

Potential devolution of public health preventative services

- King's Fund report 'district councils are in a good position to influence many factors of good health and describes a radical upgrade in prevention

The health agenda - the future at SDC

- Use all our tools in a holistic, strategic way to tackle our three main health objectives:
- Ageing well
- Mental health
- Obesity

Environmental Health, Community Safety, Housing, Leisure, Air Quality, Planning, Licensing, communication - for education, community links, economic development (jobs)

Potential devolution of public health preventative services

- KCC commissioners have acknowledged the Sevenoaks District Health Deal, which they say outlines a clear strategy for improving public health and sets out a ten point improvement plan
- They feel this could be part of a West Kent integrated deal

Sevenoaks District Health Deal

- 'Making Every Contact Count' - frontline training
- Support services in GP Surgery
- Social prescribing - wider determinants of health: Winter Warmth, HERO, Housing, Debt, Benefits
- Hospital Discharge co-ordination with SDC involvement

Potential for devolution

West Kent Cluster - Next Steps

- To look at each area of work to see whether it should be in scope for procurement - or out of scope - for direct delivery
- Examples of 'in scope,' eg smoking cessation
- Examples of out of scope, eg campaigns
- Other influencing work, eg policy review, sports development, voluntary sector grants
- Looking at figures to get a sense of where the resources can go
