

## Portfolio Holder Decision

Subject: The introduction of pay by phone for parking charges in the district.

Taken by: Councillor Avril Hunter

Date of decision: 31 May  
2011

Details of Decision:

To approve the introduction of a pay by phone system, as provided by Parkmobile UK Ltd., to provide alternative facilities for the payment of parking charges in the Council's car parks and on-street pay and display areas.

Documents considered:

(Please attach the report including recommendations for action and list all others)

Reasons for Decision:

To provide alternative methods of payment for parking charges as a service improvement which will be of benefit to parking users and which will help reduce operating costs for the Council.

Local Member(s), other Portfolio Holders and/or Directors/Heads of Service consulted.

Richard Wilson, Head of Environmental and Operational Services
