People & Places Advisory Committee (6 October, Minute 18)

The Health and Communities Manager presented the report which detailed the results and the steps being taken to action the issues raised from the Voluntary Sector Forum's barometer survey in May 2021. Covid-19 had a major impact on the voluntary and community sector both nationally and locally and the survey would track the impact on the voluntary and community sector in the District.

Members were advised that the results of the survey were attached as Appendix A with the results groups by theme. A second barometer survey would shortly be undertaken to assess the action taken on issues identified so far.

Members discussed the report, focussing on the number of volunteers, and how to reach out to those who could volunteer their time.
