

Notice of Urgent Decisions to be made by the Executive on 23 February 2021

General Exception Regulation 10 Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

Under the Regulations, local authorities are required to publish a Notice of Key Decisions to be made by the Executive at least 28 days clear before the meeting. Where this is not possible the decision may be made where the Scrutiny Committee Chairman has been informed, notice is given and at least 5 clear days have elapsed before the decision is made.

The following report has been submitted pursuant to this regulation.

Key decision and description of matter to be discussed	Reason for Key Decision to be taken as a matter of urgency	Chairman of Scrutiny Committee	Documents published
27-37 High Street, Swanley, Kent.	Due to timetable sensitivities it only became fully known on Monday 22 February when it became apparent that expected project milestones would not be met with later virement authorisation and therefore the report did not meet the 28 day clear notice. The report cannot wait until the next meeting of Cabinet because a delay beyond March in the authorisation of funding for the project would significantly increase the risk of the Council failing to meet deadlines critical to funding.	The Chairman of Scrutiny Committee was notified on 23 February 2021.	Will be published for Cabinet on 10 March 2021.
