#### Legal Implications and Risk Assessment Statement.

- 6 Robust arrangements are in place to ensure that the risk of inaccurate data being reported to Members is minimised and assurance can be placed on the accuracy of data used to assess performance. By reporting to Members and ensuring all Members are able to access the Council's performance management system the risk of poor performance not being identified or addressed is minimised.

#### Equality Impacts

- 7 The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

### **Conclusions**

- 8 This report to Members summarises performance across the Council with data that was available at the end of May 2015. Members are asked to consider two performance indicators which are performing 10% or more below their target and if the actions being taken by officers are not deemed sufficient are recommended to refer those indicators to the Cabinet for further assessment.
