Page 6	Reference to Digital Marketing Campaign. It was agreed that we needed to target the under 40s due to significant under-representation from these groups in previous consultations. Efforts to engage Older People included circulating information to the Sevenoaks Senior Action Forum and taking into account SSAF feedback. The survey results show that 17.9% of responses were from 55-64 and 16.12% from Over 65s. The data for under 18s and 18-24s still shows this group is underrepresented which is why targeted work with the Orchard's Academy and through digital marketing was undertaken.
Safe - Priority 2	The suggested inclusions for Priority 2 do not take into account the Community Safety Partnership and action plan which are reflected in the Community Plan at the strategic level. Funding for the Community Safety Action Plan is available from a number of sources and looking at targeting partner resources to address the issues identified in the Community Safety Strategic Assessment.

Community Plan reference within Appendix A2	Summary of comment and response
Caring Priority 3	The statistic about the "Kent Accommodation Strategy" highlights the need to support preventative work to keep people out of GP surgeries and emergency hospital admission. The Community Plan is themed around prevention and include delivery of the Health Improvement Action Plan and the new Housing Strategy, "Wellbeing starts at Home". In addition, there are strong ties between Caring Communities and Healthy Environment themes in prevention work and supporting people to remain independent.
Green Environment - What you said	These are references to key issues raised during the public consultation. The Community Plan already reflects noise and light pollution issues. In addition, Biggin Hill and Gatwick are mentioned in Dynamic Economy - Priority 1, which takes account of major developments outside of the District.
Green Environment - Priority 3	With regard to having more details to improve the quality and use of existing housing stock, this is contained in the new Housing Strategy, "Wellbeing Starts at Home" which is reflected in the Community Plan.
Healthy Environment - Priority 2	The fourth bullet point in Priority 2 reflects Policy H1 in the Submission version of the Local Plan.
Health Environment - Priority 3	Sencio Community Leisure already offer a concession scheme.
Dynamic Economy - Priority 1	This is a comment on the Submission version of the Local Plan. Local transport plan comments are all contained in the Sustainable Economy theme of the Community Plan.
Dynamic Economy - Priority 2	Sevenoaks District Council's Housing Strategy "Wellbeing Starts at Home" is reflected in the Community Plan. The strategy recognises young people as a vulnerable group and includes priorities relating to supporting young people with their housing and support needs.
Dynamic Economy - Priority 4	The provision of electric vehicle charging points in included within Priority 1 of Sustainable Communities.
Dynamic Economy - Did you Know section	The first bullet point has been reworded to remove the word "strain" and replace with "increasing demand on social care services due to an ageing population". This link between a shrinking working age population, and the increased demand for social care is about the capacity of the working age population to provide services, work as carers etc. The Community Plan has explicitly sought to set out how valued older people are to their local communities, including the following in Dynamic Economy Priority 2: "Work with the University of the Third Age and the Sevenoaks District Older People's Forum to support adults to remain economically active and provided with opportunities to reskill."

Community Plan reference within Appendix A2	Summary of comment and response
Sustainable Economy - Priority 1	The Community Grant scheme funding is widely publicised and we would welcome the opportunity of working with the SDSAF to help publicise them more widely in the future.
Sustainable Economy - Priority 2	These issues are reflected in the Submission version of the Local Plan and the Council's Housing Strategy, both of which are also reflected in the Community Plan.
General comment	The Community Plan will include key strategic success measures drawn from the plan. The partnership monitoring is the way in which the plan is held to account and each year, the Local Strategic Partnership produce an Annual Report setting successes and what has been achieved or not achieved.
