

Item 6 (c) - Stangrove Estate Regeneration Project

The attached report was considered by the Cabinet on 14 October 2021, and the relevant minute extract is below:

The Cabinet considered the report which sought Council's approval for a new capital project to proceed and for provision to be made within the Capital Programme for 13 new homes, a retail unit together with parking and landscape improvements within the Stangrove Estate in Edenbridge.

The Stangrove estate had several parcels of land which were poorly used, and by development of the sites, the Council would contribute to its housing targets, and also significantly improve the Estate's public realm by providing additional car parking spaces and landscaping improvements to the open spaces. A new community shop would also be provided in response to the local communities wishes. Design and feasibility work, alongside other due diligence studies had been undertaken and a planning application for the development was submitted in August 2021. Subject to planning consent being obtained and funding being finalised it was envisaged that the new scheme would be delivered by Summer 2023.
