

# APPENDIX Y: Sevenoaks District Council Petition Scheme

## 1. Petitions

1.1. The council welcomes petitions and recognises that petitions are one way in which people can let us know their concerns. All petitions sent or presented to the council will receive an acknowledgement from the council within 10 working days of receipt. This acknowledgement will set out what we plan to do with the petition. We will treat something as a petition if it is identified as being a petition, or if it seems to us that it is intended to be a petition.

1.2. Paper petitions can be sent to:

Democratic Services  
Sevenoaks District Council  
Council Offices  
Argyle Road  
Sevenoaks  
Kent  
TN13 1HG

Or be created, signed and submitted online by following this link ([e-petitions](#))

1.3. Petitions can also be presented to a meeting of the council. There are six Council meetings a year, dates and times can be found here ([Council Meetings](#))

1.4. If you would like to present your petition to the council, or would like your councillor or someone else to present it on your behalf, please contact the Democratic Services Team on 01732 227000 at least 10 working days before the meeting to be talked through the process.

1.5. If your petition has received 1,000 signatures or more it will also be scheduled for a council debate and if this is the case, we will let you know whether this will happen at the same meeting or a later meeting of the council.

## 2. What are the guidelines for submitting a petition?

2.1. Petitions submitted to the council must:

- include a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the council to take.

- include the name, address and signature (for paper petitions only) of any person supporting the petition. Anyone creating or signing a petition must either live, work or study in the District.
  - be submitted in a paper format or be submitted through the Council's approved e-petitions software.
- 2.2. Petitions should be accompanied by contact details, including an address, for the petition organiser. This is the person we will contact to explain how we will respond to the petition. The contact details of the petition organiser will not be placed on the website. If the petition does not identify a petition organiser, we will contact signatories to the petition to agree who should act as the petition organiser.
- 2.3. Petitions which are considered to be vexatious, abusive or otherwise inappropriate will not be accepted. In the period immediately before an election or referendum we may need to deal with your petition differently - if this is the case we will explain the reasons and discuss the revised timescale which will apply. If a petition does not follow the guidelines set out above, the council may decide not to do anything further with it. In that case, we will write to you to explain the reasons.

### **3. What will the council do when it receives my petition?**

- 3.1. An acknowledgement will be sent to the petition organiser within 10 working days of receiving the petition. It will let them know what we plan to do with the petition and when they can expect to hear from us again. It will also be published on our website.
- 3.2. If we can do what your petition asks for, the acknowledgement may confirm that we have taken the action requested and the petition will be closed. If the petition has enough signatures to trigger a council debate, or a senior officer giving evidence, then the acknowledgement will confirm this and tell you when and where the meeting will take place. If the petition needs more investigation, we will tell you the steps we plan to take.
- 3.3. If the petition applies to a planning or licensing application, is a statutory petition, or is on a matter where there is already an existing right of appeal, such as council tax banding and non-domestic rates, other procedures apply. For further information on all these procedures and how you can express your views, please contact the Democratic Services Team on 01732 227000.

- 3.4. We will not take action on any petition which we consider to be vexatious, abusive or otherwise inappropriate and will explain the reasons for this in our acknowledgement of the petition.
- 3.5. To ensure that people know what we are doing in response to the petitions we receive the details of all the petitions submitted to us will be published on our website, except in cases where this would be inappropriate. Whenever possible we will also publish all correspondence relating to the petition (all personal details will be removed).

#### **4. How will the council respond to petitions?**

- 4.1. Our response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:
  - taking the action requested in the petition
  - considering the petition at a council meeting
  - holding an inquiry into the matter
  - undertaking research into the matter
  - holding a public meeting
  - holding a consultation
  - holding a meeting with petitioners
  - referring the petition for consideration by the council's Scrutiny Committee \*
  - writing to the petition organiser setting out our views about the request in the petition

\*The Scrutiny Committee is a committee of councillors who are responsible for scrutinising the work of the council - in other words, the Scrutiny Committee has the power to hold the council's decision makers to account.

- 4.2. In addition to these steps, the council will consider all the specific actions it can potentially take on the issues highlighted in a petition.
- 4.3. If your petition is about something over which the council has no direct control (for example the local railway or hospital) we will consider making representations on behalf of the community to the relevant body. The council works with a large number of local partners and where possible will work with these partners to respond to your petition. If we are not able to do this for any reason (for example if what the petition calls for conflicts with council policy), then we will set out the reasons for this to you. You can find more information on the services for which the council is responsible here [Council Services](#) .

