schools Officer. Sevenoaks District Council has been visiting schools with partner agencies to deliver e-safety and did an e-safety campaign in February 2014 delivering mouse mats to local schools using a local celebrity and setting up a website.

Priority Action		Lead Agency	Other Partners	By When	Funding
YOUNG PEOPLE					
4.1	Identify repeat behavior in individuals (pre-offending) and work with Troubled Families to provide early intervention	Troubled Families Project	CSU Early intervention	April 2015	Existing Budgets
4.2	Deliver positive relationships programme to help break the cycle of Domestic Abuse. Do an audit of services and identify the gaps	CSU	Schools Youth Clubs 8-12s project	Sept 2015	Existing Budgets
4.3	Audit services in place for young people in the District to identify gaps and plan how to meet them Re-Design and influence KCC Youth Commissioning Service around youth work focusing on local needs	Early Help Commissioned Youth Services Volunteer Sector	All	March 2016	CSP Funding
4.4	Target detached youth work through the CSU	CSU Early Help Kenward Trust	Police Housing Assoc KCC Warden	On-Going	Existing Budgets
4.5	Continued promotion of E-Safety creating a centre for resources	SDC KCC CSU	Commissioned Youth Services Early Help	May 2015	Existing Budgets
4.6	Work with Youth Offending Service on community payback and make good use of the KFRS Youth programme	YOS KFRS	CSU	June 2015	Existing Budgets

Domestic Abuse

Domestic abuse has seen an increase in the number of incidents and the number of repeat victims this year. There have been an additional 120 incidents of domestic abuse recorded within the Sevenoaks District which represents an 18.4% increase on the previous year (April – November 2014). Sevenoaks District has also seen an increase in the number of recorded repeat incidents of domestic abuse with 12.7% more (21 reports, totaling 186).

Whilst on the surface this could reflect a rise in cases of domestic abuse, the increase could also be interpreted positively with more people feeling able to come forward and report domestic abuse to the Police. It is important to remember that these figures are only representative of domestic abuse that was reported to the Police and it is widely recognised that there remains a figure of domestic abuse which remains unreported. Despite the recorded increase within the District, Kent figures for April 2014 to November 2014 rank Sevenoaks as lowest for rates of domestic abuse and repeat domestic abuse victims in the County. Kent police figures indicate the rates of domestic abuse for Sevenoaks District have been the lowest in Kent for the past three years.

Priority Action		Lead Agency	Other Partners	By When	Funding
DOMESTIC ABUSE					
5.1	Raise awareness and sign posting to local and county wide services and resources including refuges, particularly targeting repeat victims	CSP Domestic ASB Group	All Partners KCC Youth Services	On going	Existing Budgets
5.2	Support young people to form positive and healthy relationships (to reduce onset of abusive behaviours and break the cycle of abuse. Promote key messages around domestic abuse prevention and support, linking in with national campaigns and promoting local services	DAVSS DA Working Group	VAWK EARLY HELP	June 2015	Existing Budgets
5.3	Raise awareness of Domestic Abuse in key groups (LGBT, Traveler Groups, Ethnic Minorities)	Domestic Abuse WG	All Partners	March 2016	Existing Budgets
5.4	External Evaluation of DA Services funded by CSP	CSP	DAVSS ISVA Choices CDAP	Sept 2015	Existing Budgets
5.5	Support local services to help victims and perpetrators in the District. Continued promotion of services via media campaigns	CSP	DA Working Group	April 2015	Existing Budgets
5.6	Structured review of Partnership working on Domestic Abuse - identify any gaps and duplications	CSU	DA Working Group	September 2015	Existing Budgets

Substance Misuse

Drugs

Since April 2013, drug offences are no longer recorded in the Victim Based Crime figures released by Kent Police. However, figures collated in I Quanta show total drug offences are down 25.7% (48 offences) with 142 recorded this year (April – November 2014). Sevenoaks has the lowest rate in the County and ranks 1st in Kent.

1 September 2013 – 31 August 2014 there were a total of 270 hospital admissions from 224 individuals for mental and behavioral disorders due to psychoactive substance use (alcohol and drugs) in the District. This is the second lowest figure in Kent.

Alcohol

Until recently, alcohol misuse was measured using alcohol attributable hospital admission rates which have been increasing year on year on a District and County level¹. It is generally felt that these rates no longer accurately reflect alcohol admission trends as some 'attributable' conditions have undergone massive rises in admission rates over recent years and this is only partly attributable to alcohol.

