Introduction and Background

- 1 The Council's last Corporate Plan was adopted by Council in 2013. The Corporate Plan sets out a summary of recent progress and a vision for the future of the District. The main content of the Plan are the priorities the Members set for the Council, what we will achieve for the benefit of the District and the actions that will be taken to deliver on them.

Corporate Plan

- 2 There is a need for the Council to clearly set out its priorities for the coming years for the benefit of residents and local businesses and through a new Corporate Plan.
- 3 Members have been considering their approach to the Corporate Plan and the Portfolio Holder for Policy & Performance will provide an update on progress at the meeting of the Advisory Committee.
