Performance

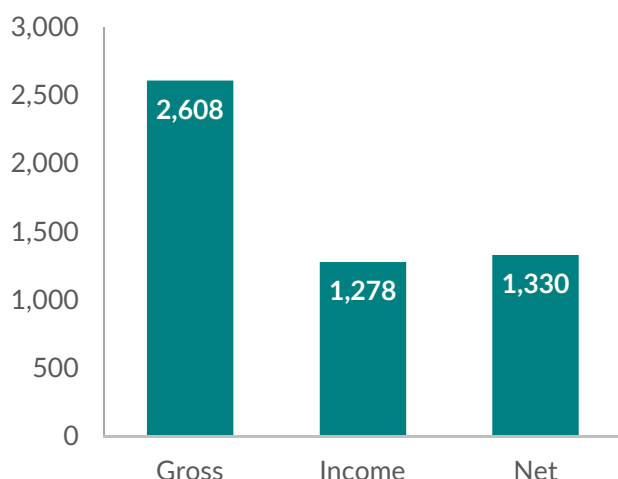

(The number of PI's that are red, amber & green)

Achievements & Opportunities

- Consistently high performing development management function when measured for both speed and quality of decision making
- Production of the new Local Plan has met all milestones set
- More than 15,000 consultation responses to the Issues & Options consultation
- 100% of Building Control plans checked within 15 days and 4,400 site inspections completed annually
- 100% response rate to dangerous structures within 2 hours

Revenue Budget (£000)

Challenges & Risks

- Delivering the Local Plan within the target timescale
- Recruitment and retention of high quality staff across the services in the Planning portfolio
- The cost of decisions being challenged, either at appeal or through the Courts
- Maintaining market share in Building Control with increasing competition from the private sector
- Digital services for Building Control
