CSU

- The CSU meets every morning to go through the previous 24hours ASB reports, Concern Calls and community safety issues from Police, SDC, Wardens, Housing Associations and other partners.
- There have been 613 daily taskings from 1 April 2018 - 31 March 2019. A lot of the cases have been complex, requiring a partner agency response.

CSU

- Many have been repeat callers dealing with issues such as mental health, neighbour disputes, harassment in the community and nuisance bikes (motor and pedal).
- There have been over 500 follow up visits and calls made by partner agencies (Police, SDC, Community Wardens and Housing Associations) to all the residents who have reported issues and concerns. The other actions have been followed up but have either been reported back to organisations, town and parish councils or they have been anonymous so have not expected feedback on actions taken.

CSU

Work of the CSP 2018-19

- Operation Mali took place during the summer and targeted scooter based crime and ASB. This was a real issue particularly in Kemsing where it all stemmed from. In the end three significant arrests were made for offences ranging from drugs possession to theft of motor vehicle.
- The CSU was awarded a Team Contribution Award from Kent Police on our continued work around Oak View Stud Farm.
- Community Safety Officer attended a Housing Event in Leigh to promote the Safer Shops initiative.

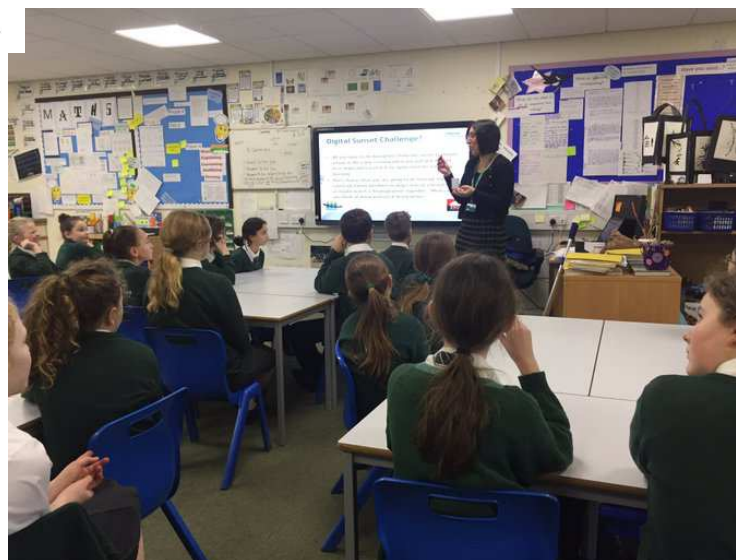

Work of the CSP 2018-19

- 6 site visits took place Jan - March - Eureka, West Kingsdown, Bat n Ball, Sevenoaks, Morley's Farm, Weald, Stable Yard, Horton Kirby, Hever Road Traveller's Site and Wildernesse Farm, Hever
- Good collaborative working between pubwatch members and CCTV operators has resulted in further pubwatch exclusions of disruptive members of the public. This generally involves use of drugs, violence and asb. This sends a strong message and helps to deter further incidents.
- Internet Safety Day was 5th February. Sexting was the main topic covered in workshops in secondary schools. Also the Community Safety Manager gave Digital Sunset presentations. Cllr Firth delivered assemblies and parent sessions.

 SDC Community Safety Partnership @SDC_CSP

Great partnership working with @kentpolice7oaks, community wardens and #Westerham Town Council this afternoon. There have been some good successes addressing community safety & anti-social behaviour. Still work to do but positive start