Kent has seen a steady increase of alcohol related hospital admissions over the past ten years and alcohol remains the most common substance for those seeking treatment; this year (June 2012 to May 2013) hospital admissions for evidence of alcohol involvement by Blood Alcohol has seen a Countywide increase of 76 (8.2%). Sevenoaks has seen the sharpest rise in numbers during this period (45.5%, 25 additional residents), making a total of 80 alcohol related hospital admissions this year.

Substance misuse treatment services in Sevenoaks District are provided by CRI, who are commissioned by Kent Public Health to deliver an integrated community drug and alcohol recovery service, offering integrated support to individuals across West Kent. CRI commenced services in West Kent from 1st April 2012.

CRI work closely with a range of partner agencies to improve outcomes for substance misusers. Greensands, a supported housing project in Sevenoaks, is assisted by CRI through the provision of group work and peer support to residents for their substance misuse. A joint working programme has also been developed with Sevenoaks area MIND, to deliver CRI programmes

on a weekly basis to Greensands residents and a bi-weekly drop in and referral service for MIND service users. This will facilitate better access to drug and alcohol services for these clients.

The CSP funds Kenward Trust to deliver low level Substance Misuse Youth Services. Between January and November 2014 they have engaged with over 250 young people, visited over 25 hotspots that have been a community concern and engaged with schools to deliver substance misuse projects

Priority Action		Lead Agency	Other Partners	By When	Funding
SUBSTANCE MISUSE					
6.1	Preventative and early intervention youth work to address identified local needs and improve well-being of young people. Link with other services including Mental Health Services	KCA Substance Misuse TG Kenward Trust	EARLY HELP KCC Youth Services Early Intervention Team	On going	Choosing Health CSP Alternative funding
6.2	Early intervention outreach to be targeted and responsive	Kenward Trust	CSU KCC Youth Services	April 2015	Existing budgets
6.3	Structured interventions around underage drinking and NPS (Legal Highs)	Trading Standards Kenward Trust KCA	CSU	May 2015	Existing Budgets
6.4	Mapping and evaluation of Substance Misuse services	CSU	CRI KCA Kenward Trust	Sept 2015	Existing Budgets
6.5	Investigate “Recovery Community” with the initiative of Dry Bars	Kenwards Trust CSP	All Partners	May 2015	Existing Budgets
6.6	Local response to national campaigns including vulnerable adults, older people and public health campaigns	Substance Misuse Task Group	All Partners	May 2015	Existing Budgets

Handling of Stolen Goods including Shoplifting

Theft and Handling Stolen Goods and Shoplifting have both increased.

Theft and Handling of Stolen goods

Sevenoaks District has seen a slight increase of 1.4%, with 13 more offences recorded compared to same period last year April 2014 – November 2014.

Sevenoaks District still has the 2nd lowest rate per 1000 population in the County. In contrast, the District has the 4th lowest rate in MSG but the crime rate still sits just below average.

Shoplifting

Sevenoaks District has seen an increase in the number of shoplifting offences, April 2014 – November 2014 compared to same period last year of 26.9% 72 offences. Despite this the District ranks 3rd lowest crime rate in the County and 4th best in its MSG.

As with the previous year's strategic assessment, despite the Sevenoaks District's relatively good performance when compared to the rest of Kent, combined theft offences account for the largest proportion of crime in Sevenoaks.

The Sevenoaks District Business Crime Reduction Partnership has struggled to retain business members. Although some new shops in the Town centres have joined the scheme, some of the smaller businesses have pulled out.

Priority Action		Lead Agency	Other Partners	By When	Funding
Handling of Stolen Goods incl SHOPLIFTING					
7.1	Develop email groups to send out bespoke messages for specific themed retailers. Encourage greater ownership of this crime type by shop owners	BCRP	CSU Economic Development	May 2015	Existing resources
7.2	Identify repeat offenders. Share images with CCTV and do more preventative work with shop owners	Police CCTV	CSU BCRP	April 2015	Existing resources
7.3	Publicise arrests through Social Media especially around joint working with the Business Crime reduction Partnership	SDC Police	BCRP CCTV	April 2015	Existing Budgets
7.4	Co-ordinated multi agency operations concerning retail theft and enhance visibility, eg by conducting Safer Plates ops in retail car parks	Police	CSU	April 2015	Existing Budgets
7.5	Work with BCRP to increase board members, businesses and take forward new technology	BCRP	CSU	April 2015	Existing Budgets
7.6	Work with Trading Standards on repeat offenders of Handling of Stolen Goods	Trading Standards	CSU	April 2015	Existing Budgets

Road Safety

Road Traffic Accidents

Throughout Sevenoaks there are major trunk roads e.g. M25/A21 which facilitate the majority of traffic through the District. Unfortunately the figures for major trunk roads and local roads are not available separately.

