IMPORTANT

It is a criminal offence to fail to notify the monitoring officer of any disclosable pecuniary interests (DPIs). This requirement arises in each of the following circumstances:

- (a) before the end of 28 days beginning with the day on which you become a member or co-opted member of the authority (s30(1) Localism Act 2011);
- (b) where the DPI is not entered in the authority's register and is not the subject of a pending notification, but is disclosed at a meeting of the authority (or any committee, sub-committee, joint committee or joint sub-committee) as required by s31(2) of the Localism Act, within 28 days beginning with the date of the disclosure (s31(3) Localism Act 2011);
- (c) where the DPI is not entered in the authority's register and is not the subject of a pending notification, within 28 days beginning with the date when you become aware that you have a DPI in any matter to be dealt with, or being dealt with, by you acting alone in the course of discharging a function of the authority (s31(7) Localism Act 2011).

It is also a criminal offence to knowingly provide information that is false or misleading (or being reckless as to whether the information is true and not misleading)

In addition to the above, the Penshurst Parish Council has adopted a Code of Conduct for Members which requires you to notify the Monitoring Officer of any disclosable DPIs before the end of 28 days beginning with the day on which the Code takes effect. Failure to comply with this requirement would not of itself be a criminal offence but could render you liable to action being taken against you under the Code.

To the best of my knowledge, the information given in this form is complete and correct.
