Subject: Taxi fare review request

Dear sir/madam ,regarding taxi fares in Sevenoaks, apart from a minimal change on 1st May 2015, there has been no change in the minimum fare of £3.80 since 1st May 2011. We the undersigned respectfully ask for a more realistic rate could be considered by the licensing committee. Bearing in mind all utilities, bus and train fares, licenses and permits taxi vehicle insurance have all increased since those reviews. In order to maintain the standard expected by all , one is having to work longer hours on the same income.trusting you will kindly give the above your consideration Yours sincerely. Mr M Laurie , ex and retired director previously of victor hire Taxis Sevenoaks. Signed petition will be handed in on Monday thank you .
