

EPHESUS Restaurant 57/59 Upper High Street Sevenoaks

Licensing Application 21/01465/LAPRE

I strongly object to this application by Ephesus for their stated extension of hours to sell alcohol and food with singing and dancing as stated up to 2.30.

This has the obvious potential to become and escalate and public nuisance to neighbours specifically and the town in general.. Living opposite in Austen Drive and almost directly facing Ephesus. My bedroom windows are normally open at night and this has the to affect my personal quality and enjoyment of life. Over the eleven years I have lived here I have got accustomed to the night traffic but the potential noise from the restaurant is from people and needs to be avoided. (. I have past enjoyed the restaurant indoors with its absence of music and dancing music.

I and many others I know have chosen to live in this area of the Upper High Street Sevenoaks to enjoy the tranquillity of the town and value the fact that it is free of those who create noise through music and dance alongside the drinking of alcohol and be a public nuisance. This extension might well attract those from outside the town causing further noise as they leave the restaurant. I ask that we may be able to continue to enjoy the town and this neighbourhood.

Please consider the application and the objections you receive in this light and unequivocally refuse to grant this application in its entirety.

Thank you for your due consideration.
Wendy Billington (Mrs)