- 4.4. If your petition is about something that a different council is responsible for we will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other council, but could involve other steps. In any event we will always notify you of the action we have taken.

## **5. Full council debates**

- 5.1. If a petition contains more than 1,000 signatures it will be debated by the full council unless it is a petition asking for a senior council officer to give evidence at a public meeting. Petitions which relate to an issue which affects a particular area of the District and have a significant level of support from people who live, work or study in that area are also likely to be debated at a full Council meeting. This means that the issue raised in the petition will be discussed at a meeting which all councillors can attend. The council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting. The petition organiser will be given five minutes to present the petition at the meeting and the petition will then be discussed by councillors for a maximum of 15 minutes. The council will decide how to respond to the petition at this meeting. They may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate, or to commission further investigation into the matter, for example by a relevant committee. Where the issue is one on which the council executive is required to make the final decision, the council will decide whether to make recommendations to inform that decision. The petition organiser will receive written confirmation of this decision. This confirmation will also be published on our website.

## **6. Officer evidence**

- 6.1. Your petition may ask for a senior council officer to give evidence at a public meeting about something for which the officer is responsible as part of their job. For example, your petition may ask a senior council officer to explain progress on an issue, or to explain the advice given to elected members to enable them to make a particular decision.
- 6.2. If your petition contains at least 500 signatures, the relevant senior officer will give evidence at a public meeting of the Scrutiny Committee. A list of the senior staff that can be called to give evidence (Chief Executive, Chief Officers, Heads of Service) can be found here: [\(Organisation Structure\)](#)
- 6.3. You should be aware that the Scrutiny Committee may decide that it would be more appropriate for another officer to give evidence

instead of any officer named in the petition - for instance if the named officer has changed jobs. The committee will also require the relevant Portfolio Holder to attend the meeting. Committee members will ask the questions at this meeting, but you will be able to suggest questions to the chair of the committee by contacting the Democratic Services Team on 01732 227000, up to three working days before the meeting.

## **7. E-petitions**

- 7.1. The council welcomes e-petitions which are created and submitted through our website ([e-petitions](#))
- 7.2. E-petitions must follow the same guidelines as paper petitions. The petition organiser will need to provide us with their name, postal address and email address. You will also need to decide how long you would like your petition to be open for signatures. Most petitions run for six months, but you can choose a shorter or longer timeframe, up to a maximum of 12 months.
- 7.3. When you create an e-petition, it may take five working days before it is published online. This is because we have to check that the content of your petition is suitable before it is made available for signature.
- 7.4. If we feel we cannot publish your petition for some reason, we will contact you within this time to explain. You will be able to change and resubmit your petition if you wish. If you do not do this within 10 working days, a summary of the petition and the reason why it has not been accepted will be published under the 'rejected petitions' section of the website.
- 7.5. When an e-petition has closed for signature, it will automatically be submitted to the Council's Democratic Services team. In the same way as a paper petition, you will receive an acknowledgement within 10 working days. If you would like to present your e-petition to a meeting of the council, please contact the Democratic Services Team on 01732 227000, within 10 working days of receipt of the acknowledgement.
- 7.6. A petition acknowledgement and response will be emailed to everyone who has signed the e-petition and elected to receive this information. The acknowledgement and response will also be published on this website.

## **8. How do I 'sign' an e-petition?**

- 8.1. The Council's e-petitions system, where you can view petitions which are currently available for signature or create your own, can be accessed here ([e-petitions](#))
- 8.2. Full details on how the system works can be found by clicking on the link above.

## **9. What can I do if I feel my petition has not been dealt with properly?**

- 9.1. If you feel that we have not dealt with your petition properly, the petition organiser has the right to request that the Scrutiny Committee review the steps that the council has taken in response to your petition. It is helpful to everyone, and can improve the prospects for a review if the petition organiser gives a short explanation of the reasons why the council's response is not considered to be adequate.
- 9.2. The committee will endeavour to consider your request at its next meeting, although on some occasions this may not be possible and consideration will take place at the following meeting. Should the committee determine we have not dealt with your petition adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to the council executive and arranging for the matter to be considered at a meeting of the full council.
- 9.3. Once the appeal has been considered the petition organiser will be informed of the results within 5 working days. The results of the review will also be published on our website.
