

## **Item 6(a) - Council Tax Discounts for Empty and Uninhabitable Dwellings**

The attached report was considered by the Cabinet on 14 February 2019, and the relevant minute extract is below:

### Cabinet (14 February 2019, Minute 72)

The Council Tax and Recovery Manager presented the report which recommended amendments to the level of Council Tax discount for unoccupied and unfurnished dwellings, and dwellings undergoing or requiring major structural repair. It also asked Members to consider: increasing the premium on properties that were long term empty (unoccupied and unfurnished for more than 2 years); reducing the Class C discount to 100% for 2 months and the Class D discount to 0% for 12 months; and increasing the long term empty charge from 50% to 100%, which would support the Council's Empty Homes Action Plan and encourage empty dwellings to be brought back into use more quickly.

He advised that the Finance Advisory Committee had considered the same report and had agreed to recommend it to Cabinet.

Cabinet agreed that the Council Tax discount for unoccupied and unfurnished dwellings should be reduced from 100% for up to 3 months to 100% for up to 1 month, rather than the 2 months recommended in the report.