KCC Highways figures released for July 2013 - June 2014 show a slight increase (1.3%) in RTA casualties in the District compared with the same period the previous year. 553 RTA casualties were recorded during this period and the Sevenoaks District has the fourth highest number of RTA casualties in the County, after Maidstone, Dartford and Swale. 12.6% of all RTA casualties were classified as Killed or Seriously Injured (KSI) with Sevenoaks District also reporting the fourth highest number of KSI RTA casualties in the County.

Road Safety for young people appears to be good in comparison with the rest of the County – Sevenoaks was in the middle of the table ranking joint 6th lowest with Canterbury and Dartford on the number of child casualties recorded in Kent. July 2013 – June 2014 saw 5 casualties aged 16 or under.

Speed Watch

Speeding and perception of speed is a high concern for residents across the District and has featured in all PACT (Partners and Communities Together) Panel's action plans.

Speed Watch training has worked well in the District with residents being trained by Kent Police to monitor the speed of vehicles passing through their community. In November 2014 a total of 43 District locations for Speed Watch had been monitored and over 175 residents had been trained, over a quarter of all volunteers in Kent. Between December 2013 and November 2014, a total of 1096 letters were sent out to the owners of vehicles speeding within the District thanks to the Speed Watch initiative.

Priority Action		Lead Agency	Other Partners	By When	Funding
ROAD SAFETY					
8.1	Identify top 3 speeding sites within the District and work with KCC Highways and Town and Parish Councils to address the problem	KCC Highways Police	SDC	April 2015	Existing Budgets
8.2	Link the top 3 areas with Speed Watch campaign. Increase volunteers in those areas and in 8.1 above use with Police enforcement	CSU Police	Residents	June 2015	Existing Budgets
8.3	Work with young people on speed awareness, before driving	KFRS CSU	All Partners	April 2015	Existing Budgets
8.4	Co-ordinate work in schools. Investigate what work is going on and co-ordinate this with KFRS, Police and KCC Community Wardens	KFRS Police KCC Community Wardens	CSU	Sept 2015	Existing Budgets
8.5	Minimum of 4 Multi-Agency events to address speed enforcement	Police KFRS	CSU All Partners	March 2016	Existing resources
8.6	Education on road safety to be delivered through schools including Pedestrian and Cycle Safety	KFRS Police	CSU	June 2015	Existing resources KFRS

GLOSSARY:

ASB – Anti-Social Behaviour

BCRP – Business Crime Reduction Partnership

CCTV – Closed Circuit Television

CDAP – Community Domestic Abuse Perpetrators Programme

CSP – Community Safety Partnership

CSU – Community Safety Unit

CXK - Connexions

DAVSS – Domestic Abuse Volunteer Support Services

EVA – Environmental Visual Audit

KCC – Kent County Council

KFRS – Kent Fire & Rescue Service

MSG - A Group of Partnerships thought by the Home Office to have similar characteristics and used for benchmarking purposes

NEET – Not in Education, Employment or Training

PACT – Partners and Communities Together

PCC – Police & Crime Commissioner

SDC – Sevenoaks District Council

YOS – Youth Offending Service

Terms of Reference

The Partnership's terms of reference are to:

- Undertake periodic reviews of community safety in the District and disseminate the findings to the public
- Develop a yearly strategy and action plan to tackle community safety
- Monitor and report progress in meeting the agreed targets and actions
- Secure resources and funding from parent organisations and others for projects to address agreed shared priorities in the Community Safety Action Plan
- Act as a forum for discussion of topical local community safety issues and agree follow up actions if appropriate
- Promote community safety in the District in conjunction with other local organisations and bodies
- Co-ordinate and maintain an overview of all activities relevant to community safety in the District.

Structure of Sevenoaks District Community Safety Partnership
